

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + Make non-commercial use of the files We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + Refrain from automated querying Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + Maintain attribution The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + Keep it legal Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

dividends if paid during the lifetime of the insured,
shall be payable to the party herein called the life beneficiary as follows: the insured and all such payments
shall be subject to the rights herein granted for varying the provisions of this policy and to any indebtedness to the Company on account of this policy including all loans made by the Company as herein provided.

CHANGE OF BENEFICIARY.—The beneficiary above designated
changed before this policy matures as an endowment, pro-

may be changed before this policy matures as an endowment, provided the policy is not then assigned by the life beneficiary and is then returned to said Company with a request for such change duly signed by the life beneficiary alone, and such change shall take effect on endorsement of the same hereon by the Company.

6. PREMIUMS MAY BE PAID ANNUALLY, SEMI-ANNUALLY OR QUARTERLY.—The Company will accept the premium payable for annual, semi-annual or quarterly periods, according to its published rate for such at the time this policy is issued, provided that before any change is made from the method of payment herein stipulated the policy shall be forwarded to the Home Office of the Company for proper endorsement. for proper endorsement.

7. CONDITIONS REGARDING PAYMENT OF PREMIUMS.—This policy hall not take effect until the first premium hereon shall have been

- 9. STATEMENTS OF INSURED NOT WARRANTIES.—All statements made by the insured shall in the absence of fraud be deemed representations and not warranties and no such statement shall avoid the policy or be used in defense to a claim under it unless it is contained in the written application herefor and a copy of such application is endorsed upon or attached to this policy when issued.
- 10. Suicide.—If the insured shall commit suicide within one year from the date hereof, while sane or insane, this policy shall be
- null and void.

 11. DIVIDENDS.—Until this policy becomes a claim it shall be entitled to share in the divisible surplus of the participating busi ness of the Company at the end of each policy year, and the amount of surplus accruing under it shall then be determined and accounted for, provided the insured is then living and there has been no de-

12. APPLICATION OF DIVIDENDS.—Such dividends shall be payable at the option of the life beneficiary by one of the following methods, provided that if no election is made the dividends will be

paid in cash.

First Method: In reduction of the premium on this policy if the remainder of such premium is paid as herein required. Second Method: In cash.

Second Method:

Third Method: In paid-up additions to the sum insured for an amount in each case bearing the same proportion to the amount of the dividend that the paid-up policy at that time shown in Table

A bears to the corresponding cash value.

Fourth Method: In being left with the Company to accumulate at a rate of interest not less than three per cent per annum. The lividends so accumulated, or any portion thereof, will be paid to the life beneficiary when desired during the lifetime of the insured, or, after the death of the insured, will be paid to the payer of the policy in addition to the sum insured; but no premium shall be construed as paid either wholly or in part by reason of dividends remaining with the Company. remaining with the Company.

DIVIDENDS MAY REDUCE THE NUMBER OF PREMIUMS OR HASTEN THE MATURITY OF THE POLICY.—When the total cash value of this policy, consisting of said accumulated dividends, the cash value of dividend additions, if any, and the cash value shown by Table A, less indebtedness, if any, secured hereby, equals the net single premium for a policy of the same amount and kind as the sum insured, issued on the same life and due at the same time, a paid-up participating policy will be issued for the sum insured if this policy is then duly surrendered to the Company for that purpose. policy is then duly surrendered to the Company for that purpose. Said single premium will be the same proportion of the sum insured that the tabular cash value at that time bears to the corresponding

paid-up policy shown by Table A. Or when such total value equals the sum insured the said sum insured shall then be due and payable.

- 14. Loans.—After two full years' premiums have been paid hereon, before default in the payment of premium, and before the policy becomes a claim, the Company will loan upon the sole security of this policy at six per cent interest payable annually in advance the whole, or, at the option of the borrower, any part of the cash value shown by Table A at the end of the current policy year and the cash value of dividend additions if any less all indebted and the cash value of dividend additions, if any, less all indebtedness to the Company hereon and less also any unpaid portion of the premium and interest on the loan for the remainder of the current policy year. For the purpose of such loan the policy shall be returned to the Company together with a proper assignment of the same and said assignment may be executed by the life beneficiary alone provided the interest of such beneficiary is not then assigned.
- 15. AUTOMATIC PREMIUM LOAN.—If a request for the automatic premium loan privilege has been signed by the life beneficiary and assignee, if any, and is received at the Company's Home Office together with this policy before default in the payment of premium, such privilege will be endorsed hereon by the Company, and thereafter, until a written revocation of said request signed by the life beneficiary and assignee, if any, has been endorsed hereon by the Company, the amount of any premium not paid in cash when due or within the days of grace less any dividend applicable thereon, will, without further action by the owners, be loaned by the Company in payment of such premium and charged as an indebtedness secured by this policy, subject to interest at the rate of six per cent per annum as above described for loans, provided that the net loan value as above described is sufficient to pay the premium and invalue as above described is sufficient to pay the premium and interest then due.
- 16. WHEN INSURANCE WILL TERMINATE FOR NON-PAYMENT OF INTEREST.—Interest on any indebtedness hereon not paid when due shall be added to the principal and reckoned as a part thereof. Failure to pay any loan or interest due thereon will avoid this policy when the total indebtedness hereon to the Company shall equal or exceed the loan value at the time of such failure, but not before that time, nor until one month after notice of the same has been mailed by the Company to the last known address of the person to whom the loan was made and of the insured, and assignee, if any.
- 17. Non-Forfeiting Values, Extended Insurance.—After two full years' premiums have been paid hereon and any subsequent premium becomes due and is unpaid the entire reserve then existing under this policy, including that of dividend additions, if any, less not more than two and one-half per cent of the sum insured and dividend additions and less also any indebtedness hereon to the Company, will, without action by the owner, be applied as a net single premium at the then age of the insured to extend as non-participating term insurance without the right to loans the sum insured by this policy and dividend additions, if any less any indebtsured by this policy and dividend additions, if any, less any indebt-edness to the Company secured hereby. The reserve and single edness to the Company secured hereby. The reserve and single premium named herein shall be computed according to the American Experience Table of Mortality and three per cent interest. If said net single premium is more than sufficient to purchase such term insurance to the end of the endowment term of this policy the excess thereof will be applied in like manner to the purchase of a non-participating pure endowment payable at the end of such endowment term if the insured is then living; or

 PAID-UP POLICY.—If requested by the life beneficiary and assignee, if any, and if this policy is surrendered to the Company within two months after the first unpaid premium becomes due the said net single premium will be applied to the purchase of a paid-up non-participating stock policy payable at the end of the endowment term of this policy if the insured is then living, or at the prior death of the insured; or

 CASH VALUE.—Under the conditions applicable to the issue of

Cash Value.—Under the conditions applicable to the issue of the paid-up policy above described, or after all premiums required hereon have been paid, the Company will pay for the surrender

hereof a cash value at least equal to the sum which would otherwise be applicable to the purchase of the extended term or paid-up insurance above provided.

The extended term insurance or the paid-up policy above provided will be entitled to a cash surrender value of the entire reserve existing thereon at the time of surrender according to said table of mortality and rate of interest, and the paid-up policy will be entitled to a loan equal to its cash value upon the conditions herein prescribed for a loan under this policy.

TABLE A. This table shows the non-forfeiting values above described for \$1000 of insurance at the end of completed policy years when there is no indebtedness to the Company secured by this policy and no existing dividend additions. The paid-up policy, the cash value, and the pure endowment, if any, for insurance of a greater or less amount than \$1000 will be proportionate. Each full quarter of a rear that has alarged after the end of any policy year and for which year that has elapsed after the end of any policy year and for which quarter year the premium due has been paid will increase the cash value and the paid-up policy one-fourth of the increase for the full The term of the extended insurance will be reckoned from the time when the first unpaid premium becomes due, and will not vary with the amount of the insurance.

No deduction from these values will be made for a surrender

charge.

The cash value shown by Table A will be decreased by the amount of any indebtedness. The paid-up policy shown by Table A will be increased by the amount of the dividend additions, and decreased in the same proportion that any indebtedness bears to the cash value hereof.

The cash value of dividend additions, if any, will be the same proportion of such additions that the cash value shown in Table A at that time bears to the corresponding paid-up policy.

CASH VALUE IN EVENT OF PERMANENT TOTAL DISABILITY.-Twelve months after proof is received at the Home Office of the Company that from causes originating after the delivery of this policy, the insured has become wholly, continuously and permanently disabled and will for life be unable to perform any work or conduct any business for compensation or profit, then in lieu of all other values, benefits or privileges herein provided, without further payment of premium, all premiums previously due having been paid, the Company will pay in full settlement of this policy upon request duly executed by the life beneficiary and assignee, if any, one-twentieth of the sum insured and dividend additions, if any, and will pay the same amount annually thereafter until twenty such payments in all have been made; or will pay the amount of annuity shown by the following table of annuities for the age of the insured at the last birthday preceding the receipt of such proof, and the same amount annually thereafter during a fixed period of nine years (making ten annuity payments certain) and for as many full years longer as the insured shall live, provided that at every such annuity payment after the tenth satisfactory proof is furnished that the insured is then living. Any indebtedness to the Company on account of this policy will reduce the amount of either of said annual payments in the same proportion that said indebtedness bears to three-fourths of the sum insured and dividend additions, if any.

The Company will extend the privileges and benefits for permanent total disability above described to cover the irrecoverable loss of the entire sight of both eyes, or the total and permanent loss by removal or disease of the use of both hands or of both feet or of such loss of one hand and one foot all from causes originating after the delivery of this policy and before default in the payment of premium.

Any benefit for disability within the meaning of this policy is conditioned upon the Company being permitted to examine the insured when desired within one year after the receipt of the proof, and such benefit will not be included in the paid-up policy herein

provided to be issued on default in payment of premium.

19. REINSTATEMENT.—Within five years after default in any premium payment, if this policy has not been surrendered, it may be reinstated upon evidence of insurability satisfactory to the Company and by payment of arrears of premiums with interest at the rate of six per cent per annum and by payment or reinstatement of whatever indebtedness to the Company existed hereon at the date of default with interest from that date.

of whatever indebtedness to the Company existed hereon at the date of default with interest from that date.

20. Modes of Paying the Insurance.—If the policy is not assigned by the life beneficiary the life beneficiary may elect, or the payee after the death of the insured without such election may elect, by written notice filed at the Home Office of the Company, before any payment on the sum insured has been made, to have the net sum payable by the Company under this policy either as a death

claim, matured endowment or as a cash surrender value paid by one of the following modes in lieu of payment in one sum, provided the one sum to which every such payee would otherwise be entitled amounts to Five Hundred Dollars or more. Any mode of payment involving life instalments shall apply only to personal payees, the right of any payee contingent upon the death of a previous payee after the death of the insured shall be only such of the instalments certain as remain unpaid at the death of the last previous payee, and any election shall take effect only upon an endorsement of the same hereon by the Company. The first instalment or annuity by either of these modes will be paid when the one sum becomes payable as hereinbefore provided, and the remaining instalments will be payable annually thereafter on the anniversary of the payment of the first instalment.

Under the third and fourth modes the attained age of any payee will be reckoned, under a death claim, as that of the last birthday of such payee preceding the death of the insured; or in case of a matured endowment, or cash surrender value, as that of the last birthday preceding the time when the sum insured or the value first became payable by the Company, and satisfactory evidence of the date of birth of the payee, or payees, must be furnished before the instalment payments commence.

SUM MAY REMAIN WITH COMPANY AT INTEREST .-- First. The payment annually in advance of three per cent interest on the net sum payable, and the payment of the said sum at the death of the payee, less the unearned part of said interest, if any; and unless otherwise elected the payee may at the end of any interest year require the payment of the principal sum or any portion thereof.

22. Instalments for Limited Period.—Second. The payment of equal annual instalments for a limited number of years. The amount of instalment for each one thousand dollars in the net sum

payable is shown in Table B.

23. Instalments During Life.—Third. The payment of equal annual instalments for a fixed period of twenty-five years and for as many full years longer as the payee shall live. The amount of instalment for each one thousand dollars in the net sum payable is shown in Table C opposite the attained age of the payee.

24. LIFE ANNUITY.—Fourth. The payment of equal annual instalments for as many full years as the payee shall live and no longer. The amount of instalment for each one thousand dollars in the net sum payable is shown in Table D opposite the attained age

of the payee. (Table on next page).

25. Instalments Increased by Dividends.—Under the above modes of paying the insurance all annual payments required by the first and second modes and the first twenty-five instalments stipulated in the third mode will be increased by such dividends as may thereafter be declared by the Company.

HOW PAYABLE AFTER DEATH OF PAYEE.—Unless otherwise provided, any sum payable by the Company after the death of a payee under the first, second and third modes shall be payable to

the executors, administrators or assigns of the payee.

27. SUPPLEMENTARY CONTRACT.—When this policy becomes a claim, if an election has been made requiring payment by annual instalments, the policy shall, if required by the Company, be surrendered and a supplementary contract issued for the mode of paymenté elected.

28. Commutation of Instalments.—Unless otherwise elected the payee or payees under the second and third modes, may at any time surrender the contract for the commuted value of the instalment payments yet to be made, computed upon the same basis as the computations in the second mode, provided that no such commutation will be made under the third mode except after the death of the payee or payees occurring within the aforesaid twenty-five years.

Assignments.—No assignment of this policy shall be binding upon the Company until the original or a duplicate thereof is filed at its Home Office. The Company does not assume any responsibility for the validity of an assignment.

Tables B, C and D show the amount of each annual instalment for \$1000 in the net sum payable. Instalments for a greater or less amount will be proportionate.

ALL AGREEMENTS MUST BE SIGNED BY AN EXECUTIVE OF-FICER.—All agreements made by the Company are signed by its President, Vice-President, Secretary, Assistant Secretary, Treasurer or Assistant Treasurer. DOUBLE INDEMNITY PROVISION.—If the death of the insured, before a disability claim has been paid, results directly and independently of all other means from bodily injuries effected solely through external, violent and accidental causes within ninety days from the occurrence of such accident, of which there is a visible contusion or wound on the exterior of the body, except in case of drowning, or of internal injuries revealed by an autopsy, then the Company will pay a sum equal to the sum mentioned in this policy as the sum insured in addition thereto, provided such death does not result from suicide, while sane or insane, nor from military or naval service in time of war, nor from an aeronautic or submarine expedition, nor directly or indirectly from disease in any form.

The consideration for the double indemnity provision above described is an additional premium of Fifteen and 00/100ths Dollars which consideration is included in the premium named in this policy. This double indemnity provision shall not apply to the paid-up policy or the extended insurance provided in this policy, and the words "sum insured" or "insurance" appearing in this policy shall be regarded as the amount described on the first page hereof, and the unpaid premium for the policy year, if any, to be deducted from the loan value shall be the premium for the sum insured only.

Upon the first anniversary of this policy after the insured has attained the age of seventy years this double indemnity provision will absolutely cease and the consideration therefor above described will be deducted from the premium then and thereafter payable. Any premium paid to the Company for such indemnity for any period not covered by this policy will be returned upon request.

This provision is a part of Policy No. 99999 issued by the

THIS COPY OF THE APPLICATION.

should be carefully examined and if any error or omission is found the policy should be returned immediately to the Home Office of the Company for correction.

APPLICATION

I hereby apply to the Aetna Life Insurance Company for a contract of insurance upon my life, and I do hereby declare that I am in sound health and have no disease or ailment not fully set forth herein; that the statements and answers herein made and signed by me are complete and true, and I agree that they shall form a part of the contract or policy issued by said Company upon my life. I further agree that no statement or declaration made to any agent examiner or any other person and not contained in this any agent, examiner, or any other person, and not contained in this application, shall be taken or considered as having been made to, or brought to the notice or knowledge of, said Company, or as charging it with any liability by reason thereof. I also acknowledge that all policies and agreements made by said Aetna Life Insurance Company are signed by one or more of its executive officers, and that no agent or other person not an executive officer can grant insurance or waive any condition of its policies, or make any agreement which shall be binding upon said Company.

ANY LANGUAGE IN THIS POLICY TO THE CONTRARY NOTWITHSTANDING.—If the insured shall within two years from the date
hereof engage in any aeronautic or submarine service or expedition, or shall in any time of war within two years from the date
hereof engage in any naval service, or in any military service outside of the continental limits of the United States of America, the
provisions herein for Permanent Total Disability and for Double
Indemnity in event of death shall immediately cease and be void,
but all other provisions of this policy shall remain in force, provided that prior to any such engagement, or within ten days thereafter notice shall be given to the Company by or on behalf of the
insured, and an extra premium of five per cent. of the sum insured
under this policy shall be paid to the Company or its authorized
agent, and annually thereafter during its continuance, subject to
the thirty-one days of grace applicable to regular renewal premiums;
otherwise, such service will render this policy—including not only
the original insurance, but also the provision for extended insurance and paid-up policy—null and void, except for the legal reserve
then existing. If for any engagement or service described in this
section the Disability or Double Indemnity feature has ceased or
become void, the Company will restore the same after such engagement and service is discontinued upon being furnished with satisfactory evidence of the good health and insurable condition of the
insured, provided the policy is otherwise in full force.

If the insured does not continue in such service, said extra premium will not be required after the expiration of the year for which it has been paid, and if this policy shall lapse by reason of the non-payment of the regular premium no risk shall thereafter be covered by such extra premium, and the unearned portion thereof will be returned on demand.

This provision is a part of Policy No. 99999, issued by the AETNA LIFE INSURANCE COMPANY on the life of Richard Ros.

11. Loans.—After three full years' premiums have been paid hereon, before default in the payment of premium and before the policy becomes a claim, the Company will loan upon the sole security of this policy at 6 per cent interest payable annually in advance the whole or, at the option of the borrower, any part of the cash value shown by Table A at the end of the current policy year, less all indebtedness to the Company hereon and less also any unpaid portion of the premium and interest on the loan for the remainder of the current policy year. For the purpose of such loan the policy shall be returned to the Company together with a proper assignment of the same and said assignment may be executed by the life beneficiary alone, provided the interest of such beneficiary is not then assigned. then assigned.

12. AUTOMATIC PREMIUM LOAN.—If a request for the automatic premium loan privilege has been signed by the life beneficiary, and assignee if any, and is received at the Company's Home Office together with this policy before default in the payment of premium, together with this policy before default in the payment of premium, such privilege will be endorsed hereon by the Company, and thereafter until a written revocation of said request signed by the life beneficiary, and assignee if any, has been endorsed hereon by the Company, the amount of any premium not paid in cash when due or within the days of grace will, without further action by the owners, be loaned by the Company in payment of such premium and charged as an indebtedness secured by this policy, subject to interest at the rate of 6 per cent per annum as above described for loans, provided that the net loan value as above described is sufficient to pay the premium and interest then due.

be reduced by the consideration charged for the provision annulled, provided the policy is returned to the Company for such change.

19. Modes of Paying the Insurance.—If the policy is not assigned by the life beneficiary the life beneficiary may elect, or the payee after the death of the Insured without such election may elect, by written notice filed at the Home Office of the Company, before any payment on the sum insured has been made, to have the net sum payable by the Company under this policy either as a death claim or as a cash surrender value, paid by one of the following modes in lieu of payment in one sum, provided that the one sum to which every such payee would otherwise be entitled amounts to Five Hundred Dollars or more. Any mode of payment involving life instalments shall apply only to personal payees, the right of any payee contingent upon the death of a previous payee after the death of the Insured shall be only such of the instalments certain as remain unpaid at the death of the last previous payee, and any election shall take effect only upon an endorsement of the same hereon by the Company. AMERICAN CENTRAL LIFE INSURANCE COMPANY INDIANAPOLIS.

AGREES TO PAY Ten Thousand Dollars, the amount of insurance, for the consideration and under the conditions stated herein, to the Beneficiary, Mary Alston, Wife, of the Insured, Abner Alston, or the Insured, himself, if this policy be in force at end of policy year nearest age eighty-five.

The entire contract between the parties hereto shall be this policy and the application therefor, a copy of which is attached and made a part hereof.

The Insured is entitled without the consent of the Beneficiary, to receive every benefit, exercise every right, and enjoy every privilege conferred on the Insured by this policy.

STATE OF INDIANA-INSURANCE DEPARTMENT.

I hereby certify that the net cash value of this and all other policies issued by The American Central Life Insurance Company and in force, is secured by the deposit with this department of securities, as prescribed by and in compliance with, the Indiana Legal Reserve Compulsory Deposit Law.

OTTO L. KLAUSS, Auditor of State.

ALL PREMIUMS or installments thereof are payable in advance either at the Home Office of the Company, or to an agent of the Company upon delivery of a receipt signed by the Company's President, First Vice-President, Secretary or Treasurer, and countersigned by such agent. Premiums after the first may be paid in semi-annual or quarterly installments at the Company's rates therefor. The payment of a premium or installment thereof shall not maintain this policy in force beyond the due date of the next premium or installment, except as herein provided.

Cash Loans.—Beginning with the third policy year, the Company, at any time while the policy is in force, provided no premium be in default, will loan to the insured on the execution of a proper assignment of the policy and on the sole security thereof, any sum not exceeding the amount stated in the Table of Loan and Surrender Values for the end of the current policy year. From such loan value there will be deducted any existing indebtedness on or secured by the policy and any unpaid balance of the premium for the

current policy year. Interest, at the rate of six per centum per annum, will be collected on the loan to the end of the current policy year and shall thereafter be payable annually in advance. The Company may, at its option, defer a cash loan (except where the proceeds are to be applied in payment of premiums on policies issued by this Company) for not to exceed ninety days after the application therefor is made.

FAILURE TO REPAY ANY SUCH LOAN or to pay interest thereon shall not avoid the Policy, but if interest is not paid when due it shall be added to and become a part of the indebtedness, provided that whenever the total indebtedness on the policy shall exceed the loan value of the policy, the policy shall become void thirty-one days after notice shall have been mailed by the Company to the last known address of the insured and of the assignee, if any.

LOAN INSURANCE.—Any cash loan made hereunder may be covered by loan insurance, which loan insurance shall be applied in the event this policy matures as a death claim, to the cancellation of any such cash loan. Loan insurance will be granted only under the following conditions:

- (a) The insured shall furnish evidence of insurability satisfactory to the Company, and the loan insurance shall not be effective until the insured shall have received a certificate thereof from the Company.
- (b) The premium for loan insurance shall be computed at the insured's attained age nearest birthday at the time of making or renewing such loan insurance and shall be as indicated in the table on the back of this policy. For periods less than a year the premium for each month or fraction thereof shall be one-tenth of the premium for one year, but in no event to exceed the premium for one year.
- (c) Loan insurance will not be granted for a period extending beyond the next anniversary date of this policy, but may be renewed from year to year subject to payment of the premium at the insured's attained age. No loan insurance will be granted or renewed when the insured shall have attained age sixty years nearest birthday.
- (d) Any idean insurance in excess of the total indebtedness to the Company under this policy shall be void, and the Company will refund to the insured any unearned premium therefor.

AUTOMATIC PREMIUM LOANS.—If any premium or installment thereof on this policy be not paid in cash on or before the due date thereof or within the period of grace, the Company will charge up such premium or installment and any subsequent premium or installment not paid in cash, with interest in advance at the rate of six per centum per annum to the end of the current policy year, against the then loan value of this policy, as stated above, provided that such loan value be sufficient and provided that written request therefor has been made by the insured on the Company's form at any time while there is no default in payment of any premium hereunder. Any premium or premiums or installments there-

of so charged against the loan value of this policy shall be considered as a loan upon the policy and shall be subject to the same terms and conditions as any loan made in accordance with the "Cash Loans" provision above. Such request may be revoked at any time in writing by the insured; provided, however, that such revocation shall not affect any loan which may have been previously made hereunder.

GRACE IN PAYMENT OF PREMIUMS .- A grace of thirty-one days will be granted for the payment of every premium or installment thereof after the first premium, during which time the policy shall remain in force.

CHANGE OF BENEFICIARY,—If there be no existing assignment of the policy made as herein provided, the insured may, with the consent of the Company, at any time while the policy is in force, change the beneficiary by filing with the Company at its Home Office written request therefor, duly acknowledged. Such change shall take effect when endorsed on the policy by the Company and not before. If any beneficiary shall die before the insured, the interest of such beneficiary shall vest in the insured unless otherwise provided herein.

Assignment.—No assignment of this policy shall be binding upon the Company unless such assignment be made in duplicate and both copies filed with the Company at its Home Office, when one copy will be returned. The Company will assume no responsibility as to the validity of any assignment.

THE AMOUNT OF INSURANCE is payable to the beneficiary immediately upon receipt of due proof of death of the insured and of the interest of the claimant:

INCONTESTABILITY.—After one year from the date hereof this policy shall be incontestable except for non-payment of premiums and except for violation of its conditions as to military or naval service in time of war.

This policy is unrestricted from issue as to travel, residence or occupation or as to military or naval service in time of peace.

Death while engaged in military or naval service in time of war or in consequence of such service shall render the Company liable for only the reserve under this policy unless the Company's permission to engage in such service shall have been obtained and such extra premium or premiums as the Company may require shall have been paid.

REINSTATEMENT.—At any time after any default in premium payment, upon written application by the insured and presentation at the Home Office of evidence of insurability satisfactory to the Company, this policy may be reinstated, upon the payment of arrears of premiums with compound interest thereon at the rate of five per centum per annum.

Installment Privileges.—.The insured may change the mode of payment of the amount of insurance as a death claim from payment in one sum to payment in installments as provided on the fourth page hereof.

INDEBTEDNESS.—Any indebtedness to the Company on account of this policy (including any unpaid portion of the premium for the policy year current at death) will be deducted in any settlement or payment under this policy.

Modifications.—No condition, provision or privilege of this policy can be waived or modified in any case except by an endorsement hereon signed by the President, the First Vice-President, the Actuary or the Secretary. No agent has power in behalf of the Company to make or modify this or any other policy, to extend the time for paying a premium, to waive any forfeiture, to grant any permit or to bind the Company by making any promise or making or receiving any representation or information.

STATEMENTS OF THE INSURED.—All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the policy unless it be contained in the written application.

SELF-DESTRUCTION.—Self-destruction during one year from the date hereof, whether the insured be sane or insane, is a risk not assumed by the Company; but in such event the Company will return the premium paid.

MISSTATEMENT OF AGE.—If the age of the insured has been misstated, the amount of insurance payable shall be such as the premium would have purchased at the correct age.

Non-Forfeiture Provisions.—The insured may, at the end of the third policy year or at any time thereafter during the period of thirty-one days following the due date of any unpaid premium or installment thereof, either

Surrender this policy at the Home Office of the Company (a)

for its cash value; or,

The Insured The Insured is John Doe of Des Moines, County of Polk, State of Iowa, and the sum above provided for shall be paid upon receipt by the Company at its Home Office of due proof of the Insured's death, together with this Policy properly surrendered while in full force.

Annual **885**5.20

Semi-Annual \$181.05 This Policy is based upon annual premiums, but beginning with any policy year, instead of the annual payments, the Company will accept semi-annual or quarterly payments in advance, at the rates given in the margin hereof, but no payment shall continue the Policy in force beyond the date when the next payment is due, except as hereinafter provided. Each payment

Quarte'ly

Dividenda made, whether annual, semi-annual or quarterly, shall be considered as indicating the manner in which subsequent payments are to be made unless otherwise requested in advance by the insured in writing to the Company at its Home Office. Any payments required to complete the premiums for the current policy year in which death occurs shall be deducted from the insurance payable.

At the end of the first policy year, if the second year's premium is paid in cash, and at the end of each subsequent policy year this Policy, while in force (except as Extended Insurance), shall be credited with its portion of the divisible surplus as annually determined by the Company. Such annual dividend may be used by the insured for any one of the following purposes:

First—Applied toward the payment of any premium or withdrawn in cash; or

Second—Applied to the purchase of participating paid-up additions to the Policy payable with the original insurance; or

Third—Left to accumulate to the credit of the Policy with interest at not less than three and one-half per cent per annum as determined by the Company and payable at the maturity of the Policy, but withdrawable on any anniversary of the Policy.

Unless the insured shall elect otherwise within three months after any dividend is due, the same shall be applied to the purchase of Paid-up additions to the Policy (with cash surrender value available at any time at least equal to such dividend), or under such other automatic option as may be required by the laws of the State in which this Policy is delivered.

Reserve Deposit The Full Reserve on this Policy shall be secured by deposits with the Insurance Department of the State of Iowa of interest bearing securities as required by law; the reserve being based upon the American Experience, Table of Mortality with three and one-half per cent interest and net level premiums.

This Policy is subject to the provisions set forth on

the following pages hereof, which form a part of this Contract as fully as if recited over the signatures hereto affixed.

Dated at Des Moines, Iowa, the First day of June, Nineteen Hundred and Seventeen.

G. S. Nollen,
Secretary.

Bankers Life Company. George Kuhns, President.

PROVISIONS.

Policy Contract.—This Policy and the application therefor, a copy of which is attached hereto, constitute the entire contract between the parties hereto. All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties and no statement of the insured shall void this Policy or be used in defense to a claim thereunder, unless it is material and is contained in the written application therefor and a copy of such application is attached to this policy when issued. No modification of this contract shall be valid unless signed by the President, Vice-President, Secretary or Assistant Secretary of the Company.

Incontestability—Age.—This Policy shall be incontestable after one year from its date of issue, except for non-payment of premium, and except for violation of, or non-compliance with, the provisions as to Military or Naval Service hereinafter set out, provided, however, that if the age of the Insured has been misstated, the amount payable under this Policy shall be such as the premium would have purchased at the correct age, unless the laws of the State in which this Policy was delivered shall prescribe another method of settlement.

SUICIDE.—Self-destruction, while sane or insane, within one year from the date hereof is a risk not assumed by this Company, but in such case it will return the premiums actually received on this Policy.

MILITARY OR NAVAL SERVICE.—If, within five years from the date of this Policy, the Insured shall engage in Military or Naval Service in time of war without receiving a written permit therefor from the Company, or shall fail to pay any extra premium required for such permit during such service, the liability of the Company in event of death of the Insured while so engaged, or as a direct or indirect result of such service within six months from the termination thereof, will be limited to the return of the premiums paid thereon, exclusive of any extra premium paid for Military or Naval Service, less any indebtedness to the Company thereon. Such permit will be issued by the Company for such service provided written application therefor is received from the Insured by the Company at its Home Office in Des Moines, Iowa, within thirty-one days from the date of engaging in such service and

provided the Insured pays to the Company during the continuance of such service such extra premiums as the Company may require. The first extra premium shall be for the remainder of the current policy year and shall be paid within thirty-one days after notice of the amount thereof shall have been mailed by the Company to the last known address of the Insured or at such later time as may be specified in said notice, and succeeding extra premiums shall be paid at the time when the premiums under the Policy are payable.

It is hereby understood and agreed that, in case such permit is applied for and issued, such application and permit shall form a part of this Policy as fully as though written out at length herein.

Within one year after the termination of the war the Company will return such portion of the extra premiums as in its judgment will not be required to cover the extra hazard.

Any total and permanent disability benefit provision contained in this Policy (whether extra premiums as above provided are paid or not) shall be null and void in event of such service (any unearned part of the current year's additional premium paid therefor to be refunded); provided, however, that if the Insured, after the termination of such service, shall furnish evidence, satisfactory to the Company, that he is physically and mentally unimpaired and in sound health, such provision may be restored by the payment of the premiums required therefor.

PREMIUM PAYMENTS.—All premiums are due and payable at the Home Office of the Company in the City of Des Moines, Iowa, but will be accepted elsewhere if paid to a duly authorized collecting agent in exchange for the Company's receipt signed by the President, Secretary or Assistant Secretary and countersigned by such agent.

This Policy shall not take effect until the first premium is actually paid and the Policy delivered while the Insured is in good health and shall then become effective from its date. In case any subsequent premium is not paid when due, this Policy shall cease and determine and all payments made hereon shall remain the property of the Company, except as herein otherwise agreed.

GRACE.—Thirty-one days of grace without interest will be allowed in payment of any premium after the first; the Policy to remain in force for its full amount during such period. If death occurs within the period of grace, the unpaid premium for the then current policy year shall be deducted from the amount payable hereunder.

ASSIGNMENT.—No assignment of this Policy shall be binding upon the Company unless it be filed with the Company at its Home Office. The original assignment must be produced when the Policy is presented for payment. The Company assumes no responsibility as to the validity of any assignment.

CHANGE OF BENEFICIARY.—When the right of revocation has been reserved or in case of the death of any beneficiary under either a revocable or irrevocable designation, the Insured, if there be no

existing assignment of this Policy, may while the Policy is in force, designate a new beneficiary with or without reserving right of revocation by filing written notice thereof at the Home Office of the Company accompanied by the Policy for suitable endorsement thereon. Such change shall take effect when endorsed on the Policy by the Company and not before. If any beneficiary shall die before the insured, the interest of such beneficiary shall pass equally to the survivor or survivors, unless otherwise provided in the Policy. If no beneficiary shall survive the insured, then payment shall be made to the executors, administrators or assigns of the insured.

REINSTATEMENT.—At any time within five years after default in payment of any premium, or thereafter by special arrangement; if this Policy has not been surrendered to the Company, it may be reinstated upon presentation at the Home Office of evidence of the insurability of the insured satisfactory to and approved by the Company, and the payment of all premium arrears with interest thereon at the rate of six per cent per annum and payment or reinstatement of any indebtedness which existed at the time of such default with interest at the rate of six per cent per annum.

PAID UP OR MATURED BY DIVIDENDS.—By giving the Company written notice at its Home Office, the Insured may elect to have this Policy endorsed as a FULL PAID PARTICIPATING LIFE POLICY for its face amount, when the reserve value of this Policy together with the reserve value of any paid-up additions, and the accumulated value of any dividends left at interest to the credit of the Policy, (said additions and dividend credits being thereby cancelled) equal the net single life premium at the attained age of the insured, according to the American Experience Table of Mortality with interest at three and one-half per cent per annum, for the face amount of the policy, any indebtedness to the Company on account of the Policy to remain as a lien in accordance with the terms of the Policy and with interest payable as provided; or, this policy will be MATURED AS AN ENDOWMENT for its face amount when the reserve values and accumulated dividends above referred to equal said amount of insurance, any indebtedness to the Company on account of the Policy being deducted in such settlement as herein provided.

OPTION TO CHANGE FORM OF POLICY.—At any time while no premium is in default, this Policy, if properly surrendered to the Company, may be exchanged, without re-examination, for any form of Policy issued by the Company at the date hereof and of equal amount requiring a higher rate of premium, upon payment of the differences between the premiums paid hereunder and the premiums for the new Policy (based on the age of the insured at the date hereof) with six per cent interest per annum on such differences and with adjustment for the difference in annual dividends.

NON-FORFEITURE PROVISIONS.

In event of default in premium payments after premiums shall have been paid for three full years, the insured shall have the following options:

EXTENDED INSURANCE.—(A)—Extended Insurance.—Without any action on the part of the insured, the insurance will be automatically extended from date of default in premium payments, without participation in surplus, for a sum equal to the face amount of the Policy and existing dividend additions, less any indebtedness to the Company hereon. The term of extended insurance will be such as the cash surrender value hereinafter provided for will purchase at net single premium rates, according to the attained age of the insured. (See Table of Guarantees below.)

PAID-UP VALUE.—(B)—Paid-up Insurance.—Upon the written request of the insured and assigns, if any, prior to the expiration of the thirty-one days' grace and the surrender of this Policy to the Company, it will issue a Paid-up Participating Policy, payable as

herein provided. The amount of the Paid-up Policy will be such as the cash surrender value, hereinafter provided for will purchase at net single premium rates, according to the attained age of the insured. (See Table of Guarantees below.)

The Extended Insurance or the Paid-up Policy will be entitled to cash surrender values according to the reserve thereon at the time of surrender, computed upon the basis hereinafter mentioned, less any indebtedness to the Company.

Cash Surrender Value—Surrender Charge,—(C)—Cash Value.—Within one month from date of default in premium payment, to surrender this Policy to the Company at its Home Office for its cash surrender value, which shall be equal to the entire het reserve on this Policy, and dividend additions thereto, according to the American Experience Table of Mortality, with interest at three and one-half per cent per annum, less any indebtedness on the Policy and a surrender charge as follows: During the third, fourth and fifth policy years, one per cent of the amount of insurance, and decreasing one-tenth of one per cent annually thereafter until the end of the fourteenth year, after which no surrender charge is made. The payment of such cash value may be deferred for not exceeding the months after the application therefor is made, should the Company deem such action necessary. (See Table of Guarantees below.)

Loans.—After three full years' premiums have been paid, the Company, at any time while this Policy is in force, except as Extended Insurance, on proper assignment of this Policy and on the sole security thereof, will advance at the rate of six per cent interest per annum, a sum equal to, or at the option of the owner of the Policy less than, the cash surrender value at the end of the then current policy year as shown in column four of the "Table of Guarantees" below, deducting therefrom all indebtedness hereon to the Company and any unpaid balance of premium for the current policy year and interest in advance to the end of such year on the amount of the loan. Such loan, unless made to pay premiums on this policy, may be deferred for not exceeding six months after the application therefor is made. Failure to repay any such advance or interest shall not void this Policy, unless the total indebtedness hereon to the Company shall equal or exceed such loan value at the time of such failure nor until one month after notice shall have been mailed by the Company to the last known address of the insured, and of the assignee, if any, on record at the Home Office of the Company,

Premium Loans.—At any time while this policy is not assigned, and while there is no premium in default, the insured may direct by written notice to the Company at its Home Office, that after premiums have been paid for three years, any subsequent premium not paid prior to the expiration of the grace period shall be charged against the policy as a loan at six per cent interest per annum, subject to the provisions above in regard to loans, except that the assignment of the policy shall not be required and the interest shall be added to the loan each year unless paid to the Company. Such premium loan may be repaid at any time, and the insured may, at any time, by written notice to the Company, revoke the direction for such loan as to premiums thereafter payable.

Policy Claims.—Upon maturity of this Policy its legal survender will be required and any indebtedness of the insured to the Company under this Policy will be deducted in any settlement therewider. All proofs of death must be furnished upon blanks supplied by the Company.

Showing minimum "Non-forfeiture" values at the end of years stated for which premiums shall have been paid in full and in case there be no indebtedness on this Policy: Loans may also be obtained during the Policy was as set forth in Loan clause above.

To be attached to and form a part of the Policy No. 99999, dated February 21st, 1916, of the Bankers Life Company, Des Moines, Iowa, on the life of John Doc.

The premium set out in the Policy No. 99999 includes an additional premium of Five and 50/100 Dollars per annum, as the consideration for the following additional benefits:

Disability Benefit.—After the premiums have been paid for at least one full year and provided no premium is in default, if the insured, before attaining the age of sixty years, becomes totally; permanently and incurably disabled as a result of accident or disease (not due to any cause or condition existing at the time of application for this agreement) and is thereby prevented permanently, continuously and wholly from performing any work or following any occupation for dompensation or profit, the Company will waive payment of premiums thereafter becoming due under said policy which shall be centinued in force for the same amount and with the same cash surrender and loan values (except as hereinafter provided) as if such premiums had been paid, and beginning one year after receipt of due proof of such disability, if the policy is in full force, the Company will pay the policy to the insured at a monthly income for ten years, dividing the face of the policy into 120 equal monthly installments; the policy to be returned to the Company for endorsement thereon of each payment. The amount of the policy shall be reduced by the amount of each monthly installment paid, and any balance of the policy remaining, upon the insured's death, or at maturity, shall be paid in accordance with the policy provisions. The cash surrender and loan values shall decrease in the same proportion as the amount of the policy.

Installments Left at Interest.—The monthly income payments above provided for may be left with the Company to accumulate at a rate of interest to be determined by the Company, but not less than three and one-half per cent per annum; such accumulated fund to be withdrawable on any anniversary date of this agreement.

The granting of these benefits shall be subject to the conditions and full compliance with the requirements herein set forth.

When Benefits Bean.—This agreement shall become operative upon receipt by the Company, at its Home Office, of due proof of such disability of the insured, such proof to be furnished upon the Company's forms and while no premium is in default.

EVIDENCE OF DISABILITY.—Before approval of the proof of disability or at any time thereafter, any medical examiner or other accredited representative of the Company, shall be permitted to make such physical examination of the insured relative to his disability as the Company may desire.

RECOVERY FROM DISABILITY.—If, at any time, it is found that the insured has recovered from his disability, or has become able to perform any work or follow any occupation for compensation or profit, no further premiums shall be waived and no further monthly installments shall be paid to the insured by the Company, but the policy may then be continued in force for the net amount of insurance, after deducting any monthly installments paid from the original amount of the policy; the premiums subsequently payable, to be adjusted accordingly. The non-forfeiture values of the policy shall be reduced in the same proportion as the amount of insurance.

DIVIDEND CREDITS APPLIED.—Upon approval of proof of disability, the full legal reserve value of any paid up additions and the accumulated value of any dividends left at interest to the credit of the policy shall be applied on any indebtedness to the Company on the policy, or if there be no indebtedness shall be paid to the insured in cash, and such paid up additions or dividend credits shall thereby be cancelled.

INDEBTEDNESS, How CANCELLED. Any indebtedness against the policy remaining unpaid after this agreement becomes operative, shall be paid to the Company with accrued interest, in full, or in installments so as to reduce the indebtedness in the same proportion that the policy is reduced by the monthly payments to the insured; and any such installment due and unpaid on the indebtedness, with accrued interest, shall be deducted from any monthly income payment due the insured.

SPECIFIC CAUSES.—Without prejudice to any other cause of disability the entire and irrevocable loss of the sight of both eyes or the severance of both hands above the wrist or of both feet above the ankles or of one entire hand and one entire foot shall be considered as total and permanent disability within the meaning of this agreement.

DIBABILITY AFTER ACE SIXTY.—If the insured becomes totally disabled, as herein defined, after the age of sixty, and the requirements for furnishing due proof of such disability are complied with, the Company will waive cash payment of all premiums thereafter becoming due, while the cash value of the policy is sufficient, charging such waived premiums with interest at three and one-half per cent per annum against said policy as indebtedness to be defined in any settlement as provided in the policy. When the cash value at the end of any policy year is not sufficient to cover all indebtedness then existing with due or accrued interest, and the annual premium for the succeeding year, payment shall be waived on the terms above provided of only such part of the interest and premiums as will keep the total indebtedness, including the payments so waived, within the cash value of the policy, the dalance of such interest and premium to be paid in cash to continue the policy in force.

PREMIUMETO AGE STETY.—ETheradditional premium fobotime Disability Benefit shall not be payable after the insured is sixty years of age.

To CANCEL ACREMENT.—This agreement may be cancelled by the insured, at any time before it becomes operative by proof of disability, by giving the Company written notice at its Home Office and after receipt by the Company of such notice, together with the policy for endorsement, no further additional premiums shall be payable, the policy to be continued on the same terms as though this agreement had not been issued.

Secretary. President.

CONDITIONS AND AGREEMENTS REPERRED TO AS A PART OF THIS CONTRACT.

NOTICE.—No person has authority to erase, waive or modify has any way any of the terms or conditions of this policy.

PAYMENT OF PREMIUMS.—All premiums, are payable at the Home Office of the Company, in Lincoln, Nebraska, but will be accepted elsewhere, when made in exchange for the Company's receipt signed by the President, Secretary or Treasurer. The delivery and acceptance of this policy is notice that each and every premium is due and payable at the date named in the policy, and any other or further notice is expressly waived. This policy shall not be in force until the first premium shall have been paid, while the insured is in the same condition of health described in the application, to the Company or to some person authorized by the Company to receive it. A failure to pay premiums, or any indebtedness to the Company, on this policy when due shall render this contract void, and all payments previously made shall be forfeited to the Company, except as hereinafter provided.

GRACE.—A grace of one month will be allowed in payment of subsequent premiums after this policy shall have been in force three months, subject to an interest charge at the rate of six percent per annum, for the number of days during which the premium remains due and unpaid. During the month of grace this policy remains in force, and the unpaid premium, with interest as above remains an indebtedness to the Company, which will be deducted from the amount payable under this policy, if the death of the insured shall occur during the month.

Incontestability.—After two years from date of issue, the only conditions which shall be binding upon the holder of this policy are that the premiums shall be paid when due, and that the requirements of the Company as to military and naval service in time of war shall be observed. If the insured shall engage in military or naval service in time of war without first obtaining the written consent of the Company, this policy shall be null and void and of no effect.

REINSTATEMENT.—This policy may be reinstated (unless previously surrendered) at any time within three years after default in the payment of any renewal premium, provided the insured applies therefor and furnishes evidence of insurability satisfactory to the Company, and pays in cash all past due premiums with interest thereon at the rate of six per cent per annum from date when due; and, provided also, that any indebtedness to the Company on this policy at date of default, with interest thereon until date of reinstatement, will be a first lien against the policy.

Assignments.—No assignment of this policy will be recognized by the Company unless it shall be in writing, and assented to by the Company. The insured shall have the right to dispose of this policy to the Company without the consent of the person or persons named as beneficiary, if any, and shall also have the right at any time during his lifetime, if the policy has not been assigned, to change the beneficiary by written notice accompanied by the policy, with the consent of the Company and on endorsement of the change upon the policy by the Company.

IF THE ACE of the insured is misstated, the amount payable hereunder shall be the insurance which the premium paid would have purchased under this policy at the true age of the insured.

This Policy and the Application therefor (a copy of which application is attached hereto) constitute the entire contract between the parties hereto. Statements of the insured, in the absence of fraud, shall be deemed representations and not warranties, and no such statement shall avoid the policy unless contained in the copy of the written application attached to the policy.

SURRENDER VALUES.—This policy is automatically non-forfeitable, as follows: If any premium, after premiums shall have been

paid for three full years, is not paid before the expiration of the month of grace herein allowed, this policy will, without any actions of the insured, or payment of further premiums, continue as nonparticipating paid-up term insurance for the principal sum insured; but without loan or surrender values, as follows:

If there is no indebtedness to the Company on this policy, the insurance will be for the term specified in Column 2 of the table of surrender values herein (the net value of which is the full reserve by the Actuaries Table of Mortality at four per cent interest, less not more than two and one half per cent of the face of the policy), such term to be reckoned from the due date of the unpaid premium.

In lieu of such term insurance, upon the insured's written request and legal surrender of this policy within one month from the due date of the unpaid premium, the Company will

due date of the unpaid premium, the Company will

(a) Issue a non-participating paid-up life policy for the amount specified in Column 1 of said table (the net value of which is not less than the full reserve by the Actuaries' Table of Mortality at four per cent interest, less not more than two and one-half per cent of the face of the policy), or.

(b) Pay the cash value specified in Column 3 of said table (which is not less than the full reserve by the Actuaries' Table of Mortality, at four per cent interest, less not more than two and one-half per cent of the face of the policy), payment of which, however, may be deferred for not exceeding six months, at the option of the Company.

2. If there is any indebtedness to the Company on this policy, such indebtedness shall be deducted from the net value of the term insurance provided for in paragraph 1 above, and the insurance shall be for such term, reckoning from the due date of the unpaid premium, as the excess of such net value over the indebtedness will purchase at the insured's then attained age at net single premium rates by the mortality table and interest rate aforesaid.

In lieu of such term insurance, upon the insured's written request and legal surrender of this policy within one month from the due date of the unpaid premium, the Company will

(a) Issue a non-participating paid up life policy for such amount as the excess referred to will purchase at the insured's then attained age at net single premium rates by the mortality table and interest rate aforesaid, or

(b) Pay the cash value specified in Column 3 of said table less such indebtedness, payment of which, however, may be deferred for not exceeding six months, at the option of the Company,

In case of default in the payment of a premium due at an intermediate period, the non-forfeitable values will be computed on the same basis as the corresponding values for the end of the policy year last expired. The values provided for above will be increased by the reserve, less not more than two and one-half per cent of their face amount, on all dividend additions to this policy, if any.

-After three full years' premiums have been paid on Loans.this policy, the legal holder will be entitled to cash loans on the sole security of this policy. The aggregate loans hereunder, including any unpaid premiums, and interest to the end of the current policy year, shall not exceed the sum stated in the table of loan values herein (which shall be the full reserve at the end of such current policy year by the Actuaries' Table of Mortality at four per cent interest, less not more than two and one-half per cent of the face of the noticy). A proper note or loan agreement and green face of the policy must be executed by the insured on forms provided by the Company and the policy deposited with the Company, Interest shall be at the rate of six per cent per annum, payable in advance; failure to pay any loan or interest thereon shall not void this policy, unless the total indebtedness to the Company on this policy shall equal or exceed the loan value as given in the table of loan values herein, nor until one month after notice has been

mailed by the Company to the last known address of the insured and of the assignee, if any, of record at the Home Office of the Company. The values above provided for will be increased by the reserve less not more than two and one half per cent of their face amount on all dividend additions, if any, to this policy. The payment of any loan applied for under the above provisions, may be deferred for not exceeding six months, at the option of the Company.

DIVIDENDA.—This policy, while in force, shall participate in the surplus of the Company, and, beginning not later than the end of the third policy year, and annually thereafter, the Company will determine and account for the portion of divisible surplus accruing on this policy, and the dividends awarded hereon shall, at the option of the insured, as elected at time of making application be, (1) payable in cash, or (2) be used to purchase additional paid-up insurance, payable according to the terms of this policy, or (3) be applied in reduction of premiums, or (4) be allowed to accumulate to the credit of the policy holder with interest at three per cent per annum. If no election is made, as provided above, the dividends will be payable in cash.

Any indebtedness to the Company on this policy, including any balance of the current year's premium remaining unpaid, will be

deducted in any settlement of this policy.

- be granted for the payment of every premium after the first, during which time this policy shall remain in full force and effect. If however, the Insured shall die within said period of grace, the unpaid balance of the premium or premiums for the Current Policy Year will be deducted in any settlement hereunder.
- 3. STATEMENTS.—All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties and no such statement shall avoid or be used in defense under the Policy unless it is contained in the written and printed application and a copy of such application is endorsed on the Policy when issued.
- 4. SELF-DESTRUCTION.—In the event of self-destruction during the first insurance year, whether the Insured be sane or insane, the settlement under this policy shall be a sum equal to the premiums thereon which have been paid to and received by the Company, and no more.
- 5. Age.—If the age of the Insured has been misstated, the amount payable under this Policy shall be such as the premium would have purchased at the correct age.
- 6. CHANGE OF BENEFICIARY.—The Insured shall have ful power while this Policy is in force (subject to any previous assignment) to change the present beneficiary or beneficiaries. The request for such change shall be made in writing and shall be valid only upon its endorsement upon the Policy by the Company at its Home Office.
- 7. Benefits on Surrender or Lapse.—After two full annual premiums shall have been paid, the owner may elect within three months after any default in payment of premium, but not later either:
- (a) To accept the cash surrender value as shown in column tof Table of Loan and Surrender Values, herein, or (b) to purchase nonparticipating paid-up insurance for the amount designated in column 2 of said table of values, payable at the same time and on the same conditions as this policy; or (c) to have insurance for the face amount of this Policy extended from the date of default for the term stated in column 3 of said table of values. Paid-up insurance or extended term insurance named in (b) and (c) above shall not be subject to the privileges of Disability Protection.

The Insured may at any time obtain a loan on paid-up insurance under this Policy as provided in Section 8 (Loans), or surrender the Policy for its cash surrender value.

The cash surrender value, after premiums have been paid for two years or more, will be the reserve on this Policy at the date of default, computed according to the American Experience Table of Mortality and interest at the rate of three and one-half per cent per annum, less the amount of any indebtedness to the Company and less a surrender charge which in no case shall be more than two and one-half per cent of the sum insured.

The amount of paid-up insurance as stated in column 2, or the term for which insurance will be extended, as stated in column 3, will be such as said cash surrender value will purchase as a net single premium at the age of the Insured at the date of default according to the American Experience Table of Mortality, and interest at the rate of three and one-half per cent per annum.

8. Loans.—After two full years' premiums have been paid and while this Policy is in force, the Company will, at any time advance, upon execution of a proper loan agreement by the in-

The Company will deduct from such loan value any existing indebtedness hereon, and any unpaid balance of the premium for the Current Policy Year. Failure to repay any such advance or to pay interest shall not void this Policy until the total indebtedness thereon to the Company shall equal or exceed the Loan Value, nor until one month after notice of such fact shall have been mailed by the Company to the last known address of the Insured and of Assignee of record at the Home Office of the Company, if any.

- 9. AUTOMATIC PREMIUM LOANS.—In default of payment of any premium or premiums, if the Insured has not selected any of the options contained in section Seven (7), the Company will, without further action on the part of the Insured, apply the cash surrender value of this Policy, as shown in column 1 of Table of Loan and Surrender Values, to the payment of premiums falling due hereunder, so long as the said Cash Surrender value will pay the overdue premiums and all other indebtedness thereon with interest at the rate of five per cent, per annum, payable annually in advance. This Policy shall not lapse so long as the said cash value so applied will pay for one day's insurance on a pro rata basis, but shall be continued in full force and effect in all respects as though the premiums had been paid in cash. At any time while the Policy is being continued in force under this benefit the Policyholder may resume the payment of premiums without medical examination. In such event the indebtedness accumulated hereon, or any part thereof, may be paid in cash or allowed to remain as a loan on the Policy. Such indebtedness shall at all times constitute a first lien on the Policy.
- 10. DISABILITY PROTECTION.—If the Insured, before attaining, the age of sixty years and before default in the payment of any renewal premium hereunder, shall furnish proof satisfactory to the Company that he has become wholly and permanently disabled by bodily injury or disease, so that he is and will be permanently, continuously and wholly prevented thereby from performing any, work for profit or from carrying on any gainful occupation, the Company will, at the option of the Insured, either:
- (a) Pay for the Insured the premiums, if any, which shall thereafter become due hereon during the continuance of such disability; provided, in any such event premiums so paid by the Company shall not become an indebtedness on this contract, and the cash loans and other values hereof, as shown in the table herein, shall increase in the same manner as though the premiums were being paid by the Insured. The Insured shall, however, at any time, on demand, furnish the Company satisfactory proof of the continuance of such disability, and if the Insured shall fail to furnish such proof or it shall appear to the Company that the Insured is able to perform any work or to follow any gainful occupation, the Company's obligation to pay the premium shall cease and the Insured shall resume payment of premiums hereon in cash on the first premium due date following such recovery: or (b) pay the Insured immediately on account of this policy, one-tenth of the amount insured hereunder, less premiums due, if any; and a like amount, less premiums due, and other indebtedness, is paid in tall. Or (c) pay to the Insured immediately on account of this policy one-twentieth of the amount insured hereunder; and a like amount annually thereafter, during such disability, until the said amount, less any indebtedness, is paid in full.

Should the Insured die while receiving instalment payments as provided in Sections "B" or "C," the Company will pay to the designated beneficiary, in one sum, the difference between the face amount of this Policy and the aggregate sum of the instalments paid to the Insured while living.

If, however, the Insured shall recover, the annual advance shall cease, and any advances already made under provisions (b) or (c) above, may be returned in cash or remain charges against this

policy.

Independently of all other causes, the loss of both hands at or above the wrists, both feet at or above the ankles, loss of one hand and one foot as above, or irrecoverable loss of the sight of both eyes will be considered as total disability within the meaning of this section.

LOAN INSURANCE.—Any indebtedness to the Company 11 against this policy may be covered by loan insurance, and, upon due proof of the death of the Insured, such loan insurance shall be applied to the cancellation of any such indebtedness. Loan insurance shall be subject to the following conditions:

First—Evidence of insurability satisfactory to the Company shall be required. No loan insurance shall take effect until the Insured shall have received from the Company a certificate thereof.

Second—Premiums must be paid in accordance rates in the following table. The premium for loan insurance shall be computed at the attained age of the Insured at the time when such loan insurance is made or renewed. PRIVILEGES.

- 1. No RESTRICTIONS. No restrictions are placed upon the assured as to residence, travel or occupation, except as stated in Provisions 8, 9 and 10 hereof.
- 2. GRACE.—Thirty-one days of grace are allowed for the payment of every premium after the first.

- 3. Indisputability.—After being in force one full year this policy shall, subject to the payment of premiums, and to Provisions 8,9 and 10 hereof, be indisputable.
- gold coin of the present legal standard of weight and fineness. The premiums may be paid either in such gold coin, or its equivalent in currency of Canada or the United States, at the market value.
- 5. SURRENDER VALUES.—After premiums for three full years have been paid the assured may (at any time within sixty days after the due date of a premium payment) upon legal surrender of this contract (a) receive the surrender value in cash, (b) obtain a non-participating paid-up insurance, or (c) obtain a non-participating extended term insurance. These values are stated in the Table on page 3 hereof. If non-participating extended term insurance be taken, and if there be any indebtedness outstanding, the amount of such term insurance and the period for which it will run shall be determined as in Privilege 8. These options are to be construed agreeably to the automatic insurance privilege hereinafter provided.
- 6. Loans.—At any time after premiums for three full years have been paid the Company will lend upon the sole security of this policy (in the absence of statutory restrictions and on execution of a proper loan agreement and delivery of this policy to the Company) up to the loan value specified in the Table on page 3 hereof, at a rate of interest which may be but shall not exceed 6 per cent per annum payable in advance to the end of the current policy year. The interest upon any such indebtedness, if not paid when due, shall be compounded yearly, and if the accumulated indebtedness on this policy exceed the entire cash surrender value hereof all liability of the Company under this policy shall thereupon terminate (subject, however, to the right of the assured to have the policy reinstated as provided for in Privilege 16 hereof) but such termination shall not take effect until at least one month after the Company has mailed notice as to such termination to the last known address of the assured and assignee, if any.
- 7. AUTOMATIC PREMIUM LOAN.—If in the application for this policy the assured shall have so requested, this policy shall not, after premiums for three full years have been paid, lapse or become forfeited by reason only of the non-payment of the premium within the days of grace allowed herein, provided the cash surrender value of the policy and of any dividend additions thereon (less any indebtedness on the policy) is equal to or greater than the premium then due and unpaid. In such event the Company will without further request treat the premium then due as paid and the amount of such premium (with interest as hereinafter provided), shall become a first lien upon the policy in the Company's favor, in priority to the claims of any assignee or of any other person.

If the net available cash surrender value be less than the premium that is due, the Company will without further request continue this insurance in force until such value is exhausted (that is, for a period which bears the same ratio to the full premium period then ensuing as such net value bears to the full premium then due) and if prior to the expiration of such reduced period the last due premium be not paid in full, all liability of the Company on this policy shall thereupon terminate, subject to the right of the assured to have the policy reinstated as provided for in Privilege 10 hereof.

The rate of interest chargeable under these automatic loans may be but shall not exceed six per cent per annum, together with an expense fee of one per cent per annum upon the loan. The said interest and expense fee shall be payable annually on January 1st and if not then paid shall bear interest at six per cent per annum, compounded yearly.

- If requested by the assured in writing while this policy is in force the Company will cancel the further operation of this automatic loan privilege and thereafter the extended insurance privilege (No. 8) will become available automatically in lieu of this privilege, and the extended insurance shall be subject to any existing indebtedness under this privilege or otherwise.
- 8. EXTENDED INSURANCE.—This policy, after premiums for three full years have been paid, shall not lapse or become forfeited by reason only of non-payment of premium; but in such event the insurance shall continue in force for the time and amount in this privilege mentioned (provided there be no indebtedness thereon) as a non-participating extended term insurance for the sum assured, to run from the due date of the premium in default and to continue in force for the period stated in the Table on page 3 hereof (with adjustment for intermediate periods on the same basis, in the case of default of a half-yearly or quarterly premium). If there be any indebtedness on this policy, the amount of such term insurance shall be the face amount of this policy less the amount of the indebtedness, and the period for which the said term; insurance will run shall be that for which the cash surrender value of the policy less such indebtedness will carry such amount at single premium term rates, based on the Eritish Offices Life Tables, 1893, OM (5) with interest at three per cent, which shall also be the basis for the calculation of the extended insurance value after the expiration of the period covered by the Table hereon. Provided that such extended insurance may be surrendered to the Company at its Head Office within one month from the date of default in payment of premium for a cash value at least equal to the sum which would otherwise be available for the purpose of such extended insurance, provided as provided for in Privilege 10 hereof. Any dividend additions shall be added to the amount of extended insurance, provided above and the cash value of such additions shall increase the period for which such insurance will be continued. This privilege is only to become operative when the assured has not made a request (either before or after the policy contract is made) for the automatic premium loan privilege, or where, if such request has been made, the same has been cancelled.
 - 9. BENEFICIARY.—The assured may appoint a beneficiary or beneficiaries, or may change the beneficiary or beneficiaries already appointed, or declare that this policy shall be for the benefit of himself or his estate at any time during the continuance of this policy, by written notice to the Company at its Head Office, accompanied by this policy, provided this policy has not then been assigned and notice thereof given to the Company, and provided there is no absolute beneficiary then living. The assured may at any time, by written notice to the Company, accompanied by this policy, declare the beneficiary then named to be the absolute beneficiary under this policy. Such an appointment of beneficiary, change of beneficiary, or declaration, shall not take effect until endorsed on this policy by the Company at its Head Office. During the lifetime of the absolute beneficiary the right to change the beneficiary will not exist in the assured.

Provided always that if the assured be domiciled in Canada, and if the sum assured be (under the policy or any declaration) for the benefit of such of the relatives of assured as by the law of such domicile to be free from the claim of creditors, then this privilege shall not apply or have any effect.

In the event of this policy becoming a claim before the appointment of any beneficiary the sum assured hereunder shall be payable to the assured's executors, administrators or assigns. If any beneficiary die before the assured the interests of such beneficiary shall vest in the assured.

10. REINSTATEMENT.—If this policy becomes terminated as a result of the exercise of Privileges 6 or 7, or by Provision 3, the assured shall have the right to have the policy reinstated within

three years thereafter by furnishing satisfactory evidence of insurability and upon payment of overdue premiums and all other indebtedness to the Company with interest thereon at 6 per cent per annum, comto the Company with interest thereon at 6 per cent per annum, compounded yearly. If in accordance with Privilege 8 this insurance be continued in force as nonparticipating extended term insurance, the original policy contract may be reinstated on like terms.

PROVISIONS.

hereof.

2. No agent has authority to put this policy in force by delivery thereof without the payment of the premium and the delivery of the proper receipt therefor. If it goes into the possession of any interested party without such payment or receipt it is only for examination, and it is not thereby put in force. A receipt for payment shall be valid or binding upon the Company only when issued from the Head Office in Toronto, upon the Company's printed form, and signed by the President or Vice-President or General Manager and Secretary. Premiums are payable at the Head Office, but, for the convenience of the assured, they may, when not overdue, be paid to an agent of the Company in exchange for the official receipt, signed as above stated, and countersigned by the agent.

3. If any premium, due prior to the time when the automatic insurance privilege commences to operate, be not paid within the thirty-one days of grace, this contract shall ipso facto become void, but it may be reinstated as provided for in Privilege 10 hereof.

In Witness Whereof, the Company has, by its President and Secretary, signed this policy at the City of Boston, this and the second of the second o First day of June, 1917.

THE PROPERTY AND PROVISIONS VIEW 149

PREMIUMS,—All premiums are payable in advance at the Home Office in Boston, but may be paid to an authorized agent of the Company in exchange for a receipt signed by the President or Secretary and countersigned by said agent. No modification of this contract shall be made except over the signature of the President or Secretary.

31 Days' Grace.—Thirty-one days' grace is allowed for the payment of all premiums after the first, during which period the policy remains in full force. Upon default in payment of any premium or note given therefor, this policy shall lapse, and the Company's only liability shall be such, if any, as is hereinafter provided.

REINSTATEMENT.—Should this policy lapse it may be reinstated at any time upon evidence of insurability satisfactory to the Company and payment of all past due premiums with interest at six per cent. per annum and payment or reinstatement of any other indebtedness hereon with interest at said rate, unless the Cash Value has been paid or the Extended Insurance period has expired.

Assignment of this policy shall be effectual against the Company unless it is filed at the Home Office while this policy is in force. The Company assumes no responsibility for the validity of any assignment.

CHANGE OF BENEFICIARY.—If there be no existing assignment of this policy, the Insured may designate a new beneficiary by filing at the Home Office written notice thereof on forms provided for this purpose;

PROTECTION BY STATUTE.—All statements made by the Insured in the application shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the policy or be used in defense to a claim under it unless contained in the written application and an copy of the same attached hereto.

PAID-UP VALUE.—In the event of the lapse of this policy after the premiums for three full years have been paid, the policy shall become effective automatically for Paid-up Insurance, payable as provided on the first page hereof, the amount granted being as stated in the table endorsed hereon for the number of years the policy has been in force. This Paid-up Insurance shall have increasing Cash and Louis Values.

CASH VALUE EXTENDED INSURANCE.—In lieu of such Paid-up Insurance, the Insured may, by written notice filed at the Home Office within the days of grace, elect to have this policy continued as Extended Insurance, payable as provided on the first page hereof, for the period stated in the table endorsed hereon or may procure the Cash Value on satisfactory release and surrender of this policy.

Loans.—After three years premiums have been paid hereon, the Insured, on the sole security of this policy properly assigned, may borrow at the interest rate of six per cent per annum, payable in advance, any sum not in excess of the Loan Value shown in the table endorsed hereon. If interest is not paid when due, it shall be added to the existing loan and bear interest; at the same rate. Non-payment of loan or interest shall not avoid the policy until the total indebtedness exceeds the Cash Value hereunder, nor until thirty-one days after the Company has mailed notice of such termination to the Insured and Assignee of record, if any, at their last known address.

PAYMENT OF LOAN AND SURRENDER VALUE.—Rayment of any loan value other than to pay premiums on any life policies of the Insured in this Company, and payment of any surrender value may be deferred for ninety days after the application therefor:

DEDUCTION OF INDESTRONIES.—Any indebtedness to the Company on this policy, including any unpaid premium or portion thereof for the then current policy year, shall be deducted upon settlement of any claim hereunder. If there be any such indebtedness, the Cash and Loan Values will be diminished thereby, and the Paid-up or Extended Insurance will be such as may be purchased by the Cash Value so diminished, such extended insurance to be for an amount equal to the face of the policy less such indebtedness.

RESERVE.—The reserve on this policy is computed upon the American Experience Table of Mortality with interest at three and one-half per cent. The Cash or Loan Value is the same as the Net Value of the Paid-up or Extended Insurance provided for herein and equals such reserve less not more than two and one-half per cent. of the amount insured. The values stated herein at least equal those required by the Statutes of Massachusetts, and no surrender charge is made after the nineteenth year.

PURE ENDOWMENT OPTION.—The Insured under this policy shall have the option of continuing the payment of the premium provided for on the first page hereof for nine years beyond the twentieth year to establish a Pure Endowment fund. If such premiums be regularly paid, this fund, together with the cash value of this policy, will on the Sixteenth day of November, 1947, amount to Ten Thousand One Hundred Seventy-three and 90/100 Dollars, which amount will then be paid to the Insured for the surrender of this policy, or in event of prior death the amount as named on the first page shall be payable as hereinbefore provided.

In the event of the previous surrender of this policy after the twentieth year, the Company will add to the surrender value hereof the total amount of the premiums paid hereon after such twentieth year.

In event of total and permanent disability, this option will not be continued by the Waiver of Premium clause.

TOTAL AND PERMANENT DISABILITY BENEFITS: WAIVER OF PREMIUMS—ANNUITY PAYMENT.

If after one year's premium shall have been paid on this Policy and before default in the payment of any subsequent premium the Insured shall furnish to the Company due proof that, before attaining the age of sixty, he has become wholly disabled by bodily injury or disease so that he is and thereby will be permanently and continuously unable to engage in any occupation whatever for remuneration or profit, and that such disability has existed continuously for not less than sixty days prior to the furnishing of proof, thereupon the Company will grant the following benefits:

- (a) WAIVER OF PREMIUMS.—The Company, by endorsement hereon, shall waive the payment of the premiums which thereafter may become due under this Policy during the continuance of the said total and permanent disability of the Insured. In making any settlement under this Policy the Company shall not deduct any part of the premiums so waived, and the values in the above table shall increase from year to year in the same manner as though any premium waived under this provision had been paid in cash;
- (b) Annuffy Payment.—Furthermore, the Company will pay to the Insured a monthly sum equal to one one-hundred-and-twentieth of the face of this Policy, the first monthly payment to be made six months after receipt of due proof of the said total disability accompanied by this Policy for endorsement, and subsequent payments monthly thereafter during the continuance of the said total disability of the Insured. The Company will admit the age of the Insured when furnished with satisfactory evidence of the date of birth and reserves the right to require such proof of date of birth at the time proof of disability is furnished. The amount of this Policy payable as a death claim shall not be reduced by any payments made under this disability provision.

RECOGNIZED DISABILITIES.—Without prejudice to any other cause of total disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankies, or of one entire hand and one entire foot, shall be considered as total and permanent disability.

RECOVERY FROM DISABILITY.—Should the Company accept proofs of total and permanent disability under this Policy, it may nevertheless, at any time thereafter, demand of the Insured due proof of the continuance of such disability; and upon failure to furnish such proof, or if it be established that the Insured has engaged or has become able to engage in any occupation whatever for remuneration or profit, all disability benefits under this Policy shall thereupon cease.

Premium and Discontinuance.—The annual premium for the benefits provided in this section is Eighteen and 50/NO Pollars, payable in addition to and in same manner as the regular premiums under this contract, but not beyond age 60. Non-payment of the premium provided for these benefits will void the provisions in this section. Upon written request by the Insured, accompanied by this policy for endorsement, the provisions for disability benefits may be discontinued. The provisions in this section shall not be in effect while the policy is on a Paid-up Insurance or Extended Insurance basis, and will be void if the Insured engages in military or naval service in time of war.

Instalment Option.—In any cash settlement under this policy, provided it is not less than \$1,000, the Company will pay, if desired, in lieu of one sum, any one of the following options:

In consideration of the application for this policy, a copy of which is attached hereto and made a part of this contract, and of the Annual Premium of Three Hundred Forty-five Dollars and no Cents, to be paid on or before the First day of June in every year during the lifetime of the Insured, until Twenty full Annual Premiums have been paid, Does Promise, on receipt of due proofs of the death, during the continuance of this contract, of Richard Rowe, herein called the Insured, of Chicago, County of Cook, and State of Illinois, to pay at its Home Office in Hartford, Connecticut, to Mary A. Rowe, wife of the insured, if she shall survive the said insured, or if she shall not survive the insured, to the executors, administrators or assigns of the Insured: subject to the right of the Insured to change the Beneficiary as hereinafter provided, Ten Thousand Dollars, less any indebtedness hereon to the Company and any unpaid premium or portion of the premium for the current policy year.

BENEFITS AND PROVISIONS.

GENERAL' Provisions.—This policy and the application therefor constitute the entire contract between the parties and all statements made in the application shall, in the absence of fraud, be deemed representations and not warranties. No statement shall be used in defense to a claim under this policy unless it is contained in the written application and a copy of the application is attached to the policy when issued

Only the President, Vice-President, Secretary or Assistant Secretary has power in behalf of the Company to make or modify this

contract of insurance.

PAYMENT OF PREMIUMS.—This policy shall not take effect unless nor until the first premium is actually paid as hereinafter provided; and if the second annual premium be not fully paid when due, or within thirty-one days thereafter; this policy and all claims under it shall be void, and the premiums already paid shall be forfeited to the Company.

In case of default in payment of any premium after the second year this policy shall thereafter be in force only to the extent of and subject to the Company's non-forfeiture provisions.

All premiums are due and payable in advance at the Home Office of the Company, but will be accepted elsewhere, if paid to a duly

authorized Agent in exchange for its receipt signed by the President

or Secretary, and countersigned by the Agent designated therein.

The insurance under this policy is based upon annual premiums payable in advance, but payments may be made semi-annually or quarterly in advance, such rates being 51% and 26% respectively of the annual rate. Change from one method of payment to another may be made on any policy anniversary.

GRACH.—A grace of thirty-one days, without interest, will be granted for the payment of every premium after the first, during which time the insurance shall continue in force, but in case the policy becomes a claim during the period of grace, before the overdue premium or the deferred premiums of the current policy year, if any, are paid, the amount of such premiums will be taken from the face of the policy in settlement.

Assignments.—The Company will not be bound nor in any way affected by any assignment of this policy, or of any interest thereunder, until the original assignment or certified copy thereof shall be delivered at its Home Office; and the Company will not assume any responsibility for the validity of any assignment.

REVIVAL IN EVENT OF LAPSE .- This policy, if not surrendered for cash, will be reinstated on written application therefor at any time after non-payment of any premium if evidence of good health satisfactory to the Company is furnished, and premiums to date of reinstatement and any other indebtedness to the Company hereon are naid with interest at the rate of six per cent. per annum.

Suicide, sane or insane, within one year from date hereof is not a risk assumed by the Company.

INCONTESTABILITY.—This policy shall be incontestable after one year from its date of issue, except for nonpayment of premiums or violation of the conditions of the policy relating to military or naval service in time of war. If the age of the insured be misstated, the liability of the Company shall be the amount of insurance which the premium paid would have purchased at the correct age.

Premium Refund.—Upon payment of the second year's premium and at the end of the second and each subsequent policy year during the continuance of this policy under its original conditions, the Company will determine the portion of surplus to which the policy is entitled as a refund on account of any previous overpayment. The Insured may apply the amount of any refund in any one of the following ways:

- In reduction of premium.
- 2. To purchase additional full paid participating insurance which may be surrendered at any time for a cash value of the full reserve.
- 3." As a deposit with the Company at not less than 31/2% combound interest computed annually. Such deposit may be withdrawn at any time. J. 10 1
- 4." To convert the policy into an endowment payable at a grad-ually decreasing age.
 - To shorten the premium paying period.
- 6. To purchase full paid participating pure endowment which may be sufrendered at any time for a cash value of the full reserve.

Or he may receive the amount in cash.

After the payment of all premiums as provided in this policy the Company will annually determine the amount of surplus earnings to which this policy is entitled and will pay the same to the Insured in cash or if directed apply it under option 2, 8 or 4,

Unless otherwise provided by law if no option is specified by the Insured the refund will be used in reduction of the next premium. If this policy in this respect does not conform to the laws of the State of which the Insured is a resident at the date of issuing the policy, the statutory provision regarding the option to be automatically applied shall he deemed to supersede the provision for applying the refund in reduction of premium, or if the policy he full paid, for the payment of the surplus earnings in cash.

CHANGE OF BENEFICIARY.—The right to change the Beneficiary under this policy, provided it be not assigned, is reserved by the insured, but such change shall only be made by the return of the policy to the Company with a written request therefor on a form provided by the Company, and no change shall be operative until the policy is duly endorsed therewith by the Company.

NON-FORFEITURE PROVISIONS.

AUTOMATIC EXTENDED INSURANCE.—On default in payment of any premium after the second year, if there is no indebtedness against the policy and if no other option is called for, the insurance will be automatically extended for the full face of the policy and of any additional insurance credited to it, without participation in surplus, for such term in whole number of months as the cash value applied as a net single premium will purchase.

If there be an indebtedness the amount thereof will be subtracted from the amount otherwise available as a net single premium, and the balance will be applied as a net single premium to purchase non-participating extended term insurance as above for the full face of the policy and of any additional insurance credited to it, less the indebtedness.

Cash Value.—On default in payment of any premium after the second year, or within thirty-one days thereafter, on legal surrender of the policy at the Home Office, the Company will pay a cash value of the amount set forth in the table below, provided that the Company may defer such payment for a period not exceeding sixty days from date of application therefor.

Loans.—At any time after two full years' premiums have been paid, and while this policy is in force under its original conditions, the Company will loan, upon satisfactory assignment of this policy and upon sole security thereof, any amount which shall not exceed that sum which with six per cent, interest thereon shall equal the cash value at the end of the policy year for which the premiums have been duly paid. Interest on the loan shall be at the rate of six per cent, per annum, payable annually on each anniversary date of the policy. The Company may defer the making of a loan (unless the loan be for the purpose of paying premiums to the Company) for a period not exceeding sixty days from date of application therefor. Failure to repay such loan or to pay interest shall not void the policy unless the total indebtedness thereon to the Company shall equal or exceed the cash value at the time of such failure nor until thirty-one days after notice shall have been mailed by the Company to the last known address of the Insured and of the Assignee, if any.

PAID-UP POLICY.—Upon surrender of the policy and written request by the Insured within three months from the date of default in payment of any premium after the second year, if the policy has not been surrendered, the Company will apply the cash value plus one-half the surrender charge deducted from the reserve in calculating said cash value, as a net single premium to purchase a participating paid-up policy, payable at a like time and in like manner with the original. The amount of such paid-up policy is set forth in the table below.

EXTENDED OF PAID-UP INSURANCE taken as above described may be surrendered at any time for a cash value consisting of the full reserve or the Company will loan on such paid-up insurance. The cash value or loan will be granted on the same terms as stated above in the case of the original insurance.

AUTOMATIC PREMIUM LOANS. 'Upon' written request of the Insured and Assignee, if any, made prior-to default in payment of any

premium, the premiums thereafter coming due, if not paid, will be charged against the policy as a loan bearing compound interest at the rate of six per cent. per annum until such time as the accumulated loan together with any other indebtedness with interest thereon shall equal or exceed the cash value hereof, in which case this policy shall thereupon become null and void and be surrendered to the Company in consideration of the cancellation of the indebtedness, subject however to the notice of termination as set forth in the loan clause herein.

If at any time the equity in the policy is not sufficient to continue the insurance in force for a full year, then in that case it will be kept in force for such whole number of months as the remaining equity will allow.

While this policy is thus continued in force, all its non-forfeiture provisions remain operative, and the owner may, without furnishing evidence of the good health of the Insured, resume payment of premiums at any time.

TABLE OF NON-FORFEITURE PROVISIONS REFERRED TO ABOVE.

All non-forfeiture provisions hereunder are based on the American Experience Table of Mortality with interest at the rate of 84% per annum. In computing the values under this policy no deduction of more than 14% of the amount insured has been made from the reserve. The cash value for the twentieth and subsequent years is the full reserve in even dollars for each \$1,000 of insurance under this policy.

These figures apply to the original sum insured and to full-paid policy years only. The payment of any semi-annual or quarterly instalment of an annual premium will proportionately increase the values. Any additions or accumulations credited to the policy will increase and indebtedness will decrease the values.

^{*}Loan values are available at any time after two full years' premiums have been paid, as set forth in above loan provision. A loan may be repaid at any time, either partially or wholly, while the policy is in force under its original conditions.

PROTECTION IN EVENT OF TOTAL AND PERMANENT DISABILITY.

Waiver of Premium.—If the Insured under this policy shall furnish due proofs that before reaching the age of sixty years and because of accident or disease occurring after the payment of one full premium on said policy, and before the default in the payment of any subsequent premium, he has become wholly, continuously and permanently unable to pursue any gainful occupation, and presumably will for life be unable to perform any work or engage in any business for compensation or profit, one year after receipt of such proofs the Company will relieve him from the payment of any further premiums on said policy. In case of such relief the premiums shall not be a lien against the policy and the surrender and loan values shall increase in the same manner as if the premiums were being paid by the Insured.

If such total and permanent disability shall occur under the conditions above stated, but after the Insured has reached the age of sixty years, the Company will, one year after receipt of due proof thereof, waive payment of each premium thereafter becoming due during such disability; but the face amount of the policy shall be reduced by the amount of each such waived premium, and all benefits under the policy shall be reduced accordingly and shall be based upon said reduced amount of insurance in the same manner as if the premiums for such reduced amount of insurance had been duly paid. Future premiums shall be reduced in proportion to the

reduced amount of insurance.

PAYMENT IN INSTALMENTS.—Or upon written request of the Insured and of the Assignee and Beneficiary, if any, provided such disability shall occur before the Insured has reached the age of sixty years one year after receipt of proofs as aforesaid and during the continuance of such total and permanent disability, if there is no indebtedness against the policy, the Company will pay one-twentieth of the face amount of the policy and a like sum annually thereafter until twenty such payments have been made; or, if there is any indebtedness against the policy, the Company will pay under like conditions one-twentieth of the difference between such indebtedness and the face of the policy and a like sum annually thereafter until twenty such payments have been made. Each such payment shall reduce by the amount thereof the insurance remaining in force and the surrender and loan values shall no longer be available. When the total amounts so paid together with any indebtedness hereon to the Company shall equal the face of the policy, the Company shall be released from all further liability under this policy.

RECOVERY FROM DISABILITY.—By the acceptance of this contract the Insured agrees that any Medical Examiner appointed by the Company shall be allowed opportunity at any and all times within one year from the commencement of the disability, and not oftener than once a year thereafter, to satisfy himself as to the affected disability by examination of the person of the Insured, and if it is established that the Insured has so far recovered as to be able to again engage in some gainful occupation the Company will thereupon cease to extend further relief from payment of premiums and no further instalment payments will be made by the Company. If the amount of the insurance shall have been reduced by the payment of any instalments, such reduced amount of insurance shall thereafter be the face amount of the policy and the bremiums thereafter falling due will be reduced in proportion to the reduced amount of insurance and all benefits under the policy will be reduced accordingly.

GENERAL Provisions.—The irrecoverable less of the entire sight of both eyes, or the total and permanent loss by removal or disease of the use of both hands or both feet, or of one hand and one foot, shall be deemed to constitute total and permanent disability within the meaning of this contract.

The portion of each annual premium for this policy charged for protection in event of total and permanent disability is twenty-five cents for each one thousand dollars of insurance and on the issuance or on any anniversary of this contract the provision for such protection may be cancelled at the request of the Insured, in which event the subsequent annual premiums will be reduced by twenty-five cents for each one thousand dollars of insurance hereunder. Such reduction shall be endorsed hereon,

THE CONNECTICUT MUTUAL LIFE INSURANCE COMPANY

OF HARTFORD, CONNECTICUT.

In Consideration of the Application herefor, which is the basis of and a part of this Agreement, by John Doe, the Insured under Policy No. 99999, issued June 1, 1917, by said Company,

and of the payment to said Company of the additional annual premium of Two and 20/100 Dollars on the 1st day of June, 1917, and of a like additional annual premium on or before the anniversary of the same date in every year during the continuance of such Policy until twenty additional annual premiums shall have been paid.

HEREBY AGREES that, if there shall have been no failure to pay premiums as provided in said Policy, upon receipt at the Home Office of the Company of due proof that the Insured, prior to his attaining the age of sixty years, shall have become totally disabled by bodily injury or by disease so that he then is and will be thereby permanently and continuously prevented from engaging in any occupation whatsoever for remuneration or profit, and that such disability has existed continuously for not less than sixty days, payment of each subsequent full annual premium on said Policy and on this Agreement shall be waived as it becomes due during the said disability of the Insured. and any premium so waived shall not be deducted in any settlement under said Policy, and any values and benefits provided for in said Policy shall be the same as if said premium had been duly paid to the Company, except that any dividends apportioned to said Policy during said disability shall be payable in cash.

Notwithstanding that proofs of such disability shall have been accepted, the Company may thereafter, at its pleasure, but not oftener than once a year, demand of the Insured due proof of the continuance of such disability; and upon failure to furnish such proof, or if it appears to the Company that the Insured has become able to engage in any occupation whatsoever for remuneration or profit, no further premiums will be waived.

Without prejudice to any other cause of disability, the total and irrecoverable loss of sight of both eyes, loss of both hands at or above the wrist, loss of both feet at or above the ankle, or similar loss of one hand and one foot, shall be considered to constitute total and permanent disability within the meaning of this Agreement.

The additional annual premium hereon, with an addition of two per centum thereof if paid in semi-annual instalments or three per centum thereof if paid in quarterly instalments, may, on written request, be paid in such instalments beginning with the due date of the additional annual premium.

The payment of the additional premiums as herein provided is the consideration for the additional risk incurred under the provisions hereof, and does not entitle the Insured or any Beneficiary under said Policy to any additional participation in any division of the Company's surplus, or to any additional cash, loan or paid-up value thereunder; and failure to pay any additional premium hereon when due as herein provided or within thirty-one days thereafter, or to pay any premium or instalment thereof as provided in said Policy, will forthwith terminate all liability of the Company hereunder or on account of any payments made hereon; provided, however, that this Agreement may be reinstated at any time upon receipt of evidence of insurability satisfactory to the Company and payment of all arrears of premiums on said: Policy and on this Agreement with interest at a rate to be determined by the Company not exceeding six per centum per annum.

This Agreement shall become null and void if the Insured shall engage in military service out of the United States during war, or military service involving aeronautics or naval service whether in or out of the United States during war; provided that, upon presentation after the termination of such service of evidence of insurability satisfactory to the Company and payment of the additional premium aforesaid, this Agreement shall again become operative.

(2) a Contract whereby the Company will agree to retain the amount insured by said Policy (exclusive of any paid-up additions) less any then existing indebtedness to the Company secured thereby, and to pay to the Insured such interest thereon from the date of issue of such Contract as shall, from time to time, be determined and thereto apportioned by the Company, but at a rate not less than three per centum per annum, payable annually or, at the option of the Insured, semi-annually, quarterly or monthly, and upon the death of the Insured, or upon the date when said Policy would have matured as an endowment if prior to such death, to pay the amount so retained, together with any accrued interest, to such persons as, except for such surrender, would have been the payees of said Policy at its maturity.

Notwithstanding that proofs of such disability shall have been accepted, the Company may thereafter, at its pleasure, but not oftener than once a year, demand of the Insured due proof of the continuance of such disability; and upon failure to furnish such proof, or if it appears to the Company that the Insured has become able to engage in any occupation whatsoever for remuneration or profit, no further premiums will be waived, and no further payments under either of said options will be made; and any Contract issued as above provided shall be canceled, and said Policy shall be restored reduced in amount by the sum of any and all payments made under such Contract, but subject to any

Without prejudice to any other cause of disability, the total and irrecoverable loss of sight of both eyes, loss of both hands at or above the wrist, loss of both feet at or above the ankle, or similar loss of one hand and one foot, shall be considered to constitute total and permanent disability within the meaning of this Agreement.

The additional annual premium hereon, with an addition of two per centum thereof if paid in semi-annual instalments or three per centum thereof if paid in quarterly instalments, may, on written request, be paid in such instalments beginning with the due date of the additional annual premium.

The payment of the additional premiums as herein provided is the consideration for the additional risk incurred under the provisions hereof, and does not entitle the Insured or any Beneficiary under said Policy to any additional participation in any division of the Company's surplus, or to any additional cash, loan or paid-up value thereunder; and failure to pay any additional premium hereon when due as herein provided or within thirtyone days thereafter, or to pay any premium or instalment thereof as provided in said Policy, will forthwith terminate all liability of the Company hereunder or on account of any payments made hereon; provided, however, that this Agreement may be reinstated at any time upon receipt of evidence of insurability satisfactory to the Company and payment of all arrears of premiums on said Policy and on this Agreement with interest at a rate to be determined by the Company not exceeding six per centum per annum.

This Agreement shall become null and void if the Insured shall engage in military service out of the United States during war, or military service involving aeronautics or naval service whether in or out of the United States during war; provided that, upon presentation after the termination of such service of evidence of insurability satisfactory to the Company and payment of the additional premium aforesaid, this Agreement shall again become operative.

Loans—At any time, while this policy is in force, after three full years premiums have been paid, the Society will advance on proper assignment and delivery of this policy, and on the sole security, hereof at sum which, with interest, shall not exceed the cash value at the end of the then current policy year (as stated in the above Table), less any indebtedness to the Society hereon provided all premiums or instalments of the same have been fully

OPTIONS ON SURRENDER OR LAPSE.—After three full years' premiums have been paid hereon, upon any subsequent default in the payment of any premium or instalment thereof, and within three months after such default, this policy may be surrendered by the Insured (or assignee if any) who may elect one of the following options:

- (a) To receive the Cash Surrender Value of this policy; or,
- (b) To purchase non-participating paid-up life insurance payable at the same time and on the same conditions as this policy, but without double indemnity or total and permanent disability benefits; or,
- (c) To continue the insurance for its face amount (and any outstanding dividend additions) as paid-up extended term insurance for the period shown in the above Table, or for such further period, as the dividend additions (if any) will purchase, but without future participation, or right to loans, or double indemnity or total and permanent disability benefits.

In the event of default in the payment of any premium, or instalment thereof after this policy has been in force three full years, if the Insured (or assignee if any) does not select one of said options within three months of such default, the insurance shall be continued as provided under Option (c).

SPECIAL PROVISIONS REGARDING DOUBLE INDEMNITY, TOTAL AND PERMANENT DISABILTY AND PREMIUMS.

1. Double Indemnity in Case of Death From Accident.

Upon due proof that the death of the Insured occurred before attaining age sixty in consequence of bodily injury effected solely through external, violent and accidental means, of which, except in case of drowning or of internal injuries revealed by an autopsy, there is a visible contusion or wound on the exterior of the body, and that such death occurred within ninety days after such injuries were sustained and as the direct result thereof independent of all other causes, the Society will pay instead of the face amount of this policy, double that amount, making Twenty Thousand Dollars, provided premiums have been duly paid and this policy is then in force and is then surrendered properly released.

This agreement, to pay an increased amount in the event of death from bodily injury, does not dover self-destruction, sane or insane; death resulting from participation in aeronautics or submarine expeditions; death caused directly or indirectly, wholly or partly, by war, riot, or insurrection, or any act incident thereto, either on land or water; death resulting from any violation of law or from military or naval service of any kind, or from police duty in any military, naval or police organization; or death resulting directly or indirectly from bodily or mental infirmity, ptomaines, or bacterial infections other than infection occurring simultaneously with and in consequence of an accidental cut or wound.

2. Total And Permanent Disability.

If the Insured before attaining age sixty, and while this policy is in full force and effect, becomes physically or mentally incapacitated to such an extent that he is and will be wholly and presumably permanently unable to engage in any occupation or perform any work for compensation of financial value, and furnishes due proof thereof and that such disability has then existed for sixty days, the Society, during the continuance of such disability will waive payment of any premium payable upon this policy after receipt of such proof, and will pay to the Insured An Annual Income of One Thousand Dollars subject to the following conditions:

- 1. The income shall be payable six months after receipt of proof of disability and annually thereafter during the continuance of such total and permanent disability. Interest on any indebtedness on this policy shall be deducted from each income payment. The premium so waived and the Disability Income so paid shall not be deducted from the amount payable at death; nor shall they impair the loan or surrender values if any, under this policy.
- 2. The Society, after the acceptance of proof of disability, shall have the right at any time, but not more frequently than once a year, to require proof of the continuance of such total disability. If the Insured shall fail to furnish satisfactory proof thereof, or if it appears at any time that the Insured has become able to engage in any occupation for remuneration or profit, no further premiums will be waived and no further income payments will be made hereunder on account of such disability.
- 3. The entire and irrecoverable loss of sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, will of themselves be considered as total and permanent disability within the meaning of this provision.

In case the Insured after attaining age sixty, and while this policy is in full force and effect, becomes totally and permanently

disabled as above described, and furnishes due proof thereof and that such disability has existed for sixty days, the Society, subject to the conditions above stated, on each anniversary date of this policy during such disability will waive payment of the premium for the ensuing policy year, whereupon, the amount of insurance shall become reduced by the amount of the premiums so waived and subsequent premiums and loan and surrender values shall be reduced proportionately. 3. Premrums.

This insurance is granted in consideration of the payment in advance of Four Hundred and Seventeen Dollars and of the payment annually thereafter of a like sum upon each First day of June until twenty full years premiums shall have been paid, or until the prior death of the Insured. These payments include an annual premium of \$17.50 for the Double Indemnity and of \$16.10 for the Total and Permanent Disability provision granted under this contract. Upon any anniversary of this policy said Double Indemnity and Disability provisions may be discontinued by returning this policy to the Society for proper endorse. tinued by returning this policy to the Society for proper endorsement, with a written request signed by the Insured (or assignee it any), and thereafter the payment of the aforesaid additional premiums shall not be required.

PAYMENT.—All premiums are payable in advance at the Home Office, or to any Agent or Cashier of the Society, upon delivery on or before their due date, of a receipt signed by the President a Vice-President, Secretary or Treasurer, and countersigned by said Agent or Cashier. This policy is based upon the payment of premiums annually; but premiums may be paid, subject to the Society's written approval, in semi-annual or quarterly instalments at the Society's adopted rates for fractional premiums, provided that in the event of the death of the Insured any unpaid portion of the premium for the then current policy year shall be deducted from the amount payable hereunder.

GRACE.—A grace of thirty-one days, subject to an interest charge at the rate of 5% per annum, will be granted for the payment of every premium after the first, during which period the insurance hereunder shall continue in force. If death occur within the days of grace, the premium for the then current policy year or any unpaid instalments thereof shall be deducted from the amount payable hereunder.

Except as herein expressly provided, the payment of any premium or instalment thereof shall not maintain this policy in force beyond the date when the succeeding premium or instalment thereof becomes payable.

REINSTATEMENT. LIf this policy shall lapse in consequence of the non-payment of any premium when due, it may be reinstated at any time upon the production of evidence of insurability satisfactory to the Society, and the payment of all overdue premiums, with interest at 5% per annum, and upon the payment, or reinstatement of any indebtedness to the Society secured by this policy, with interest.

THE EQUITABLE LIFE ASSURANCE SOCIETY, of the United States ..., i ... :-

Attached to and made part of Policy No. 29999 on the life of Richard Roe, the Insured.

The Insured may at any time, without the consent of the Society, engage in military or naval service within the continental limits of the United States.

During the first five years of this policy military or naval service in any capacity whatever outside of the continental limits of the United States in time of war, is a risk not assumed by the Society under this policy unless the Insured shall give notice thereof to the Society in writing within sixty days after entering upon such service, and shall pay to the Society annually in advance during the continuance of such service an extra premium of 10 per cent of the face of this policy. The pro rata part of said extra premium for the balance of the policy year current at the time such service begins shall be paid to the Society within the said sixty days. Succeeding extra premiums shall be payable at the sixty days. Succeeding extra premiums shall be payable at the times when the premiums under the policy are payable. One year after the end of the war the Society will refund any part of such extra premium as shall not have been required to pay death claims due to such service.

If within the said five-year period the Insured enters upon military or naval service in any capacity whatever outside of the continental limits of the United States, in time of war, and fails to pay the extra premium or premiums as herein provided, the diability of the Society in the event of the death of the Insured while engaged in such service shall be limited to the return of the regular premiums actually paid, without interest, less any indebtedness to the Society hereon.

Nothing contained in this clause shall be deemed to modify or extend any provision of this policy relating to the payment of an increased amount in the event of accidental death.

The provisions contained in this policy for Waiver of Premiums and for Income benefits in the event of permanent disability, shall become null and void if the Insured shall engage in military or naval service in any capacity whatever either within or outside of the continental limits of the United States. The additional premium charged for such provisions shall cease to be payable and the unearned portion of the current premium shall be refunded to the policyholder, refunded to the policynomes,

NON-FORFEITURE, LOAM AND CASH SURRENDER PROVISIONS.

AUTOMATIC PAID-UP INSURANCE:—1st—If, after the payment of premiums for three or more full years, default is made in the payment of a subsequent premium, this policy shall, upon such default, without action on the part of the insured, continue as a reduced, paid-up non-participating policy for the amount set forth in Table "A" below, together with any outstanding paid-up additions; or,

EXTENDED INSURANCE.—2nd.—Upon written application of the insured and assigns, if any, and the presentation of this policy at the Home Office for endorsement, within three months after the date of such default, the Company will continue the full amount of this policy as non-participating, extended term insurance for the term stated in Table "A" below counting from the date of default in premium payment. Any outstanding paid-up additions shall remain in force, unless surrendered for cash.

Any-existing indebtedness to the Company, on account of this policy, if not paid, will reduce the amount of paid-up or extended insurance in the ratio of such indebtedness to the cash value of this policy at the time of default in premium payment as shown in Table "A."

CASH SURRENDER.—3rd—Upon request of the insured and assigns, if any, and the legal release and surrender of this policy, at its Home Office, at the end of the third or any subsequent policy year, or within the thirty-one days' grace provided herein, premiums having been paid in full to the end of such year, the Company will pay in cash, to the legal owner hereof, the amount stated in Table "A" below, together with the value of any existing dividend additions, and less any existing indebtedness to the Company on account of this policy. Payment of such cash surrender value may, in case of necessity, be deferred by the Company for not exceeding six months after application therefor is made.

Policy Loans,—4th.—After the payment of premiums for three or more full years, there being no default in any premium payment, the Company will, at any time, loan on proper assignment and deposit of this policy, and on the sole security thereof, at not to exceed six per cent. per annum interest, (which interest, if not paid annually, shall be added to the principal and bear the same rate of interest) a sum equal to, or, at the option of the owner of this policy, less than, the amount stated in Talle "A" below, together with the value of any existing dividend additions; deducting therefrom interest in advance to the end of the current policy year and all existing indebtedness to the Company hereon. Failure to repay any policy loan and interest shall not void this policy, unless the total indebtedness thereon shall equal or exceed the tash value hereunder, in which case the policy shall immediately cease and become void; but such termination shall not take effect until one month after notice shall have been mailed by the Company to the last known address of the insured and assigns, if any, on record at the Home Office. Such loan may, in case of necessity, be deferred by the Company for not exceeding six months after the application therefor is made. The whole or part of a loan may be repaid at any time while the policy is in force.

In case this policy shall, according to its terms, become a reduced, paid-up, non-participating policy, its cash and loan value shall be the full reserve, less not to exceed one and one-haif percent of the amount insured thereunder.

NON-FORFEITURE, LOAN AND CASH SURRENDER PROVISIONS.

AUTOMATIC PAID-UP INSURANCE.—First, If, after the payment of premiums for three or more full years, default is made in the payment of a subsequent premium, this policy shall; upon such default, without action on the part of the insured, continue as a reduced, paid-up non-participating policy for the amount set forth in Table "A" below; or,

EXTENDED INSURANCE.—Second. Upon written application of the insured and assigns, if any, and the presentation of this policy at the Home Office for endorsement, within three months after the date of such default, the Company will continue the full amount of this policy as mon-participating, extended term insurance for the term stated in Table "A" below, counting from the date of default in premium payment.

Any existing indebtedness to the Company, on account of this policy, if not paid, will reduce the amount of paid-up or extended insurance in the ratio of such indebtedness to the cash value of this policy at the time of default in premium payment as shown in Table "A.";

CASH SURRENDER.—Third. Upon request of the insured and assigns, if any, and the legal release and surrender of this policy, at its Home Office, at the end of the third or any subsequent policy year, or within the thirty-one days' grace provided herein, premiums having been paid in full to the end of such year, the Company will pay in cash, to the legal owner hereof, the amount stated in Table "A" below, less any existing indebtedness to the Company on account of this policy. Payment of such cash surrender value may, in case of necessity, be deferred by the Company for not exceeding six months after application therefor is made.

Policy Loans.—Fourth. After the payment of premiums for three or more full years, there being no default in any premium payment, the Company will, at any time, loan, on proper assignment and deposit of this policy, and on the sole security thereof, at not to exceed six per cent per annum interest, (which interest, if not paid annually, shall be added to the principal and bear the same rate of interest) a sum equal to or at the option of the owner of this interest) a sum equal to, or, at the option of the owner of this policy, less than, the amount stated in Table "A" below, deducting therefrom interest in advance to the end of the current policy year and all existing indebtedness to the Company hereon. Failure to repay any policy loan and interest shall not void this policy, unless the total indebtedness thereon shall equal or exceed the cash value hereunder, in which case the policy shall immediately cease and become void; but such termination shall not take effect until one month after notice shall have been mailed by the Company to the last known address of the insured and assigns, if any, on record at the Home Office. Such loan may, in case of necessity, be deferred by the Company for not exceeding six months after the application therefor is made. The whole or part of a loan may be repaid at any

time while the policy is in force.

In case this policy shall, according to its terms, become a reduced, paid-up, non-participating policy, its cash and loan value shall be the full reserve, less not to exceed one and one-half per cent of the amount insured thereunder.

The following table shows the values guaranteed under this policy, upon the assumption that premiums have been fully paid in cash for the completed years stated, except that any existing indebtedness to the Company, on account of this policy, will diminish said values, in the manner above stated. Values for intermediate periods, after the third year, will be proportionately adjusted.

Values for other and later years will be furtished upon request.

POLICY No. 99999.

\$315.90... Additional Annual premium for disability benefits as specified below \$5.60. Total \$321.50.

The GEORGE WASHINGTON LIFE INSURANCE COM-PANY OF CHARLESTON, WEST VIRGINIA, by this supplemental agreement, attached to Policy No. 99999 on the life of John Doe, IN CONSIDERATION OF the payment of an extra Annual premium of Five Dollars and Sixty Cents, together with each Annual premium required under said policy, hereby agrees as follows:

If the Insured after the first full year's premium on said Policy has been paid, shall furnish due proof to the Company, while said Policy is in full force and effect and while there is no default in the payment of premium, that the Insured at any times after payment of such first full year's premium and before attaining the age of sixty years, has become wholly disabled by bodily injury or disease so that the Insured is and will be presumably, thereby permanently and continuously, prevented from engaging in any occupation whatsoever for remuneration or profit, the Company shall waive payment of each premium as it thereafter becomes due during the Insured's said disability.

If such disability shall occur before the Insured is sixty years of age, the Company will, in addition to such waiver, during such disability, pay to the Insured the amount insured, less any indebtedness, in ten annual installments, each installment of the amount of \$100.00 per thousand dollars of insurance payable; the first installment to become payable one year after the Company shall have received such proof and subsequent installments yearly thereafter. The Insured shall not have the right to commute any installments. Endorsement to the effect that the amount of insurance has become payable as herein specified shall be made on said Policy by the Company before the first installment shall become payable and said Policy must be returned to the Company for the andorsement thereon of, each payment.

The total amount of insurance under said Policy at any time after one or more of such annual installments have been paid shall not exceed the commuted value of the unpaid installments and loan and non-forfeiture values correspondingly modified shall be available to the Insured irrespective of said waiver of pre-thiums. Any indebtedness incurred on account of said Policy during the installment period shall be deducted from the commuted value of the unpaid installments at that time and the amount of each of such unpaid installments shall be correspondingly reduced. Any installments that may be commuted under the terms of this clause shall be commuted at the rate of three and one-half per cent, per annum compound interest.

If such disability shall occur after the Insured is sixty years of age, the amount of insurance under said Policy shall, by endorsement thereon by the Company, be reduced by the amount of each premium so waived, and any loans and non-forfeiture values shall thereafter be based upon the amount of insurance thus reduced.

Should the Company accept under said Policy proofs of disability and before the Company's liability thereunder has ceased, it may nevertheless at any time thereafter, and from time to time, but not oftener than once a year, demand of the Insured proof of the continuance of such disability, and upon failure to furnish such proof, or, if it appears that the Insured has become able to engage in any occupation whatsoever for remuneration or profit, no further installment shall be paid by the Company and no further premium shall be waived but thereafter the said Policy shall, by endorsement thereon by the Company, be continued in

force for the amount reduced as specified above, and such reduced amount of insurance shall thereafter be the face amount of said Policy, and the premiums thereafter falling due will be reduced in proportion to the reduced amount of insurance, and all benefits under said Policy will be reduced accordingly.

Any installments remaining unpaid at the death of the Insured or upon the date when said policy would have matured as an endowment, if prior to such death, shall be paid to the beneficiary designated in said policy, provided, however, that such unpaid installments may, at the request of the beneficiary, be commuted at the rate of three and one-half per cent. per annum commuted interest and naid in one sum pound interest, and paid in one sum.

The installment payments provided for in this disability agreement will not apply if disability occurs as a result of military or naval service in war.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or of one entire hand and one entire foot shall be considered as total and permanent disability within the meaning of this agree-

And it is further provided that should total and permanent disability be purposely caused by the Insured, or by committing any criminal action, the Insured shall have no claim to the waiver of premiums or other Disability Installment benefits described in this Disability Agreement.

The non-payment of the extra premium as required by this agreement, either on the due date or within the days of grace provided by said Policy before two full years premiums shall have been paid thereon, shall automatically terminate this agreement, but same may be reinstated, provided the said Policy be then in full force, upon evidence satisfactory to the Company of the insurability of the Insured and payment of all premium ar-rears with interest at the rate of six per cent. per annum.

After two full years' premiums shall have been paid on said Policy, if the extra premium required by this agreement be not paid on or before its due date or within the period of grace provided by said Policy, the section entitled "Automatic Premium Loan" in the said Policy will apply to the said extra premium and will operate in exactly the same manner as if the said extra pre-mium were a part of the regular premium of the said Policy, except as hereinafter provided. . 1 .,.

INTEREST DIVIDEND ON PAID-UP POLICY.

After this policy has become fully paid-up for its face amount or an amount in excess thereof, the Company will, upon surrender of this policy, issue a paid-up policy for the life of the Insured, valued on the American Experience Table of Mortality and interest at the rate of 3½ per cent, therein agreeing that each year thereafter during the continuance of the policy in force, the Company shall ascertain and pay in cash to the Insured the full interest earnings for the year upon the initial reserve on such policy, in excess of 3½ per cent required to maintain the reserve together with ½ of 1 per cent for expenses.

In event the Insured should not withdraw any such dividends in cash, the Company will hold the same as a deposit, subject to with-drawal at any time, and will credit such deposit at the end of each full year with interest, annually compounded, at the full rate of interest earned by the Company on its mean total assets for the year, less ½ of 1 per cent for expenses. In the event of the death of the Insured all such dividend deposits and the interest credited thereon, which have not been withdrawn shall be paid to the bene-

ficiary, in addition to the face amount of the policy.

Should the Insured subsequently recover from said disability so as to be able to engage in any gainful occupation, payment of instalments by the Company shall immediately cease. This policy may then be reinstated for the full amount and all the original benefits hereunder restored, withbut medical re-examination, on payment to the Company of the total amount of instalments paid and all arrears of premiums with total amount of instalments paid and all arrears of premiums with compound interest at the rate of 6 per cent per annum; said payment to be made in cash or, if not in excess of the loan value of the policy, the amount of said payment may remain as a loan on the policy, subject to the loan provisions herein. Any medical advisor of this Company shall have the privilege at any time to examine the Insured regarding any alleged disability.

JOHN HANCOCK MUTUAL LIFE INSURANCE COMPANY.

OF BOSTON, MASS.

In Consideration of the representations in the application herefor, a copy of which is endorsed hereon or attached hereto, and made a part hereof, and of the premium of Three Hundred. Forty-eight and 70/100 Dollars to be paid on delivery of this policy and of the payment of a like premium on or before the first day of May in each succeeding year until the premiums for twenty full years shall have been paid or until the prior death of the Insured, the John Hancock Mutual Life Insurance Company hereby insures the life of John Hancock, of Boston, Massachusetts, in the sum of Ten Thousand Dollars.

If the Insured shall die during the continuance of this policy the Company will pay the sum insured, less any indebt-edness to the Company hereon or secured hereby and less any unpaid balance of premium for the uncompleted policy year, upon due proof of death and the surrender of the policy, at the Company's Home Office in Boston, subject to the conditions and provisions hereinafter recited, to Dorothy Q. Hancock, his wife, if living, or to such other beneficiary as may be finally substituted under the conditions hereof, or if no such beneficiary be then living, then to the executors or administrators of the Insured.

Policy and Application Entire Contract.—This policy and the application herefor constitute the entire contract between the parties, and all statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the policy or be used in defense to a claim hereunder unless it is contained in a written application herefor and unless a copy of such application is endorsed on or attached to this policy when issued:

CHANGE OF BENEFICIARY.—If the right has been reserved in the application herefor, the Insured may change the beneficiary from time to time, subject to the rights of any assignee, by written request upon the blanks of the Company filed at its Home Office, but such change shall take effect only upon endorsement hereon.

PAYMENT OF PREMIUMS.—All premiums hereunder are payable in advance, annually, or in regular equivalent semi-annual or quarterly instalments at the Company's published rates, at the Home Office of the Company, or to a duly authorized agent presenting the official receipt signed by the President or Secretary, and countersigned by the agent designated on such receipt. Except

as herein expressly provided, the payment of any premium or instalment thereof shall not maintain this policy in force beyond the date when the succeeding premium or instalment becomes payable.

GRACE PERIOD.—A grace of thirty-one days, without interest, during which the policy shall remain in force, will be granted for the payment of premiums or regular instalments thereof, after the first. If the death of the Insured occur during the days of grace, the sum necessary to complete payment of premium for the then current policy year will-be deducted from the amount payable hereunder.

ADVANCE PREMIUMS.—Any premiums paid one year or more prior to the date when due will be discounted at the rate of three per centum per annum, and at the death of the Insured any such premiums paid for a period beyond the then current policy year will be returned, discounted at the same rate of interest.

ANNUAL PARTICIPATION IN DIVISIBLE SURPLUS.—At the end of each policy year so long as this policy shall remain in force, there shall be distributed hereon the proportion of the divisible surplus contributed by this policy, but such distribution at the end of the first year shall be contingent upon payment of the next succeeding premium.

a) taken in cash, (b) applied in abatement of premium payments, (c) left on deposit with the Company to accumulate with interest at the rate of not less than three per centum per annum, payable with the policy or withdrawable in cash on demand by the holder, or (d) applied to purchase participating paid-up additions payable, with the policy, which may be surrendered at any time for their cash value, but at its option the Company may defer payment of any surrender value for a period not exceeding ninety days after the application therefor is made. Election of options may be made annually by the holder by writing filed with the Company, and any option so elected shall remain in effect until a new option shall be duly substituted. If no such election is in effect on any anniversary, the distribution for that anniversary shall be held on deposit, as provided in option (c), and if any premium remains, unpaid at the expiration of the grace period the Company will apply the deposit to the payment of the premium in default, if said deposit be sufficient for that purpose, otherwise to the payment of such smaller regular instalment as the deposit may be sufficient to pay in full, and any such application of such deposit shall be a discharge to the Company for the amount so applied. Surplus apportioned to this policy while it is running as extended insurance shall not be available to maintain the policy in force beyond the extension term:

APPLICATION OF SURPLUS DISTRIBUTIONS TO SHORTEN TERM OF PREMIUM PAYMENTS OR MATURE POLICY.—Whenever the surplus accumulations under this policy, or the reserve under any outstanding paid-up additions hereunder, or both, together with the policy reserve, shall equal the reserve on the same basis for a fully paid-up policy of the same kind and amount at the then attained age of the Insured, the Company will, upon written request of the Insured and upon due release, endorse the policy, subject to any indebtedness, as paid up in full with participation; or when the aggregate amount of said reserves and accumulations shall equal the face amount of this policy, the Company will on request pay the policy as an endowment, less any existing indebtedness here under, upon due surrender.

Loans.—At any time, while the policy is in force, after three full years' premiums shall have been paid, the Company (unless the policy is running as extended insurance) will loan, upon proper assignment, and upon the sole security of this policy, with interest at the rate of six per centum per annum, a sum not exceeding the cash surrender value at the end of the then current policy year.

of the policy and of any outstanding dividend additions, less any outstanding indebtedness and interest on the total amount loaned to the next policy anniversary, and less any unpaid balance of premiums for the current policy year, but at its option, the Company may defer the granting of any loan other than to pay premiums on policies in this Company for a period not exceeding ninety days after the application therefor is made. Any interest in default will be added to the principal of the loan.

PREMIUM LOANS.—Such loans when made to pay premiums only, may be effected upon the sole signature of the Insured except that if the policy be assigned, the signature of the assignee will be required. Upon written request by the Insured and any assignee upon the Company's prescribed forms, provision may be made by endorsement hereon for automatic application of the premium loan provision to the payment of future premiums.

REPAYMENT OF LOANS.—The whole or any part of a loan may be repaid at any time. Failure to repay the loan or to pay interest thereon, shall not avoid the policy while the indebtedness is less than the cash surrender value. When the indebtedness equals such value, the policy shall become void thirty-one days after notice has been mailed to the Insured and any assignee.

Conversion Privilege.—At any time while this policy is in full force it may be exchanged without medical re-examination, upon due release, for a policy of not greater amount, upon any plan having a higher premium rate, except a continuous monthly instalment or joint life plan, which the Company issues at the date hereof, but without the right to disability benefits. The new policy shall bear the date of this policy, premiums shall be at the rate in use for the age at said date for the form chosen, and the cost to change shall be the difference between the premiums under the new policy and the premiums paid under this policy (exclusive of the special premiums paid for disability benefits) for the same period and the same amount of insurance, with interest compounded annually at the rate of six per centum per annum, and with proper adjustment of differences between the amounts of surplus distributions, under the two forms of policies.

REINSTATEMENT.—At any time after default in payment of premium (unless the cash surrender value shall have been paid, or the extension term expired, if the policy shall have been so carried), this policy may be reinstated, upon production of evidence of insurability satisfactory to the Company and approved at its Home Office, and upon payment or reinstatement of any indebtedness to the Company hereon or secured hereby, and payment of arrears of premiums, with interest at the rate of six per centum per annum.

Assignments.—No assignment hereof shall be binding on the Company until filed at its Home Office. The Company assumes no responsibility as to the validity of any assignment.

Limitations.—If within five years from the date of this policy the Insured shall engage in military or naval service in time of war, the liability of the Company in event of the death of the Insured while so engaged, or within six months thereafter, will be limited to the return of the premiums paid hereon, exclusive of any extra premium paid for military or naval service, less any indebtedness to the Company hereon, unless before engaging in such service or within thirty-one days thereafter, or at the time of paying the first premium due hereon; if the Insured shall be then so engaged, the Insured shall pay such extra premium as may be required by the Company, and in like manner shall pay annually thereafter on each anniversary of this policy or within thirty-one days thereafter, while the Insured shall continue to be so engaged, such extra premium as may be required by the Company. All the terms and conditions as to time, manner and place of regular premium payments under this policy, and as to

deduction of any unpaid balance of premium for the uncompleted policy year, shall apply also to the payment of such extra premium. Within one year after the termination of the war the Company will return such portion of the extra premiums as in its judgment will not be required to cover the extra hazard.

If the Insured shall die during the first year of this policy by his own hand or act, while sane or insane, the liability of the Company hereunder shall be limited to the premium paid hereon.

Incontestability.—After this policy shall have been in force for one full year from the date of issue it shall be incontestable except for non-payment of premium or for engaging in military or naval service in time of war without payment as herein provided of such extra premium as may be required by the Company; but in case the age has been misstated, the amount payable hereunder shall be that which the premium paid would have purchased at the correct age at the rate in use at the date hereof.

No soit shall be maintained under this policy unless commenced within six years from the time when the cause of action accrues

within six years from the time when the cause of action accrues.

ALTERATION AND ENDORSEMENT.—No modification or alteration hereof or endorsement hereon will be valid unless made by the President, a Vice-President, the Secretary, or an Assistant Secretary, and no other person is authorized on behalf of the Company, to make, alter or discharge this contract or to waive forfeiture. Agents are not authorized to modify or waive any of the terms and conditions of this policy nor to extend the time for payment of premiums or other moneys; due to the Company, or to bind the Company by making any promise or by accepting any representation or information not contained in the application for this policy.

TOTAL AND PERMANENT DISABILITY BENEFIT PROVISION:

- 1. If after one full year's premium shall have been paid upon this policy, the Insured shall become wholly and permanently disabled by bodily injury or disease sustained or contracted after the date hereof, so that thereby he will be wholly, continuously and permanently prevented from the pursuit of any form of mental or manual labor for compensation, gain or profit whatsoever, and has been so disabled for not less than sixty days, then, if there is no premium in default, upon receipt of due proof of such disability, the Company will grant the following benefits subject to the terms and conditions herein set forth.
- 2. DISABILITY OCCURRING BEFORE AGE 60.—If such disability occurs before the Insured reaches the age of 60 years, the Company will waive the payment of further premiums, after the then current policy year, during the continuance of the disability, and, at the end of six months from the date on which the disability is proved, will pay to the Insured, subject to the conditions and limitations of this provision, with the written consent of the assignee, if any, an amount equal to one-tenth of the face amount of the policy, and a like amount annually thereafter during the continuance of the disability, until the maturity of the policy.
- 3. The disability payments made and the premiums waived under the conditions of Section 2 will not reduce the amount payable under the policy at maturity, or affect the manner of payment of the nonforfeiture values or the distribution of surplus as provided in the policy.

Interest on any indebtedness under the policy will be deducted from the amounts paid during disability and the principal of such indebtedness will be deducted from the sum payable at maturity. In case there are outstanding accumulations or additions to the policy from surplus distributions, they will be payable with the final settlement.

The policy must be forwarded to the Home Office for endorsement of each disability payment.

- 4. Disability Occurring After Age 60.—If such disability occurs after the Insured reaches the age of 60 years, the policy will be maintained in force, subject to the conditions and limitations hereinafter set forth, without payment of further premiums during the continuance of the disability, for a decreasing sum which will be the face amount of the policy, less the premiums waived and less any indebtedness to the Company on the policy. The amount of the premium waived yearly will decrease in proportion to the decreasing sum insured, and the cash surrender and loan values will be those shown by the table of nonforfeiture values in the policy, reduced proportionately to the reduced insurance, less any indebtedness.
- 5. Proof of Continued Disability.—The Company shall have the right to require at any time, but not oftener than once a year, due proof of the continuance of the disability. If the Insured shall fail to furnish such proof when required to do so, or shall so far recover as to be able to perform work of any kind for compensation, gain or profit, the disability benefits will be discontinued.
- 6. DISABILITY PREMIUM.—The disability benefits as set forth in this provision are granted in consideration of the statements unit representations in the application for this policy and of a special yearly premium of \$17.80 payable in addition to and as a part of the regular premium called for by the policy during its premium

paying period or until the Insured reaches the age of 60 years. The disability premium may be discontinued at any policy anniversary upon request of the Insured, and presentation to the Company of the policy for cancellation of the disability benefit provision.

- 7. RECOGNIZED DISABILITIES.—Without prejudice to any other cause of disability, the following will be recognized as disability within the meaning of this provision namely, the total and irre-coverable loss of the use of both eyes or of both hands or of both feet, by removal or disease, or such loss of the use of one hand and one foot.
- · 8. LIMITATIONS.—If the Insured shall engage in military or naval service in time of war, the foregoing provisions for disability benefits shall become void and the additional premium therefor shall cease to be payable, but if he ceases to be engaged in such service on evidence of physical condition satisfactory to the Company and upon payment of the additional premium aforesaid, said provision will again become operative.

In case of violation of any of the conditions upon which this policy is issued and accepted by the insured, or if any premium, or any note, expressed to be

payable to the Company, given for a premium, be not paid when due, the policy shall be void, and all premiums shall be forfeited to the Company except as herein provided.

Modification.—No agent has power on behalf of the Company to make or modify this contract; to extend the time for payment of a premium; or to bind the Company by making any promise, or by receiving any representation or information not contained in the application for this policy. PREMIUMS.—Premiums shall be paid in cash on or before date due at the Company's Home Office in Baltimore, but payment to an agent of the Company will be accepted elsewhere in exchange for Company's receipt signed by the President, a Vice-President, the Secretary, the Auditor, or the Actuary, and countersigned by said agent. This policy shall not take effect until the first premium shall have actually been paid during the continued good health of the insured.

The insurance under this policy is based on annual premiums payable in advance, but payments may be made semi-annually or quarterly in advance at the premium rates therefor now in use by the Company. Change from one mode of payment to another may be made at the end of any policy year upon written request signed by the insured alone, if policy has not been assigned. Except as herein provided, the payment of a premium, or instalment thereof, shall not maintain the policy in force beyond the date when the next premium, or instalment, becomes payable.

31 Days Grace.—The time when a premium becomes due is the day herein stipulated therefor, but after the first year thirty-one days of grace without interest will be allowed for the payment of premiums, the policy being meanwhile kept in force. The cash value, if the policy is surrendered during a policy year, the premiums for the full year having been paid, will be the same as that at the end of the policy year unless the reserve at the time of surrender is less than the reserve at the end of the year, in

which event the cash value will be equally reduced. For loan values when loans are obtained during a policy year and not at its

end, see loan provision.

The cash values given in the above table are the full reserve on the policy according to the Company's Standard, American Experience Table of Mortality, with 3½ per cent. interest less a deduction not exceeding at any time two and one-half per cent, of the sum insured. The values of the paid-up life and endowment insurances given in the table are also at no time less than the reserve on the policy less a deduction not exceeding two and one-half per cent. of the sum insured. AT INTEREST.—(2) Payment of interest at the rate of 3¼ per cent. per annum on said net sum payable at the end of each year during the lifetime of the beneficiary, and upon the death of said beneficiary payment of said net sum together with any accrued interest to the beneficiary's legal representatives or assigns.

INSTALMENTS.—(3) Payment of equal annual instalments for a specified number of years, the first instalment being made payable immediately, and the amount of each instalment to be in accordance with the following table.

INSTALMENTS AND ADDITIONAL SUM.—(4) Payment of said net sum in twenty equal annual instalments, the first instalment being immediate, and the payment of an additional amount equal to 47 per cent. of said net sum at the end of twenty years after the first instalment becomes due; or in twenty-five equal annual instalments and an additional amount equal to 66% per cent. of said net sum at the end of twenty-five years after the first instalment becomes due; or in thirty equal annual instalments and an additional amount equal to 90 per cent. of said net sum at the end of thirty years after the first instalment becomes due.

Instalments and Annuity.—(5) Payment of said net sum in twenty, twenty-five or thirty equal annual instalments as in method (4), and by the payment in addition beginning at the end of twenty. twenty-five or thirty years, as the case may be, after the first instalment becomes due, of an annuity on the life of the beneficiary, said annuity being the amount that 47 per cent, 661 per cent, or 90 per cent, as the case may be, of the said net sum will buy according to the following table at the age of the beneficiary attained at the end of the period. This method to be available only if attained age of beneficiary is 50 or over.

CONTINUOUS INSTALMENT.—(6) Payment of equal annual instalments for a fixed period of twenty years (the first instalment being payable immediately), and for as many years longer as the beneaclary shall survive, the amount of each instalment to be in accordance with the following table.

The yearly instalments under methods (3) and (4), (or under method (5) so far as the instalments for the fixed period of years is concerned but not the annuity), provided each yearly instalment is not less than \$100, may at the option of the insured or at the option of the beneficiary, unless otherwise provided by special endorsement hereon, be changed to semi-annual, quarterly or monthly payments. On the basis of an annual payment of \$100, each semi-annual payment would be \$50.37, each quarterly \$25.23, each monthly \$8.41.

METHODS OF SETTLEMENT.

Each annual instalment after the first under methods (3) or (4) (or under methods (5) or (6) as far as the instalments for the fixed period of years therein named are concerned), and each annual instalment of interest provided for in method (2) will be increased each year by such extra interest as the Company may allot thereto.

At any time while policy is in force the Company will, upon written request to its Home Office by the insured, subject to the rights of any assignee, limit by endorsement on the policy the settlement of the net sum payable at the death of the insured to any one or to any specified combination of the above described methods. Revocation of such limitation and subsequent establishment of a new limitation from time to time may be similarly secured.

Unless otherwise provided by special endorsement hereon, the beneficiary, if the second method has been chosen, may at any time secure the payment of the principal sum in cash with any accrued interest upon giving satisfactory release. Subject to the same conditions the beneficiary may at any time commute in one payment and receive the value of any unpaid instalments under method (3) and of any unpaid instalments and of the additional sum under method (4), or so far as the instalments for the fixed period of years and the value of the annuity at the end of the fixed period are concerned, under method (5), provided the annuity has not actually been entered upon. The commuted value will be determined by discounting the unpaid instalments at the rate of 31/4 1' . , . per cent. per annum.

Should the beneficiary die before the payments provided for in methods. (3) or (4) have all been made, or before the annuity provided for in method (5) has been entered upon; or the payments provided for the fixed period of twenty years in method (6) have all been made, the unpaid instalments, including the sum available for the purchase of the annuity under method (5), but excluding any payments to be made subsequent to the fixed period under method (6), shall be commuted in one sum discounting at the rate of 3½ per cent. per annum, and the commuted value shall be paid on satisfactory release to the executors, administrators or assigns of said beneficiary. If the beneficiary dies after easy annuity has been entered upon all liability of the Company will cease with the last annuity payment if any, preceding said death. If there be no named beneficiary at the death of the insured entitled to receive payment under this policy, or if no election is

made, the net sum payable hereunder shall be paid in cash. Any portion of said net sum which may be payable to an assignee shall also be paid in cash.

Whatever method of settlement may be followed the policy must first be duly surrendered and released, and if settlement is not made in cash a new supplementary contract shall be issued for the mode of settlement elected.

MASSACHUSETTS MUTUAL LIFE INSUR-ANCE COMPANY,

SPRINGFIELD, MASSACHUSETTS.

THE INSURED: Roger Williams of Springfield, Massachusetts.

THE BENEFICIARY: Miriam Williams, his wife.

SUM INSURED: Ten thousand dollars, payable at death of the

Insured.

PREMIUM: Amount, Three hundred eighty and 20/100 dollars, payable upon delivery of this policy, and annually thereafter, on the 8th day of each May until the premiums have been paid for twenty successive years, or until the prior death of the Insured, or as provided in "Provision for Waiver of Premium" on third page. The insurance hereunder is based upon an annual premium payable in advance. If the annual premium is paid in installments and this policy becomes a claim by death, any installments necessary to complete the premium for the then current policy year will be deducted in settlement of the claim hereunder.

POLICY YEAR AND INSURANCE BEGIN: May 8th, 1918.

In Consideration of the application for this policy, which is made a part of this contract, a copy of which application is hereto attached, and of the payment of premiums as above specified, the Massachusetts Mutual Life Insurance Company promises to pay at its Home Office in Springfield, Mass., to the beneficiary herein named, the sum insured, less the balance of the premium. if any, for the then current policy year, and less any other indebtedness to the Company on account of or secured by this policy, upon receipt at said Home Office of due proof of the death of the Insured, occurring during the continuance of this policy; subject, however, to the Insured's right, if any, to change the beneficiary hereunder, as hereinafter specified. If any beneficiary die before the Insured, the interest of such beneficiary shall vest in the executors or administrators of the Insured unless otherwise provided herein.

The right to change the beneficiary has been reserved in the

application for this policy.

MILITARY OR NAVAL SERVICE PROVISION—If within five years from the date of issue of this policy, the Insured shall engage in any military or naval service in time of war the liability of the Company, in the event of the death of the Insured while so engaged and as a result of such service shall be limited to the reserve value of the policy at the time of death less any indebtedness to the Company on account of or secured by the policy, unless before

engaging in such service, or within thirty-one days thereafter, or at the time of paying the first premium due under this policy, if the Insured shall then be engaged in such service, the Insured shall pay to the Company at its Home Office in Springfield, Mass. such extra premium as may be required by the Company, and shall pay thereafter during the continuance of such service such further extra premium as may be required; the extra premium shall be payable as long as any insurance benefit is provided under this contract irrespective of the payment of any regular premium. All the conditions contained in this policy, or amendments thereto, relating to the time, manner, and place of payment of premiums and to any deduction of premium in payment of a claim shall apply equally to the extra premium for said service. If the aggregate extra premiums received be in excess of the claims through war or disease incident to camp life a refund will be made, within one year after the termination of the war, as determined by the Company. This provision is in lieu of the military or naval service clause printed on the first page of this policy, which has been stricken from the policy.

If within the year next following the date of issue of this policy the Insured shall die by his own hand or act, whether at the time sane or insane, the Company shall be liable only for the reserve value of the policy on the basis hereinafter specified.

This policy shall be incontestable after one year from its date of issue, except for non-payment of premium and except for violation of the conditions of the policy relating to military or naval service in time of war.

The provisions and benefits hereinafter stated are hereby referred to and made a part of this policy.

In Witness Whereof, The said Company has caused this contract to be signed by its President and Secretary, and countersigned by a duly authorized officer, at Springfield, Massachusetts, this 8th day of May, One Thousand Nine Hundred and Eighteen.

WHEELER H. HALL,

WM. W. McClench,

Secretary.

President.

PROVISIONS AND BENEFITS

Premiums—Premiums are payable, in advance, at the Home Office, or to the agent or cashier holding the Company's official receipt therefor signed by the President, or a Vice-President, or the Secretary, which receipt shall not be valid unless countersigned by said agent or cashier. In case of failure to pay any premium when due, or within the grace period, the Company's only liability shall be such, if any, as is set forth hereinafter (see "Non-Forfeiture Provisions"). Subject to the grace provisions of this policy, no premium payment shall continue it in force beyond the date on which the next premium will become due by the terms of this policy or amendments thereto.

Premium payments may be changed on the written request of the insured, on the form required by the Company, so as to be payable annually or in the semi-annual or quarterly installments hereinbefore specified, provided that the assent of the assignee, if any, to such change will be required.

DIVIDENDS—This policy, while in force, will participate at the end of the first policy year, and annually thereafter, in the distribution of the surplus funds of the Company. At the option

of the insured, dividends will (1) be paid in cash, or (2) be applied in reduction of premiums, or (3) be used to purchase participating paid-up additions to this policy, which additions shall have a cash surrender value (full reserve), but the Company may; at its option, defer the granting of such surrender value for a period not exceeding ninety days from the date of the application therefor, or (4), subject to withdrawal on demand, they may be left with the Company to accumulate to the credit of the policy; if so left, the fund arising will be credited, annually, at the end of the policy year, during the continuance of the policy, with interest at such a rate, not less than three per cent., as may be determined by the directors. Any outstanding dividend accumulations will be added to the cash value of this policy in the event of surrender, or to the amount payable under the policy if it becomes a claim by death. If no election is made prior to any anniversary, the dividend for that anniversary will be held by the Company to accumulate.

Whenever, at the end of any policy year, the dividend accumulations, or the reserve on the paid-up additions, or both, together with the reserve on the policy shall equal the reserve on the same basis on a fully paid-up policy of the same kind and amount, at the then attained age of the insured, the Company will indorse the policy as paid-up in full; or when such aggregate amount shall equal the face amount of this policy, the Company will mature and pay the policy as an endowment: provided, in either case, request is made therefor and a satisfactory release is given.

LOANS

Policy Loan—After two full annual premiums have been paid hereon, on a proper assignment of this policy to the Company, the Company will loan on the sole security of this policy, with interest at the rate of six per cent. per annum, the whole or any part of the cash value of the policy and of all paid-up additions thereto, at the end of the policy year during which application for the loan is made, provided that from such loan the Company will deduct any existing indebtedness on account of or secured by the policy, with interest to the end of the current policy year on the total loan, and any unpaid portion of the premium for the current policy year, but the Company may, at its option, defer the granting of a loan, other than to pay premiums on policies in the Company, for a period not exceeding ninety days from the date of the application therefor. If this policy is not assigned the Company will loan on the signature of the insured alone, under the conditions described in this paragraph, provided the right to change the beneficiary has been reserved in the application for, or amendments to, this policy, or provided the loan is made for the sole purpose of paying the premium, or interest on any indebtedness to the Company under this policy, or both. The whole or any part of a loan may be repaid at any time.

Premium Loan—Upon the written request of the insured, and assignee, if any, filed with the Company prior to default in payment of a premium hereunder, the Company will loan to the insured the amount of said premium, less any dividend payable on the due date of said premium, and charge the same as an indebtedness against the policy, bearing interest at the rate of six per cent. per annum, if the tabular cash surrender value of the policy after the payment of such premium will be equal to the total indebtedness on account of or secured by this policy with interest thereon to the thirty-first day after the due date of the next premium payable hereunder, or to the next anniversary of the policy if no further premium will be payable; or if said cash value shall be less than said total indebtedness and interest the Company will loan to the insured the largest installment of premium shown by the policy for which the cash value of the policy (after the pay—ant of such installment), less indebtedness and interest, may

be sufficient, and thereafter the premium on this policy shall be payable in installments of like amount, unless a request for change in due form shall be made; but in no case will the Company loan to the insured an amount less than a quarterly installment of premium unless the balance of premium shall have been paid: provided, however, that any funds arising from dividends left with the Company to accumulate at interest shall first be utilized for the payment of such premium, and that while any such premium loan is outstanding dividends apportioned to the policy shall be applied to the reduction of said loan. The whole or any part of such loan may be repaid at any time.

automatic Premium Loan—If, while the policy is in full force with no premium overdue and unpaid, a request therefor, on a form furnished by the Company, is filed at the Home Office of the Company, signed by the insured, and approved by the assignee, if any, the premium loan provision, by an endorsement hereon at said Home Office, will be made to apply automatically (without further action by the insured or the assent of any subsequent assignee) to any future premium that may remain unpaid on the last day of grace. Such request may be revoked at any time by a writing signed by the insured alone and filed with the Company at its Home Office.

FAILURE TO REPAY LOAN—Failure to repay a policy loan or premium loan, or to pay interest thereon, shall not avoid the policy unless the total indebtedness thereon, including accrued interest, shall equal or exceed the loan value at the time of such failure, nor until thirty-one days after notice has been mailed by the Company to the last-known address of the insured and of the assignee of record at the Home Office of the Company, if any.

Assignment—The Company will not recognize any assignment of this policy until the original assignment, or a duplicate, or a certified copy thereof, shall be filed in the Company's Home Office, nor will it assume responsibility for the validity of an assignment.

Change of Beneficiary—The insured may designate one or more beneficiaries, if none be named herein; and, further, may, if the right to do so has been reserved in the application for this policy, or amendments thereto, change and successively change the beneficiary hereunder without the co-operation or assent of other parties in interest: provided, that any proposed beneficiary shall have an insurable interest in the life insured, that any change in beneficiary shall be subject to the rights of any assignee, and that any such change shall become operative only when indorsed upon the policy, at the Company's Home Office, pursuant to such form of request for amendment as the Company may require.

Change of Plan—This policy, while in full force, may be changed at any time, without medical examination, to any other plan in use by the Company at the time this policy was issued (except a continuous income plan), but without the provision for waiver of premium, provided the rate of premium will not thereby be diminished, upon payment of the difference between the premiums less dividends under the new policy and the premiums less dividends under this policy (exclusive of premiums paid, if any, for waiver of premium benefit), at the Company's regular premium rates at the time this policy was issued, for the time the policy has been in force, with interest thereon at the rate of six per cent. compounded annually; provided, however, that the amount to be paid for such change shall not be less than the difference in the reserves on the respective policies computed on the basis of the American Experience Table of Mortality and interest at the rate of three per cent. per annum. The new policy shall be written at the same age, bear the same number an

date, and be for the same amount as this policy, and all parties in interest must join in the request for change and execute such papers as the Company may require. In the event of change to the endowment plan, any paid-up additions to the credit of this policy at the time of change, if not surrendered for cash, shall be converted into paid-up endowment additions, maturing at the same time as the new policy, of such amount as the reserve on the paid-up additions at the time of change, on the basis of the American Experience Table of Mortality and interest at the rate of three per cent. per annum, will purchase as a net single premium on the same basis.

ENDOWMENT OPTION—If this policy becomes paid-up by its terms after the payment of twenty years' premiums and if none of such premiums has been waived on account of the disability of the insured, the insured, with the assent of all parties in interest, may elect to continue the payment of premiums of like amount (exclusive of the premium for waiver of premium benefit) for a further period of eight years, and it is hereby provided that in consideration of such continued payment of premiums the sum insured and a further sum of One Hundred dollars shall be paid to the insured on May 8, 1946, if then living, or the sum insured shall become payable at the prior death of the insured. If this option be elected, this policy shall be surrendered to the Company and a new policy (without the provision for waiver of premium) shall be issued, and any existing paid-up additions, if not surrendered for cash, shall be converted into paid-up endowment additions, maturing at the same time as the new policy, on the basis described in the preceding paragraph.

ENTIRE CONTRACT—This policy and the application herefor constitute the entire contract between the parties. All statements made by the applicant shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall be used in defense to a claim under this policy unless it is contained in the application and a copy of the application is attached to this policy when issued.

Error in Age—If the age of the insured was misstated in the application for, or any amendment to, this policy, and there has been no adjustment on account thereof, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

NON-FORFEÍTURE PROVISIONS

GRACE—Any premium after the first may be paid when not more than thirty-one days past due, during which period the policy will be continued in full force. If death occurs within the period of grace, the unpaid premium shall be deducted from the amount payable hereunder.

PAYMENT OF PREMIUMS FROM DIVIDEND ACCUMULATIONS—If a premium hereon remains unpaid at the expiration of the grace period, and there are dividend accumulations to the credit of the policy, they shall be used to pay the overdue premium, if sufficient for the purpose, otherwise they shall be used to pay the largest installment of premium, shown by the policy, for which such accumulations may be sufficient, and thereafter the premium on this policy shall be payable in installments of like amount, unless a request for change in due form shall be made. In no case shall an amount of dividend accumulations less than a quarterly installment of premium be applied in payment of premium unless the balance of premium shall have been paid. The insured will forthwith be notified of the amount of the accumulations used and of the balance thereof.

OPTIONS IN CASE OF DEFAULT

Automatic Paid-Up Insurance—Upon default in the payment of any premium, after two full annual premiums have been paid hereon, this policy will be binding upon the Company as participating paid-up insurance of a reduced amount, payable at the same time and on the same conditions as in the original contract; but at any time within thirty-one days from the date of such default, the insured may elect in lieu of such paid-up insurance, by a writing filed with the Company at its Home Office, to have the insurance continued in force as participating extended term insurance, from the due date of the premium in default, for its original amount and any outstanding paid-up additions, less any indebtedness hereon or secured hereby, but without the right to loans, or may surrender the policy, and, with the written assent of the person to whom it is made payable, receive its value in cash, but the Company may, at its option, defer the granting of such surrender value for a period not exceeding ninety days from the date of the application therefor.

AUTOMATIC EXTENDED TERM INSURANCE—Extended term insurance, as above described, may be made the automatic option in case of default in the payment of any premium, by an indorsement placed upon the policy at the Company's Home Office, pursuant to a written request therefor signed by the insured and filed at said Home Office when there is no premium due and unpaid.

The values stated in the accompanying table are for even years and apply to this policy, except that if there are outstanding paid-up additions to the policy, the values will be increased in consequence, but if there is any indebtedness to the Company on account of or secured by this policy, the said values will be diminished. If the default occurs after a fractional part of the current year's premium has been paid, the values will be proportionately adjusted.

After this policy has become paid-up by payment of all required premiums, or if it becomes paid-up for a reduced amount by operation of law, or if extended term insurance is taken hereunder, the insurance will have a cash surrender value and the insured may surrender the insurance, and, with the written assent of the person to whom it is made payable, receive its value in cash, but the Company may, at its option, defer the granting of such surrender value for a period not exceeding ninety days from the date of the application therefor.

Reinstatement—This policy may be reinstated at any time after default in the payment of any premium, unless the cash value has been paid, or the extension period has expired, upon the production of evidence of insurability satisfactory to the Company, and the payment of all overdue premiums, with insterest at the rate of six per cent. per annum on such premiums and on any indebtedness to the Company on account of or secured by this policy at the time of default, which indebtedness, if not repaid, shall be reinstated as a lien against this policy.

A part or the whole of the overdue premiums may be settled by policy or premium loan, if the cash surrender value of this policy, after reinstatement, will be sufficient security therefor and for any reinstated indebtedness. See conditions in "Loans" paragraphs.

Waiver of premiums by the Company under this provision shall not affect the right to any dividend or other benefit provided in this policy. Values provided under "Non-Forfeiture Provisions," as well as dividends and all other benefits, shall continue with the same force and effect as if the premiums were duly paid.

It is further agreed that the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, will be considered as total and permanent disability within the meaning of this provision.

This provision may be discontinued at the option of the insured. The additional annual premium of \$1.90, in consideration of which this provision is granted, and which is included in the whole premium charged for this policy, is payable for twenty full years, or until the prior termination of this provision. Non-payment of said additional premium will void this provision and the benefits secured hereby.

If the insured enter upon military or naval service in time of war, the benefits of this provision, together with the additional premium herefor, shall immediately cease, and thereupon a pro rata refund shall be made of any additional premium paid

INSTALLMENT OFTIONS

The Insured, with the assent of the assignee, if any, may elect by a writing filed with the Company, with the right of revocation, to have the proceeds of this policy (including paid-up additions and dividend accumulations, if any), if not less than \$1,000, paid in equal annual installments according to any one of Options "A," "B," and "C," beginning upon receipt of due proof of the death of the insured, in lieu of payment in one sum, or the insured may in like manner elect to leave the proceeds of this policy with the Company in accordance with Option "D"; and any such election or revocation shall become operative only when indorsed upon the policy, at the Company's Home Office, pursuant to such form of request as the Company may require. No installment under Option "A," "B," or "C" may be commuted by any beneficiary, except upon the written authority of the insured filed with the Company. If the insured shall not have made any such election, the beneficiary or beneficiaries entitled to receive said proceeds may, when the same become paysable, exercise such right of election. If no beneficiary survives the insured, said proceeds will be paid in one sum to the executors, administrators, or assigns of the insured.

At the death of the last surviving beneficiary occurring subsequently to the death of the insured, any balance under Option "A" will be paid in one sum to the executors, administrators, or assigns of the said beneficiary, and any installments under Option "B" or any stipulated installments under Option "C" then remaining unpaid will be commuted upon the basis of three per cent. compound interest per annum and paid in one sum in like manner.

Provision may be made for the payment of a portion of the proceeds in cash and for treatment of the remainder, if not less than \$1,000, as hereinunder described.

Semi-annual, quarterly, or monthly installments may be taken in lieu of annual installments. The equivalent of each \$100 of annual installment will be two semi-annual installments of \$50.37 each, or four quarterly installments of \$25,28 each, or twelve monthly installments of \$8.45 each.

OPTION A—Equal annual installments, each of such an amount as may be elected, to continue until the proceeds, together with the interest herein specified, are exhausted; provided, that the final installment shall be for the balance only of said proceeds and specified interest. On each anniversary of the first installment interest at not less than three per cent. per annum will be added to the unpaid balance of said proceeds.

OPTION B—A specified number of equal annual installments, each of an amount (for each \$1,000 of such proceeds) corresponding to the number of installments shown in the first table following. On each anniversary of the first installment, but continuing only so long as installments are being paid, there will also be paid such interest dividend as may be allotted by the directors.

Illustration: If the proceeds of the policy are \$7,500 and the number of instalments desired is twenty, each instalment will be \$65.25 x 7 5-16-\$489.87.

Option C—Equal annual installments, continuous during the life of the beneficiary entitled to receive the first thereof, each of an amount (for each \$1,000 of said proceeds), as shown in the accompanying table, corresponding to the number of stipulated installments selected and to the completed age of the beneficiary at the date of the death of the insured. If the said beneficiary, having received one or more of such installments, shall decease before the payment of all the stipulated installments, the remainder of said stipulated installments, and no more, will be paid as they fall due to the contingent beneficiary or beneficiaries, if any be named. If there are two or more beneficiaries entitled to share in the first of such installments, the said proceeds will be divided in proportion to the interests of the several beneficiaries, and in determining the amount of the annual installment to be paid to each beneficiary, the share of each will be considered as the proceeds of a separate policy. On each anniversary of the first installment, but continuing only so long as installments are being paid, there will also be paid such interest dividend as may be allotted by the directors, except that if installments are paid annually no interest dividend will be paid after all the stipulated installments have been paid.

have purchased at the correct age.

years from the date of its issue.

to the validity of any assignment,

5. Options on Surrender or Lapse.—Upon failure to pay any premium or any part thereof when due, this Policy, except as otherwise provided herein, shall immediately lapse. If, however, the lapse occur after three full years' premiums shall have been paid, the owner hereof, provided there be no indebtedness hereon, shall, upon written request filed with the Company at its Home Office, together with the presentation of this Policy for legal surrender or for endorsement within three months from the due date of premium in default; be entitled to one of the following options:

First—A cash surrender value.

The Company in its discretion may defer the payment of the cash value for a period not exceeding ninety days after the appli-

cation therefor is received by the Company.

Second—To have the insurance continued for a reduced amount of non-participating paid-up insurance (including any existing additions to the credit of the policy), payable at the same time and under the same conditions as this Policy. Such paid-up insurance shall have an increasing cash surrender value equal to the full reserve at the date of surrender, or a loan value up to the limit of the cash surrender value. Interest on loan under such paid-up insurance shall be payable annually in advance to the end of the policy year at the rate of six per centum per annum.

·Third-To have the insurance continued for its original amount as term insurance in whole number of months from due date of premium in default, without participation and without the right to loan, but with a cash surrender value decreasing each year and ceasing entirely upon the expiry of the extension term, which value shall be the full reserve in even dollars for each one thousand dollars of insurance at the date of surrender.

If the owner shall not, within three months from due date of premium in default, surrender this Policy to the Company at its Home Office for a cash surrender value or for endorsement for paid-up insurance or term insurance as provided in the above options, the policy shall be continued for a reduced amount of paid-up insurance as provided in the second option.

The values of these options are mathematical equivalents, and have been calculated on the basis of the American Experience Mortality Table, with interest at three and one-half per centum per annum (omitting fractions of a dollar per thousand of insurance) less a surrender charge not exceeding in any case two and one-half per centum of the face of the Policy; except that after the time for which premiums are payable as stated on the first page hereof, no surrender charge has been made. These values as computed produce the results set forth in the table herein at the end of the respective years. Values for other years (after the twentieth) will be computed upon the same basis, for the entire reserve in even dollars for each one thousand dollars of insurance, and for even months in the event of election of term insurance and will be furnished upon request of the Insured.

Any indebtedness to the Company under this Policy will be deducted from the cash value; and such indebtedness will also reduce the amount of paid-up insurance; or the amount continued as term insurance in such proportion as the indebtedness bears

to the cash value at due date of premium in default.

The reserve for which funds are to be held upon this Policy thall be computed upon the American Experience Mortality Table, with interest at three and one-half per centum per annum,

The Cash Value or Loan Value at any time other than the end of the policy year (provided the full year's premium has been paid)

shall be the value at the end of the current policy year, discounted at the rate of six per centum per annum.

Should surrender or default be at any other time than at the anniversary date of the Policy, the values for the preceding policy year shall be proportionately increased for the portion of the policy year for which premiums have been paid.

- been paid and while this Policy is in force, the Company, on proper and lawful assignment and delivery of this Policy, will loan, on the sole security thereof, up to the limit secured by the cash surrender value as increased by the value of any paid-up additions. The lean will bear interest at the rate of six per centum per annum payable annually on the anniversary of the Policy. If interest be not paid when due, it shall be added to the principal, provided the entire outstanding indebtedness shall be within the limit sacured by the cash surrender value; otherwise, non-payment of interest shall render the Policy null and void, after one month's notice shall have been mailed by the Company to the last known address of the Insured and of the assignee of record, if any. After the expiration of the policy year will be required. The whole or any part of the indebtedness may be repaid at any time while the Policy is in force. At the option of the Company, the loan may be deferred for a period, not exceeding ninety days after application therefor is received by the Company, unless such loan is to be applied solely to the payment of premiums due to the Company.
- 7. REINSTATEMENT.—If this Policy shall lapse in consequence of non-payment of any premium when due, it may be reinstated at any time upon the production of evidence of insurability satisfactory to the Company, and the payment of all overdue premiums with interest at six per centum per annum; any loan which existed at date of default, together with interest at the same rate to the date of reinstatement, to be, at the option of the owner on application for such reinstatement, either repaid in cash or continued as an indebtedness against the Policy.
- PARTICIPATION IN DIVISIBLE SURPLUS.—This Policy is a payticipating contract and the Company will amusily ascertain and apportion any divisible surplus accruing hereon. The surplus as ascertained and apportioned shall, at the option of the owner, be either (a) paid in cash; or, (b) applied within the grace period toward the payment of any premium or premiums; or, (c) applied to the purchase of a participating paid-up addition to the sum insured; or, (d) left to accumulate to the credit of the Policy at such rate of interest as the Company may declare on such funds, and payable at maturity of the Policy or withdrawable in cash on any anniversary date of the Policy, the rate of interest to be not less than three and one-half per centum annually. If no other option is elected the divisible surplus will be applied to the purchase of a paid-up addition to the sum insured. Such paid-up addition may be surrendered at any time for a cash value not less in amount than that of the surplus originally applied to its purchase. The payment or apportionment of the divisible surplus shall not be conditioned upon the payment of the next premium. When in event of surrender or lapse this Policy is continued as paid-up insurance or continued term insurance it shall not share in the Divisible Surplus.

(See "Notice to Policy-holder" below.)

Notice to Policy-Holder.—The surplus accruing under policies of this class will probably not be sufficient to enable the Company to make a distribution of surplus under this policy before the end of the fifth year.

9. Modes of Settlement.—Having hereby reserved such right the Insured, with right of revocation and change, by written notice to the Company at its Home Office, may elect to have the whole or any part of the met sum payable under this Policy, upon the death of the Insured, retained by the Company and paid out as provided below instead of in one sum. In case no such election has been made by the insured the beneficiary may so elect.

This Policy is to be surrendered at maturity and a supplementary contract issued for the option elected.

These modes of settlement are, however, not applicable to a Policy which is payable to an assignee, to a corporation, to a copartnership or association, or when the amount to be retained is less than one thousand dollars.

longer as the payee shall survive, in accordance with the table below for each one thousand dollars of said net sum, the first instalment being payable upon receipt of due proof of the death of the Insured.

Any instalments payable under option 2 or option 3 which shall not have been paid prior to the death of the payee, unless otherwise directed in said notice, shall be commuted at three and onehalf per centum compound interest and be paid in one sum to the executors, administrators or assigns of the payee.

In lieu of semi-annual instalments under option 2, or annual instalments under option 3, quarterly or monthly payment thereof in proportionate parts may be elected, provided that no such proportionate payment be for less than ten dollars.

Unless otherwise specified in the written notice making such election, the supplementary contract on legal release thereof may at any time be surrendered for the amount retained, with any accrued interest, under option 1, or for the commuted value of the stipulated instalments yet to be paid under option 2, or for commuted value of any of the first twenty instalments then remaining unpaid under option 8; such commutation under this option (3) shall, however, in nowise affect the payments conditional upon the lifetime of the payee after the term during which the instalments certain would have been payable; such commuted value under either option to be the amount as calculated by the Company on the basis of three and one-half per centum compound interest.

The sums payable under the foregoing options are based upon an assumed interest earning of three and one-half per centum, but if in any year the Company shall declare for that year, upon funds held by it under such options, a greater interest rate than three and one-half per centum, the sum payable under Option 2, or under Option 3 within the fixed period of twenty years, shall be increased accordingly.

accordingly.

10. Total and Permanent Disability Benefits.—If, after this Policy has been in ferce one full year, and before default in the payment of any subsequent premium, the Company receives due proof that the Insured before attaining the age of sixty years, has become wholly and permanently disabled by bodily injury or disease, so that he is and will be permanently continuously and wholly prevented thereby from performing any work for compensation or profit, the Company will waive payment of each premium as it thereafter becomes due during the Insured's said disability.

Any premium so waived shall not be deducted from the sum payable hereunder, and the values provided for under the provision "Options on Surrender or Lapse" shall be the same as if such premiums had been paid in cash. Provided, that always notwithstanding proof of disability may have been accepted by the Company as satisfactory, the Insured shall at any time, on demand from the Company, furnish due proof of the continuance of such disability; and if the Insured shall fail to furnish such proof, or if the Insured is able to perform any work or to follow any occupation whatsoever for compensation, or profit, all premiums thereafter falling due must be paid in conformity with the conditions of this Policy. Policy

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or of one entire hand and one entire foot, will be considered as total and permanent disability within the meaning of this provision.

This provision is granted without additional cost to the Insured.

The foregoing provisions covering waiver of premium in event of Total and Permanent Disability shall become inoperative if the Insured, within five years from date of issue hereof, shall engage in Military or Naval Service in time of War, but will be restored after discharge from such service on evidence of physical condition satisfactory to the Com-

If, however, the lapse occur after three full years' premiums shall have been paid, the owner hereof, provided there be no indebtedness hereon, shall, upon written request filed with the Company at its Home Office together with the presentation of this Policy for legal surrender or for endorsement within three months from the due date of premium in default, be entitled to one of the following options:

First-A cash surrender value.

The Company in its discretion may defer the payment of the eash value for a period not exceeding ninety days after the application therefor is received by the Company.

Such paid-up insurance shall have an increasing cash surrender value equal to the full reserve at the date of surrender, or a loan value up to the limit of the cash surrender value. Interest on loan under such paid-up insurance shall be payable annually in advance to the end of the policy year at the rate of six per centum per annum.

Third—To have the insurance continued for its original amount as term insurance in whole number of months from due date of premium insidefault, without participation and without the right to loan; but with a cash surrender value decreasing each year and ceasing entirely upon the expiry of the extension term, which value shall be the full reserve in even dollars for each one thousand dollars of insurance at the date of surrender.

If the owner shall not, within three months from due date of premium in default, surrender this Policy to the Company at its Home Office for a cash surrender value or for endorsement for paid-up insurance or term insurance as provided in the above options, the policy shall be continued for a reduced amount of paid-up insurance as provided in the second option.

Values for other years (after the twentieth) will

be computed upon the same basis and furnished upon request of the Insured.

Any indebtedness to the Company under this Policy will be deducted from the cash value; and such indebtedness will also reduce the amount of paid-up insurance or the amount continued as term insurance in such proportion as the indebtedness bears to the cash value at due date of premium in default.

The reserve for which funds are to be held on this Policy shall be computed upon the American Experience Mortality Table with interest at three and one-half per centum per annum.

20-PAYMENT LIFE NON-PARTICIPATING POLICY WITH DISABILITY BENEFIT RIDER.

No. 99999. Amount, \$10,000.

Annual Premium, \$285.00

THE MICHIGAN MUTUAL LIFE INSURANCE COMPANY.

Hereby Agrees and promises to pay the sum of Ten Thousand Dollars, the amount of this Policy, at its Home Office in the City of Detroit, (any balance of the current year's premium and any indebtedness of the insured or beneficiary to this company being first deducted therefrom) when it has received due proof of the death of John Doe, of Detroit, County of Wayne, State of Michigan, whose life is hereby insured, subject to the conditions contained herein: If at the time the application is made, the insured has therein reserved the right to change the beneficiary, this policy will be payable to the person last designated under that right, and the insured may, providing this policy has not been assigned, change the beneficiary or beneficiaries at any time by filing with the Company a written request, duly acknowledged and accompanied by this policy; such change to take effect upon the endorsement of the same upon the policy by the Company. Subject to the above provision, the sum insured is payable to his wife, Mary Doe, if living; if not living, then to his administrators, executors or assigns of the insured. This policy is issued in consideration of the application therefor, a copy of which is attached to and is made a part of this contract, the same being accepted by the insured on the following conditions: The Annual premium of Two Hundred Eighty-five and 00/100 Dollars shall be paid in advance to the Company at its Home Office in the City of Detroit, or to its authorized agent, on delivery of this policy, and a like sum shall be paid before twelve o'clock noon on the *1st* day of *May* in each year until twenty annual premiums shall have been paid or until the death of the insured, should that event sooner occur. Such payment of premium shall be made in advance either at the Home Office of the Company or to an authorized agent of the Company upon delivery of a receipt signed by the President or Secretary and countersigned by the collecting agent.

This policy shall not take effect unless the first premium is paid in cash or a note for extension of time for such payment is accepted by the Company at its Home Office at Detroit, Michigan, nor unless the insured be alive and in good health at the time of

its delivery.

LOAN.—After three full years' premiums have been paid, the Company will, at any time while this policy is in force, advance upon proper assignment of the policy and upon the sole security thereof a sum equal to (or, at the option of the insured, less than) the reserve on this policy at the end of the current year; (such reserved being computed upon the basis of the American Experience Table of Mortality with three and one-half per cent, interest) less a sum not more than two and one-half per cent of the amount

insured by the policy, first deducting from said loan value any unpaid balance of the current year's premium and any other existing indebtedness to the Company on account of this policy.

Interest on said loan will be charged at the rate of six per cent per annum, payable in advance to the end of the current policy year

and semi-annually thereafter.

The Company, at its option, may defer completion of the loan for six months after application therefor is made.

Failure to repay any such loan or interest will not void the policy unless the total indebtedness thereon, to the Company, equals or exceeds the loan value of the same, nor until one month after notice has been mailed, by the Company, to the last known address of the insured and his assignee, if any.

EXTENDED INSURANCE.—If the premiums are not paid as provided herein, then in every such case the Company shall not be liable for the sum insured and the policy shall cease and determine; excepting only that if default be made in the payment of any premium after three full years' premiums have been paid and there be no indebtedness on account of this policy, the full amount of this policy will be carried as Non-Participating Term Insurance for such a period as the reserve of the policy (computed upon the three and one-half per cent American Experience Table of Mortality) less

a sum, not more than two and one-half per cent of the amount insured, will pay for when used as a net premium.

If there is any loan or other indebtedness against the policy at the time of default, the value that otherwise would be used to purchase extended insurance will be reduced by the amount of the loan or indebtedness, with interest, and the remainder used as a net premium to purchase Non-Participating Term Insurance for an amount equal to the face of the policy less such indebtedness.

amount equal to the face of the policy less such indebtedness.

This Non-Participating term insurance shall be subject to all the conditions of this policy, except as to the payment of premiums and except the right to loans.

PAID-UP INSURANCE.—In lieu of the Extended Insurance hereinbefore provided for, after the payment of three full years' premiums and default in the payment of any subsequent premium, the
insured may, by return of the policy with a written request to the
Company within one month after such default, have the policy carried as Paid-up Non-Participating insurance for a fractional part
of the sum insured, according to the table of values endorsed hereon; such values being subject to decrease on account of any indebtedness of the insured or beneficiary to the Company. All values
after the twentieth year not endorsed in the table of paid-up insurance hereon, will not be less than the equivalent of the full reserve
of this policy according to the Michigan standard of valuation. of this policy according to the Michigan standard of valuation.

CASH VALUE.—After premiums have been paid for three full years, if default be made in the payment of any subsequent premium and this policy be surrendered fully receipted by the insured and beneficiary within one month after such default, the Company will pay for such surrender an amount at least equal to the sum that would otherwise be available for the purchase of Extended Insurance, less any unpaid balance of a current year's premium and any other existing indebtedness to the Company on account of this policy.

The amount of this cash value, subject to indebtedness, is shown in the table printed hereon and payment of the same may be deferred not longer than six months after application for it is made. Cash values after the twentieth year not endorsed upon this policy will not be less than the full reserve of this policy according to the Michigan standard of valuation.

RESTORATION OF POLICY.—If this policy shall not have been surrendered to the Company and cancelled, it may be reinstated on written application within three years after the non-payment of any premium, subject to evidence of insurability satisfactory to the Company and the payment of arrears of premium with five per cent interest and the repayment or renewal of any indabtedness outstanding at the time of default in the payment of premiums, with interest: GRACE IN PAYMENT OF PREMIUMS.—After this policy has been in force one year, a grace of thirty-one days will be allowed for the payment of any premium due thereon, during which period this policy shall remain in force for the full amount; but in the event of the death of the insured during such term of grace the full premium for the then current policy year, or any unpaid balance thereof, shall be deducted from the amount payable under the policy.

Incontestable Provision.—This policy with the application therefor, a copy of which is hereto attached, shall constitute the entire contract between the parties thereto and shall be incontestable after two years from date, except for infraction of the provisions for the payment of premiums, for military or naval service in time of war. In the event of the death of the insured while entered in military or naval service in time of war. gaged in military or naval service in time of war, or in consequence of such service, the Company shall be liable under this policy for only the legal reserve thereon as of the end of the policy year for which premium has been paid.

If the age of the insured is misstated, the Company will be liable only for such an amount as the premium received would have paid for at the rates charged by the Company at this date for per-

sons of the insured's correct age.

No agent has the power to change the terms of this contract nor to extend the time for the payment of any premium, nor by any writing or otherwise to bind the Company in any way not set forth in this policy.

IT IS UNDERSTOOD AND AGREED that when the first premium has been paid the insurance under the terms and conditions of this contract shall commence and take effect from the day and date of this policy.

Assignments.—If this policy is assigned or held as security, written notice shall be given to the Company, and proof of interest produced with proof of death.

The Company will take no responsibility as to the validity of

any assignment.

Non-Participating.—This policy shall not participate in any

distribution of surplus.

ALL STATEMENTS made by the insured in the application for this policy shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid the policy unless it is contained in the written application, a copy of which is hereto attached and made a part of this policy.

the Insured shall die, will be deducted from any amount payable

cent per annum.

DIVIDENDS.—At the end of the second policy year, if the third annual premium is paid in cash, and at the end of each subsequent policy year, the Company will annually determine and account for the portion of the divisible surplus accruing on this policy. Dividends thus credited, at the option of the insured, may be:

First—Withdrawn in cash or applied toward the payment of

any premium or premiums; or Second—Applied to the purchase of paid-up participating life insurance additions to the policy, payable at the death of the Insured; or المناسات والمناسات والمراجع وا

Third—Left to accumulate to the credit of the policy with interest at not less than 3½ per cent per annum and payable at the death of the Insured, but withdrawable on any anniversary of the policy.

Unless the Insured shall have elected otherwise within two months after any dividend is due, the same shall be applied to the purchase of paid-up additions to the policy.

PAID-UP OPTION.—Upon written request and return of this policy for endorsement, any existing paid-up additions hereto will be used to convert this policy into a paid-up participating policy, without disability benefits, for its face amount, when the cash value of this policy as stated in the "Table of Guarantees," together with the cash value of such paid-up additions, equals the net single premium at the attained age of the Insured for such amount of insurance according to the American Experience Table of Mortality and 3½ per cent interest. Any indebtedness against this policy will continue as an indebtedness and lien against the paid-up policy.

ENDOWMENT OPTION,-ENDOWMENT OPTION,—If this policy becomes paid-up by its terms after the payment of the stipulated number of premiums, and terms after the payment of the stipulated number of premiums, and if none of said premiums has been paid by the Company on account of the total and permanent disability of the Insured, the Insured may elect to continue the payment of premiums of like amount (exclusive of the premium for disability benefits) for a further period of 9 years, and in consideration of such payments the face amount of this policy and a further sum of \$360.00 shall be paid to the Insured, if living on April 20, 1947, or the face amount of this policy shall be paid at the prior death of the Insured. If this option be elected any existing paid-up additions, if not surrendered for their cash value, shall be converted into paid-up endowment insurance additions and the guarantees under this policy shall thereafter be on the basis of endowment insurance maturing as described be on the basis of endowment insurance maturing as described above. The provision for the payment of premiums by the Company in event of the total and permanent disability of the Insured does, not apply to premiums becoming due under this option.

NONFORFEITURE PROVISIONS.

SURRENDER VALUES .-- (See "Table of Guarantees" on first page.)

Basis.—The "Table of Guarantees" on the first page hereof shows the values at the end of the respective policy years if premiums have been paid in full for the number of years stated and if there are no paid-up additions to the policy nor any indebtedness to the Company against the policy.

The values above referred to in the "Table of Guarantees" are equal to the reserve under this policy at the end of the respective policy years, computed according to the American Experience Table of Mortality and 3½ per cent interest, less a sum not in excess of 2½ per cent of the amount insured.

The cash surrender value of this policy at the end of any policy year shall be equal to the cash surrender value stated in the "Table of Guarantees" plus the reserve on any existing paid-up additions, less any indebtedness to the Company against this policy.

At the end of the third or any subsequent policy year, during the whole of which this policy shall have been in force, or within sixty days from the due date of any premium in default, the Insured

shall have the following options:

Extended Insurance.—(Column 2, "Table of Guarantees.")
Without any action on the part of the Insured, the Company will
extend the face amount of this policy and any paid-up additions
thereto (including that purchased by any current dividend then
due), less any indebtedness to the Company against this policy, as nonparticipating term insurance for such period as the cash surrender value, as above defined, will provide at the net single premium rate for the attained age of the Insured according to the American Experience Table of Mortality with interest at 3½ per cent. If the death of the Insured shall occur during the first year

of such extended insurance the premiums which would have been paid, if no default had been made, with interest, shall be deducted from the amount payable.

Paid-up Insurance.—(Column 3, "Table of Guarantees.") Upon written request of the Insured and the surrender of this policy the Company will issue a paid-up participating policy, payable as provided in this policy. The amount of such paid-up policy will be such as the cash surrender value, as above defined, will purchase at the net single premium rate for the attained age of the Insured according to the American Experience Table of Mortality with interest at 3½ per cent.

Cash.—(Column 4, "Table of Guarantees.") Upon written request of the Insured and the surrender of this policy, the Company will pay the then cash surrender value as above defined.

The extended insurance or paid-up policy granted under these nonforfeiture provisions will have cash surrender values according to the reserve thereon at the time of the surrender, computed upon the basis hereinbefore mentioned, less any indebtedness.

Loans.—After three full years' premiums have been paid and if no premium payment is in default, the Company will advance, on proper assignment of this policy and on the sole security thereof, a sum not exceeding the amount specified in Column 4 of the "Table of Guarantees" on the first page hereof and the reserve on any additions to this policy, deducting therefrom all indebtedness to the Company against this policy and any unpaid balance of premium for the current policy year. Interest at the rate of 6 per cent per annum shall be paid in advance to the end of the current policy year and shall be due and payable annually in advance thereafter, and if not so paid will be added to the principal and bear the same rate of interest. Such loan may be deferred for not exceeding six months after the application therefor is made. Failure to repay any such loan or interest shall not avoid this policy unless the total indebtedness to the Company on this policy shall equal or exceed such loan value at the time of such failure, nor until one month after notice shall have been mailed by the Company to the last known address of the Insured and assignee, if any.

DISABILITY BENEFITS.

If after one full year's premium has been paid in cash and while this policy is still in full force without default and not as paid-up or extended insurance under the nonforfeiture provisions and before the anniversary date of the policy nearest the Insured's attained age of 60 years, the Company receives at its Home Office due proof, in such form as it may require, that the Insured has become totally and permanently disabled as hereinafter defined, the Company will, without further apportionment of surplus to this policy and without deduction from the face of the policy at death or maturity and without affecting the cash and other values,

1. Pay to the Insured ten dollars per month per \$1,000 of insurance, said monthly payments beginning six months after the receipt of such proof and terminating with the last payment preceding the maturity of or settlement under this policy whether by the death of the Insured or otherwise; or such monthly payments shall terminate with the last payment preceding cessation of such disability if that is prior to such maturity or settlement; and will also,

2. Pay the premiums under this policy as they become due during the life or disability of the Insured, beginning with the premium due on the anniversary date of this policy next succeeding the

receipt of such proof.

Total and permanent disability hereunder is defined to be:

(a) The entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one, entire, foot; or

(b) The total and permanent inability through bodily injury or bodily or mental disease on the part of the Insured then and at any time thereafter to earn or obtain any wages, compensation or profit at any kind of work, occupation, business or profession.

Interest due on any outstanding indebtedness while this policy is in force by virtue of the disability provision shall be paid to the Company in cash or, if not so paid, shall be deducted from the monthly payments. All indebtedness on this policy shall be deducted in the settlement at maturity whether by the death of

the Insured or otherwise.

Prior to and after having approved proof of disability the Company may from time to time, but not oftener than once a year, demand proof of the existence and continuance of such disability and a physical examination of the Insured by an examiner appointed by the Company; and upon failure of the Insured to furnish such proof or to permit such physical examination to be made, or upon the Company being satisfied that the disability as above defined does not exist, the monthly payments and payment of premiums by the Company shall cease and determine and premium payments by the Insured under this policy shall be resumed. If thereafter the premium payments are not so resumed the liability of the Company under this policy shall cease and determine unless otherwise provided in this policy.

The liability of the Company under this disability clause shall terminate:

(a) If the extra premium for the disability benefits is not paid in accordance with the terms of this policy; or

(b) If this clause shall have been cancelled in writing by the

Insured; or

(c) If the Insured_shall voluntarily or involuntarily engage_in military or naval service in time of war, or in any ambulance, hospital or relief service in a civilian capacity involving actual field service.

This disability benefit is given in consideration of the application therefor and of the payment of an additional annual premium of \$18.90, which amount is included in the premium stated on the first page of this policy. Said additional premium shall be paid with the premium otherwise required under this policy and for the same period or until the anniversary date of this policy nearest the Insured's attained age of 60 years, should that be prior; but the payment of such additional premium and the liability of the Company under this disability clause shall terminate on the anniversary date of this policy nearest the Insured's attained age of 60 years, except that if the Insured shall furnish due proof to the Company that he has become totally and permanently disabled as hereinbefore defined after the anniversary date of this policy nearest such attained age of 60 years, the Company will, without further action on the part of the Insured, allow the subsequent premiums under this policy to accumulate with interest thereon at 5 per cent compounded annually as an indebtedness and lien against this policy until such time as the total indebtedness under this policy shall equal or exceed the cash value thereof, at which time this policy shall become null and void, subject to the notice provided for in the loan clause of this policy; but no monthly payments shall be payable hereunder if the disability occurs after the anniversary date of this policy nearest the Insured's attained age of 60 years.

20 PAYMENT LIFE ANNUAL DIVIDEND POLICY WITH DISABILITY BENEFITS.

No. 99999. AMOUNT, \$10,000.

AGE, 35. Premium, \$374.80.

THE MINNESOTA MUTUAL LIFE INSURANCE

COMPANY

OF MINNESOTA.

(Organized August 6, 1880)

In Consideration of the annual premium of Three Hundred Seventy-four and 80/100 Dollars, and of the further payment of a like sum on or before the First day of January in every year during the life of the Insured, or until premiums for Twenty full years shall have been duly paid,

Promises to pay at the Home Office of the Company in St. Paul, Minn., immediately upon receipt of due proof of the death of Richard Doe, of St. Paul, State of Minnesota, herein called the Insured, Ten Thousand Dollars, less any indebtedness hereon to the Company and any unpaid portion of the premium for the then current policy year, to his wife, Mary Doe, beneficiary with the right to the Insured to change the beneficiary in the manner hereinafter provided.

PAYMENT OF PREMIUMS.—Premiums are payable in advance at the Home Office of the Company, or to the agent or cashier holding the Company's official receipt therefor, signed by the President or Secretary, which receipt shall not be valid unless countersigned by said agent or cashier.

Premiums are payable annually in advance, but the Company will accept payment in semi-annual or quarterly instalments according to its published rates at the time this policy is issued. A change in the method of payment may be made at the end of any policy year upon written request for such change and upon payment before the expiration of the days of grace. Except as herein expressly provided the payment of a premium or instalment thereof shall not maintain this policy in force beyond the date when the next premium or instalment thereof is payable.

A grace of one month, not less than thirty days and without interest therefor, shall be granted for the payment of every premium or instalment thereof after the first, during which month the insurance shall continue in force. If the Insured shall die during the month of grace the overdue premium will be deducted from any amount payable hereon in any settlement hereunder.

SPECIAL DISABILITY FRATURE.—If the Insured, after payment of premium for the first policy year and before default in the payment of any subsequent year's premium and before attaining the age of 60 years, shall furnish satisfactory proof to the Company at its Home Office that he has become totally and permanently disabled by bodily injuries or disease, so that he is and will be permanently, continuously and wholly prevented thereby for life from performing any work for compensation or profit, or from following any gainful occupation, and that such disability has existed continuously for not less than sixty days, the Company by an endorsement in writing on this policy will waive the pay-

ment of all premiums becoming ide under this policy after the expiration of the then current policy year. Any premiums so waived shall not be deducted from the sum payable under the policy and the loan and cash values described on the second page hereof shall be the same as if such premiums were actually paid in cash. Provided, that notwithstanding proof of disability may have been accepted by the Company as satisfactory, the Insured shall at any time on demand furnish the Company with satisfactory proof of the continuance of such disability; and if the Insured shall fail to furnish such proof or if it shall appear to the Company that the Insured is able to perform any work or engage in any occupation whatsoever for gain, compensation or profit, payment of subsequent premiums shall then be resumed by the Insured as originally provided in the policy.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or both feet above the ankles, or of one entire hand and one entire foot, will be considered as total and permanent disability within the meaning of this provision.

If the Insured enter upon military or naval service in time of war this provision shall immediately cease and be void, and the annual premium on the policy shall thereafter be decreased by the amount charged for this disability benefit.

RIGHTS OF THE INSURED.—When the right to change the beneficiary is reserved, the Insured subject to any existing assignment of the policy, may without the consent of the beneficiary or beneficiaries, receive every benefit, exercise every right, and enjoy every privilege conferred by this policy.

PARTICIPATION.—This policy shall participate in the surplus of the Company. Upon payment of the second annual premium and at the end of the second and each subsequent policy year the Company will determine and account for the portion of the divisible surplus accruing hereon. Dividends, at the option of the owner of the policy, shall be either

(1) Paid in cash, or (2) applied toward the payment of any premium or premiums, or (3) applied to the purchase of participating paid-up additions to the policy, or (4) left to accumulate to the credit of the policy with interest at not less than 3½ per cent per annum and payable at the maturity of the policy, but withdrawable on any anniversary of the policy.

Unless the owner of this policy shall elect within three months after the mailing by the Company of a written notice requiring such election, the dividends shall be paid in cash. Paid-up additions are convertible into cash at any time, and if so converted their cash value will be the full reserve therefor on the American Experience Table of Mortality with interest at 3½ per cent per annum, not less however than the amounts of the original dividends.

Participating Paid-up, or Accelerative Endowment Options.—Whenever at the end of any policy year, the amount of the outstanding paid-up dividend additions, together with the amount of the "Paid-up Life Insurance" shown in the "Table of Guaranteed Values" below, shall equal or exceed the face amount of this policy, the Company upon written request will endorse the policy as participating paid-up insurance of that aggregate amount (subject to any existing indebtedness on the policy); or

Whenever at the end of any policy year, the amount of all outstanding dividend accumulations which have been left at interest, together with the reserve on the policy, shall equal or exceed the face amount of the policy, the Company upon proper written request and release, will mature and pay the policy as an endowment (less any existing indebtedness).

CHANGE OF PLAN.—While this policy is in full force it may be changed at any time without medical examination to any other form of Life or Endowment Policy in use by the Gempany at the

time this policy is issued (except a continuous income policy), but without any disability benefits, provided the rate of premium is not thereby diminished. For any such change the Company will require proper surrender of this policy, and the payment of an amount equal to the difference between the premiums under the new policy and those under this policy, with interest thereon from their respective due dates at the rate of 6 per cent compounded annually, due allowance being made for any difference in dividends. Provided however, that the amount required will not be less than the difference between the reserves under the respective policies at the date of such change; and provided further that if any such change be from Life to Endowment plan, any outstanding paid-up dividend additions, unless surrendered for cash, shall be converted into paid-up endowment additions maturing at the same time as the new policy, this conversion being effected at net single premiums on the American Experience Table of Mortality with interest at 3½ per cent per annum. The new policy shall be of the same number, rated age at issue, date of issue, and amount as this policy, and shall be at premium rates as now in use by the Company.

OPTIONS ON SURRENDER OR LAPSE.—After premiums have been paid hereon for three full years, this policy will have a value equal to the full reserve (omitting fractions of a dollar) on the policy and on any paid-up dividend additions, computed as of the date to which premiums have been paid and based upon the American Experience Table of Mortality with interest at 3½ per cent per annum, less any existing indebtedness to the Company on this policy.

Said value may be used at the option of the Insured in any one of the following three ways which are of equal value; (1) Collected in cash on written request and proper surrender of this policy before the expiration of the days of grace. The amount of any outstanding dividends which have been left to accumulate at interest will also be paid in cash in that event. Payment may be deferred by the Company for a period not exceeding ninety days. (2) Applied to the purchase of extended insurance, commencing from the date to which premiums have been paid, without future participation, and without the right to loans or cash values, for the face amount of the policy, plus any outstanding paid-up dividend additions and less any indebtedness hereon, and for such a term of yeans and months as said value taken as a single premium at the Insured's then attained age, will provide according to the American Experience Table of Mortality with interest at 3½ per cent per annum. Any outstanding dividends which have been left to accumulate at interest will be then paid in cash, or, if the Insured so elects before the expiration of the days of grace they may be left at interest but withdrawable on any subsequent anniversary of the policy or at the expiration of the term of extension. (3) Applied to the purchase of nonparticipating paid-up insurance, payable at the same time and on the same conditions as this policy, but without the right to loans or cash values, for such an amount as said value taken as a single premium at the Insured's then attained age, will provide according to the American Experience Table of Mortality with interest at 3½ per cent per annum. Written request must be made for this option, accompanied by this policy for surrender or endorsement at the Home Office before the expiration of the days of grace. Any dividends which have been left to accumulate at interest will be then paid in cash or if the Insured so effects before the expiration of the days of grace they may be left at interest but withdrawable on any

The figures in the following table are computed in accordance with the above provisions and upon the assumption that there is no indebtedness on the policy and that there are no outstanding dividends or dividend additions. Figures for years not shown will be furnished upon request and will be upon the same basis:

After premiums for three full years shall have been paid, if default occurs in payment of any subsequent premium, and if the Insured shall not elect before the expiration of the days of grace to have the value of the policy applied under option (1) or option (3), the value will be applied as provided in option (2). If default occurs before premiums for three full years have been paid this policy will have no value and the insurance will cease and determine.

REINSTATEMENT.—Unless surrendered for cash, this policy may be reinstated at any time after default upon the Insured furnishing evidence of insurability satisfactory to the Company, and upon payment of arrears of premiums, with interest at 6 per cent per annum on such premiums and on any indebtedness which existed at date of default, which indebtedness if not repaid shall be reinstated as a lien against the policy.

A part or the whole of the overdue premiums may be settled by a policy loan if the loan value of the policy after reinstatement will be sufficient security therefor and for any reinstated indebtedness.

Conditions and Privileges.—This policy and the application therefor, a copy of which is hereto attached and made a part hereof, constitute the entire contract between the parties and shall be incontestable after one year from the date hereof either as to travel, residence, occupation or otherwise, except for nonpayment of premiums and except for violation of the conditions of the policy relating to military or naval service in time of war. All statements made by the Insured shall in the absence of fraud be deemed representations and not warranties, and no such statement shall avoid this policy unless it is contained in the written application herefor.

If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age. If within one year from date hereof, the Insured shall die by his or her own hand or act, whether at the time sane or insane, the Company shall be liable only for the amount of the premium paid hereon.

During the first ten years of this policy military or naval service in time of war is a risk not assumed by the Company, unless within thirty-one days after entering upon such service, notice thereof shall be given to the Company by the Insured or on his behalf, and unless there shall be paid such extra premiums as the Company may fix for such service. In event of the Insured's entering upon such service and failing to give such notice or failing to pay such extra premiums at the times and in the manner required, the liability of the Company for subsequent death of the Insured while engaged in or as result of such service shall be limited to the regular policy premiums paid on this policy without interest, less any indebtedness hereon to the Company.

Assignment.—No assignment of this policy shall be binding upon the Company until it be filed with the Company at its said Home Office. The Company assumes no responsibility as to the validity or effect of any assignment, and any claim made by reason of any such assignment shall be subject to proof of interest and extent thereof.

Loans.—After three full years' premiums have been paid and while this policy is in full force by the payment of premiums, the Company will loan on the sole security of the policy and on proper assignment thereof, an amount not exceeding its cash value at the end of the then current policy year. Interest on loans will be at the rate of 6 per cent per annum, which if not paid annually shall be added to the principal and bear interest at the same rate. The Company will deduct from such loan any existing indebtedness. The Company will deduct from such loan any existing indebtedness or previous advances on the policy and any unpaid balance of premium for the current policy year, and may collect interest in advance on the loan to the end of the current policy year. Failure to repay any such advance, or to pay interest, shall not avoid this policy unless the total indebtedness hereon to the Company shall equal or exceed the cash value of the policy at the time of such failure, and until one month after notice shall have been mailed to the last known address of the Insured and of the assignee, if any. Consummation of loans may be deferred by the Company for a period not exceeding ninety days. No condition other than as herein provided shall be exacted as a prerequisite to any such advance.

Valuation.—The first year's insurance under this policy is term insurance.

CHANGE OF BENEFICIARY.—When the right to change the beneficiary has been reserved, or in case of the death of any beneficiary under either a revocable or irrevocable designation, the Insured subject to any existing assignment of the policy may at any time, and from time to time, nominate a new beneficiary by filing with the Company a written request duly acknowledged, accompanied by this policy for endorsement. Such change shall not take effect, however, until it has been endorsed upon the policy by the Company. When the right to change the beneficiary has not been reserved such right may be resumed by the Insured at any time by filing with the Company a written request signed by the Insured and the then irrevocable beneficiary or beneficiaries and duly acknowledged. The resumption of such right of change shall be operative when endorsed hereon. If there be no beneficiary surviving at the death of the Insured, the proceeds of this policy shall be payable to the Insured's executors, administrators or assigns. ficiary has been reserved, or in case of the death of any beneficiary be payable to the Insured's executors, administrators or assigns.

OPTIONS AT MATURITY.—The Insured, by written notice to the Company at its Home Office, and with the written consent of the assignee and irrevocable beneficiary, if any, may elect at any time and from time to time to have the net sum payable at maturity under this policy paid either in cash or as follows:

- (1) By the payment of interest thereon at 3½ per cent per annum, payable annually to the payee under this policy at the end of each year during the life of the payee and by the payment upon the death of the payee of the said net sum and accrued interest to the executors, administrators, or assigns of the payee, unless otherwise directed in said notice.
- (2) By the payment of equal annual instalments for a specified number of years, the first instalment being payable immediately, in accordance with the following table for each one thousand dollars of said net sum.
- (3) By the payment of equal annual instalments payable at the beginning of each year for a fixed period of twenty years or for so many years longer as the payee shall survive, in accordance with the following table for each one thousand dollars of said net This option cannot be selected if there be more than one payee. 40 952

Instalments payable under options (2) or (3) which shall not have been paid prior to the death of the payee shall be paid, unless otherwise directed in said notice, to the executors, administrators or assigns of the payee.

Unless otherwise specified by the Insured the payee may on any interest date receive the amount yet due under option (1), and may at any time receive the commuted value of payments yet to be made, computed upon the same basis as option (2) in the following table, provided that no such commutation will be made under (3) except after the death of the payee occurring within the aforesaid twenty years.

No change in mode of payment or revocation of any change shall take effect until endorsed on the Policy by the Company at its Home Office.

Loans will in like manner be made on security of a paid-up policy (but not on continued term insurance) for any amount up to the reserve thereon.

Loan insurance secured for this purpose shall be applied to the cancellation of any such indebtedness should the policy mature as a death claim. INSTALMENT PRIVILEGES.

The Insured may change the mode of payment of the proceeds of this policy, if the policy is not assigned, from payment in one sum to payment by equal annual instalments of any number from two to twenty-five, or in equal annual instalments for twenty years certain and to continue so long thereafter as the beneficiary shall live, in accordance with the tables below.

The instalment payments herein provided may be made annually, semi-annually, quarterly or monthly, and if made other than annually, the total of the fractional payments each year shall equal the annual payment as provided herein.

The Insured may subsequently change his selection under these instalment privileges; he may also revoke all selections, thereby making this policy again payable in one sum.

No selection, change or revocation shall take effect until endorsed on this policy by the Company; after endorsement, the policy will be returned to the Insured.

Payment of the first instalment shall be made immediately upon receipt of due proofs of death of the Insured, and subsequent instalments shall be paid annually, semi-annually, quarterly or monthly thereafter as may have been directed. If the beneficiary should die before the total number of instalments certain shall have been paid, the remainder of these instalments will be commuted at the rate of 3 per cent per annum and paid in one sum to the beneficiary's estate, unless otherwise directed by the Insured. Payment by continuous instalments cannot be selected if there is more than one beneficiary under this policy, or if the beneficiary is a corporation, a firm or the Insured's estate.

The beneficiary can neither assign nor commute unpaid instalments, unless such right is given by the Insured to the beneficiary when payment in instalments is directed.

The following tables are based upon a policy of \$1,000 and will apply pro rata to the amount payable under this policy.

TRUST FUND PRIVILEGE

By written agreement between the insured and the Company made while this policy is in force and not assigned, the proceeds of this policy as a death claim, if not less than \$1,000, or any part of such proceeds not less than said amount, may be placed in trust with the Company for the purpose of paying the beneficiary a guaranteed income thereon at the rate of not less than three per cent per annum until the termination of the trust, or until the death of the beneficiary, whereupon the amount thus placed in trust may be withdrawn by the beneficiary, if living, or, if not living, by the beneficiary's executors, administrators or assigns. The first payment of income shall be made one year after receipt of due proof of the death of the insured, and subsequent payments shall be made annually thereafter. The insured may subsequently revoke the

trust, thereby making this policy again payable as provided on the first page hereof. The beneficiary cannot withdraw the amount placed in trust, unless such right is given by the insured to the beneficiary upon creation of the trust.

DIVIDENDS ON INSTALMENT BENEFITS AND TRUST FUND PRIVILEGE

Each instalment certain, except the first, and each payment of interest under the above privileges will be increased by such annual dividend from the interest earnings as may be apportioned by the Company.

MISSOURI STATE LIFE INSURANCE COMPANY.
TOTAL AND PERMANENT DISABILITY BENEFITS.

Monthly Life Income and Waiver of Premiums.
Policy No. 99999.

Supplemental Contract issued in connection with and forming a part of the above described policy.

of Eighty-Three and 30/100 Dollars each month, under the above mentioned policy, to the aforesaid Insured, if the said Insured shall become totally and permanently disabled before attaining age sixty as hereinafter defined, subject to the conditions herein set forth. The first payment of such annuity shall be made six months after receipt by the Company of due proof of total and permanent disability as herein defined, and subsequent payments shall be made monthly thereafter as long as the Insured lives and continues to be totally and permanently disabled. The last payment of such annuity shall be made on the due date immediately preceding the date of the death of the Insured.

The Company will also pay for the Insured the premiums required hereon for every policy year following the date of approval by the Company of proof that the Insured has become totally and permanently disabled before attaining age sixty as hereinafter defined.

The Company will also allow all premiums required hereon for every policy year following the date of approval by the Company of proof that the Insured has become totally and permanently disabled after attaining age sixty as hereinafter defined to accumulate without interest as an indebtedness hereon.

The face amount of the principal policy shall not be decreased because of any income payments nor because of any premiums waived because of disability occurring before age sixty, nor shall such income annuity payments or waived premiums be deducted in any subsequent settlement of the policy, and the policy will continue in full force to maturity with loan, cash and other guaranteed values increasing from year to year in like manner as if the premiums were being duly and regularly paid by the Insured, and if the principal policy be on the participating plan it will share annually in the profits of the Company.

The total and permanent disability referred to herein may be due either to bodily injuries or to disease occurring and originating while this contract is in full force after one year's premium has been paid hereon but not before six months from the date hereof, and must be such as to prevent the Insured then and at all times thereafter from engaging in any gainful occupation. Such disability must not result directly or indirectly in whole or in part from any injuries wilfully self-inflicted. At any time after approval by the Company of the aforesaid proof and from time to time it may demand of the Insured proof of the continuance of such disability and upon failure to furnish such proof or if it appears that the Insured has recovered so as to be able to engage in any gainful occupation, the Company's obligations hereunder shall cease and the Insured shall be required to pay the premiums becoming due on this policy after the date of such recovery in accordance with the original terms thereof.

The Company shall have the right and opportunity to examine the person of the Insured fully and as often as it may reasonably require during the pendency of claim hereunder and not oftener than once a year after claim has been approved.

Any reduction on a premium paying basis in the face amount of the principal policy will cause a proportionate reduction in the amount of the benefit payable hereunder.

The Company reserves the right to require proof of date of birth at the time proof of disability is furnished.

Nothing herein will change any of the requirements of the principal policy as to payment or charging of any indebtedness or interest on any indebtedness outstanding at the time the Insured becomes totally and permanently disabled.

This Supplemental Contract shall become null and void if the Insured shall engage in military or naval service in time of w provided that upon presentation after the termination of

service of evidence satisfactory to the Company, that the Insured is acceptable, the said benefits will again become operative.

In the event of the total and permanent disability of the Insured neither the privilege of exchange nor any endowment option will be available.

The disability benefits herein provided shall not be available while the principal policy is being continued in accordance with any nonforfeiture option, nor shall they cover any person who is over the age of fifty-four years at the date of this Supplemental Contract.

Any premium paid to the Company for any period not covered by this Supplemental Contract will be returned.

The benefits herein referred to are granted in consideration of Sixteen and 20/100 Dollars to be paid in advance and the annual payment of a like sum to the said Company on or before the First day of every April thereafter in the same manner and for the same original period as is set forth in the principal policy. The premiums stated in the principal policy include the additional premium here mentioned.

This Supplemental Contract may be terminated on any anniversary of this policy on written request of the Insured in which event the premium thereafter payable shall be reduced by the amount of the additional premium aforementioned.

This Supplemental Contract is issued on the non-profit-sharing plan.

IN WITNESS WHEREOF, the MISSOURI STATELIFE INSURANCE COM-PANY has by its President and Secretary signed this Supplemental Contract, this First day of April, 1918.

To have the Beneficiary changed. This change may be

made at any time and from time to time while the Policy is in force, or within one month from default in premium payments.

2. To have the whole, or any designated fraction, of the proceeds of this Policy at its maturity retained by the Company until the death of the Beneficiary, the Company in the meantime to pay the Beneficiary interest on the amount so retained at the rate of three per centum per annum, the first

interest payment to be made one year after the maturity of this Policy, and the last interest payment to be a pro rata one for the expired fraction of the year in which the Beneficiary dies. At any interest date, the Beneficiary may withdraw the amount retained by the Company, in which case the interest payments will cease.

3. To have the whole, or any designated fraction, of the proceeds of this Policy at its maturity paid in a specified number (not exceeding thirty) of equal annual instalments, as shown by the accompanying table, the first instalment being payable immediately.

4. To have the whole, or any designated fraction, of the proceeds of this Policy at its maturity paid in equal annual instalments continuing during the lifetime of the Beneficiary, as shown by the accompanying table, the first instalment being

payable immediately.

When either of the instalments payable under Privilege No. 3, or of the instalments certainly payable under Privilege No. 4, shall fall due, the Company, if requested, will pay the then Present or Commuted Value of such instalments computed at three per centum interest compounded annually, as shown by the accompanying table. The commutation of a part or the whole of the instalments certainly payable under Privilege No. 4 will not affect the amounts payable thereunder after the term during which the instalments certain would have been payable.

The right of withdrawal under Privilege No. 2, or of commutation under Privileges Nos. 3 and 4, will be withheld from

the Beneficiary if the Insured shall so direct.

If the Policy be not assigned the Insured may revoke the request to have settlement made in accordance with Privilege No. 2, or No. 3, or No. 4.

Unless otherwise directed by the Insured, the Company at the maturity of this Policy will extend to the Beneficiary Privilege No. 2, or No. 3, or No. 4.

DIVIDENDS.

Upon payment of the second year's premium, and at the end of the second and of each subsequent Policy year, this Policy while in force will be credited with such Dividends as may be apportioned by the Directors, and such Annual Dividends will include the portion of the divisible surplus accruing hereon. Dividends thus credited will be paid in cash, or, at the option of the Insured, will be applied either in reduction of premiums, or upon the Addition or Accelerative Endowment plan; but if Dividends have been applied upon the Addition plan, subsequent Dividends cannot be applied upon the Accelerative Endowment plan, or vice versa. If settlement of this Policy be made in accordance with Privilege No. 2, or No. 3, or No. 4, the stipulated payments under Privilege No. 2 or No. 3, or the instalments certainly payable under Privilege No. 4, will be increased by such Annual Dividends as may be apportioned by the Directors, but such Dividends will be payable only in cash.

Under the Addition plan Dividends are applied to the purchase of additional participating insurance (herein referred to as Dividend Additions) payable with the Policy, such insurance being purchased at the Company's rates therefor published and in force at this date. This Policy may be converted into a fully Paid-up Participating Policy payable at the same time as this Policy, subject to any outstanding indebtedness on this Policy, whenever the Reserve on such Additional Insurance, together with the Reserve on the original Policy, computed on the basis hereinbefore mentioned, shall equal the Net Single Premium therefor, computed on the same basis.

Under the Accelerative Endowment plan Dividends are applied to the conversion of the Policy Into an Endowment payable at a specified and gradually diminishing age; or, if pre-'errod, into a fully Paid-up Participating Policy payable at the same time that this Policy is payable according to its terms.

(c) to surrender this Policy for non-participating paid-up life insurance without Disability Benefits payable at the same time

and on the same conditions as this Policy.

The cash value under option (a) will be the reserve for the face amount of this Policy and for any dividend additions hereto at the date of default (or at the date of surrender if all premiums provided for by the terms of the Policy shall have been duly paid) less a surrender charge which, in no case, shall be more than one and one-half per centum of the face amount insured by this Policy; after premiums have been paid for ten full years or more there shall be no surrender charge.

The term for which the insurance will be continued under option (b), or the amount of the paid-up life insurance obtainable under option (c), will be such as the net cash value obtainable under option (a) will purchase at the attained age of the Insured

at date of default when applied as a net single premium.

In the event of default in payment of premium, if this Policy shall not, within three months after such default, have been surrendered to the Company at its Home Office for its cash value as provided in option (a), or for paid-up insurance as provided in option (c), the insurance will be automatically continued as provided in option (b).

LOANS.—At any time while this Policy is in force, provided at least three full years' premiums shall have been paid and no premium is in default, the Company will advance, on proper assignment and delivery of this Policy and on the sole security hereof, an amount which, with interest thereon to the end of the current policy-year, shall be equal to, or at the option of the owner less than, the cash value at the end of said year: any existing loan hereon with accrued interest, and any unpaid portion of said current policy-year's premium shall be paid out of such advance. Interest on the loan shall be at the rate of six per centum per annum and shall be payable at the end of each policy-year, and this interest, if not paid when due, shall be added to the existing loan and shall bear interest at the same rate. The loan with accrued interest may be repaid to the Company at any time. (If a loan is desired before three full years' premiums have been paid, the unpaid balance of the three full years' premiums may be paid by deduction from the loan when made if the amount which can be loaned is sufficient.) the loan when made if the amount which can be loaned is sufficient.)

TABLE OF SURRENDER AND LOAN VALUES.

The values hereunder (computed in accordance with the above provisions and upon the assumption that premiums have been paid in full for the number of years the "Policy has been in force") apply to a Policy for \$1,000. As this Policy is for \$10,000, the values, i. e. the cash, loan, or paid-up life insurance, will be ten times the amounts stated in the table; the term, i. e. the continued insurance, will be for the period stated irrespective of the amount of the Policy.

If there be any dividend additions to the credit of the Policy, or if premiums have been paid for any part of a year beyond the last preceding anniversary, the values and, in certain cases, the term will be increased; if there be any indebtedness on the Policy, the values and the term will be decreased; any dividend deposits will also be payable in cash; the figures contained in the table represent the actual amounts available after deduction of the surrender charge, if any, but assuming no dividend additions or indebtedness.

Any excess interest shall be paid annually on the anniversary of the date of issue of the supplementary contract and, where the instalments under mode of settlement (2) or (3) are payable fractionally throughout the year as hereinafter provided, such excess interest shall be calculated on the assumption that the instalments are paid annually at the commencement of each supplementary contract year.

(b) The above table of values represents the full reserves according to the American Experience. Table of Mortality with interest at three per cent less deductions (already made) in the amount applicable to purchase continued insurance of not exceeding at any time two and one-half per cent of the amount insured and in the cash or loan values of not exceeding one per cent of

the amount insured up to the end of the seventh policy year, said values for the eighth and any subbsequent year being the full reserve; and with no deduction at any time in paid-up insurance. The corresponding values for intervening and subsequent years will be extended on request upon a like basis of calculation. To these cash surrender or loan and paid-up insurance values will be added in any settlement the full reserve or face values respectively of any dividend additions in force.

- (c) Should default occur in the payment of any quarterly or semi-annual premium within the policy year, the cash or paid-up or continued insurance values will be the values at the beginning of the year plus a proportionate part of the increase in values by the table for such year.
- (d) Any indebtedness to the Company on account of this policy, unless otherwise provided in this policy, will be deducted from the cash value and will also proportionately reduce the value applicable to purchase paid-up insurance and applicable to determine the amount at risk under continued insurance.
- (e) Paid-up and continued insurance may be surrendered at any time for a cash value, computed upon the basis of calculation specified in paragraph (b) preceding.

Loans. After three full annual premiums have been paid, the Company will loan upon the sole security of this policy at any time while continued in force, and upon receipt by it of this policy duly assigned, up to the limit secured by the above specified cash or loan values at the end of the policy year within which application for the loan is made. The rate of interest on such loan shall not exceed six per cent per annum and if such interest be not paid, when due, it shall be added to the principal until the limit of said cash surrender value has been reached, whereupon, if then the interest be not paid, the policy shall become null and void, but not until one month after notice shall have been mailed by the Company to the last known address of the person to whom the loan was made and of the Insured and any assignee. All or any part of a loan may be paid at any time while the policy is in force.

Loans will in like manner be made upon a paid-up policy (but not on continued insurance) up to the limit secured by its cash value.

Note.—No loan will be made if the Insured or any beneficiary is a minor, or cannot make a legal transfer.

PREMIUM PAYMENTS. All premiums, both first and renewal, are payable at the Home Office or to an agent of the Company upon delivery, on or before date due, of a receipt signed either by the Secretary or Actuary of the Company and countersigned by said agent. Notes for premiums will be accepted on the sole signature of the Insured, provided this policy be not duly assigned, so long as the free loan value of the policy is sufficient security therefor, and such notes will be a lien on the policy as fully as if executed by all persons having an interest therein. All, or any part

of a premium note may be paid at any time while the policy is in force.

Premium payments, on written request of the Insured to the Home Office, may be changed so as to be made payable annually, semi-annually or quarterly, in accordance with the published rates in force at date of issue.

GRACE. A grace of thirty-one days will be granted for payment of every premium after the first, holding the insurance in full force, but if death occurs during said period, the overdue premium will be deducted in any settlement of this policy.

INSTALMENT SETTLEMENTS. (a) The Insured, provided this policy has not been assigned, on written notice to the Company and the return of this policy for such endorsement, may provide for the payment of its proceeds as follows:

- (1) To have the Company retain all or part of such proceeds, subject to its payment annually to the beneficiary of three per cent interest thereon, first payment one year after maturity of this policy. If this mode of settlement is used, the Company will on the death of the beneficiary pay the principal sum, with pro rata interest to date, to the executors, administrators or assigns of said beneficiary, or at any anniversary, upon request of the beneficiary, unless it has been otherwise ordered by the Insured, it will pay the principal sum in full in determination of its entire obligation.
- (2) To have all or any part of such proceeds paid to the beneficiary in equal yearly instalments certain as per table on fourth page hereof, first payment immediate.
- (3) To have all or any part of such proceeds paid to the beneficiary in a given number of instalments certain and also during the after lifetime of the beneficiary, first payment immediate, as per table on fourth page hereof.

Fractional Payments. (b) The Instalment Settlements will be paid yearly, half-yearly, quarterly or monthly, as written notice to the Company may direct, and the half-yearly, quarterly and monthly payments will bear such ratio to the annual payments appearing in the table as the decimal in the table specifies; but no form of Instalment Settlements will be granted which calls for a periodical payment of less than ten dollars.

BENEFICIARY RIGHTS. (c) The guarantees next immediately preceding are subject to these further mutual understandings: The Company will pay the beneficiary at any time the commuted value of unpaid instalments certain, computed at three per cent interest yearly, unless otherwise directed by written notice from the Insured. The beneficiary may make use of any of the modes of payment by instalments herein provided unless the Company has been otherwise directed by written notice from the Insured and provided this policy does not stand assigned.

SURPLUS INTEREST PARTICIPATION. Interest payments under paragraph (1) and instalment certain settlements under paragraphs (2) and (3), will include the share of surplus interest apportioned on account of this policy by the directors of the Company, to be paid annually beginning with the first annual interest payment or on the anniversary of the payment of the first instalment certain.

POST MORTEM DIVIDEND. If this policy after one year from its date becomes a claim by death, a mortuary dividend will be paid in cash in addition to the policy proceeds.

CONVERTIBILITY. While this policy is in full force and on proper application by the Insured, the Company will at any anniversary date change it, without medical re-examination, to any form of participating insurance then issued by it which requires a higher premium rate, on the payment of such an amount as may be required by the Company for such change. The new policy shall bear the same date and be for the same amount as this policy.

ACCHIRATIVE PAID-UF POLICY. Whenever at the end of any policy year the reserve of the policy and of any reversionary additions plus the accumulation of dividends left with the Company is sufficient to buy paid-up participating insurance for the face of the policy the Insured may, on his written application made to the Home Office, have the policy converted to paid-up participating life insurance computed on the basis of a net single premium according to the American Experience Table of Mortality with interest at three per cent.

ACCELERATIVE ENDOWMENT. When the aggregate amount of reserves and accumulations left with the Company equals the face amount of this policy the Company will, on legal surrender, pay such amount as a matured endowment less any indebtedness to the Company hereon or secured hereby.

REINSTATEMENT. In case of lapse of this policy, provided it has not been surrendered to the Company, it may be reinstated at any time on written application therefor, and upon satisfactory evidence of insurability and the payment of all its premium arrears and reinstatement or payment of any indebtedness existing at the date of original default, with interest not exceeding six per cent per annum.

MISSTATEMENT IN AGE. If the age of the Insured has been misstated, on satisfactory proof thereof the amount payable under this policy shall be such as the premium would have purchased at the correct age, or at the option of the Insured the premium may be adjusted and credit given to the Insured or to the Company, according to the Company's published rate at date of issue.

Assignments. The Company assumes no responsibility for the validity of any assignment of this policy, nor will any assignment of this policy be recognized until it has been duly filed with the Company at its Home Office.

Note.—The claim of any assignee shall be subject to proof of interest. The interest of any minor (beneficiary or assignee) must be released by a legally appointed guardian, duly authorized by the appointing court before any adjustment of this policy will be made.

SETTLEMENT. Any indebtedness to the Company on account of this policy, including any deferred premiums for the uncompleted policy year, will be deducted in any settlement of this policy as a claim by death.

REPRESENTATIONS. All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this policy or be used in defence of a claim upon it unless contained in the written application and unless a copy of the application is endorsed on the policy when issued.

ALTERATIONS. No one except the President, a Vice President, Secretary or Actuary of the Company, has power, in behalf of the Company, to make or modify this policy, to extend the time for paying any premium, to waive any forfeiture, or to bind the Company by making any promises or by accepting any representation or information not contained in the application for this policy. These powers will not be delegated.

Limitation of Action. No action at law or in equity shall be commenced against the Company for claim under this policy after six years from the time cause of action shall accrue, and it is agreed that, in case of claim by death, cause of action, if any, shall accrue on the date of death of the Insured.

Notice to Members. The Insured is hereby notified that all claims under this policy are payable at the Home Office in Montpelier, Vermont; that he is a member of the National Life Insurance Company during the continuance of this policy and of any paid-up or continued insurance arising therefrom, and that the annual meetings of the Company are holden at its Home Office in Montpelier, Vermont, on the 3rd Tuesday of January, in each year, 10. o'clock A. M.

WAR CLAUSE.

If within five years from the date of this policy the insured shall engage in military or naval service in time of war, the liability of the Company in event of the death of the insured while so engaged, or within six months thereafter, will be limited to the return of the premiums paid hereon, exclusive of any extra premium paid for military or naval service, less any indebtedness to the Company hereon; unless before engaging in such service or within thirty-one days thereafter, the insured shall

- Pay to the Company at its Home Office in Montpelier. Vermont, such extra premium as may be required by the Company, and
- (b) In like manner pay annually thereafter on each anniversary of this policy or within thirty-one days thereafter while the insured shall continue to be so engaged such extra premium as may be required by the Company.

The above grace of thirty-one days granted for the payment of extra premiums will hold the insurance in full force for that period, but if death occurs during such period the over-due extra premium will be deducted in any settlement of the policy.

Within one year after the determination of the war the Com-

pany will return such portion of the extra premiums as in its judgment will not be required to cover the extra hazard.

ENDOWMENT Provision.—If the Insured be living and all premiums shall have been duly paid, this Policy will mature for its face amount and become payable as an endowment to the Insured or legal holder hereof, at the end of the policy year falling nearest to age 85 of the Insured, which date is the end of the endowment period of this Policy; and this contract shall thereupon cease and determine.

CHANGE OF BENEFICIARY.—The Insured shall have the right, at any time when this Policy is in force and not assigned, to change the Beneficiary or Beneficiaries, in accordance with the rules of the Company, by filing with the Company a written request for the change desired and presenting the Policy for endorsement, such change to take effect upon endorsement of the same upon the Policy by the Company.

The Total and Permanent Disability Benefit Provision attached hereto is hereby expressly referred to and made a part of this

contract.

BENEFITS, PRIVILEGES AND PROVISIONS.

Incontestable after one year from its date, except for nonpayment of premium, and except for violation of its conditions in regard to military or naval service in time of war. If, however, the age of the Insured has been misstated, the amount payable under this Policy, either within or after the contestable period, shall be such amount of insurance as the premium paid would have purchased at the rate for the correct age of the Insured. Age will be admitted on satisfactory proof.

The Insured may serve in the militia in time of peace, or for

The Insured may serve in the militia in time of peace, or for the purpose of preserving order in case of riot; but in time of war a written permit must be obtained from the Company for military or naval service. On written request and payment of the extra premium charged therefor, a permit will be granted for military or naval service in time of war. In case of the death of the Insured while engaged in or as a result of military or naval service in time of war without such permit, the liability of the Company shall be limited to the reserve hereon.

GRACE IN PAYMENT OF PREMIUMS.—A grace of one month (not less than thirty days), without interest, will be allowed in the payment of each premium after the first, during which month the

insurance will continue in force; and if the Insured shall die within the month of grace, the unpaid premium for the current policy year will be deducted from the amount payable under this Policy.

REINSTATEMENT.—This Policy, if not previously surrendered to the Company, will be reinstated at any time after date of default in payment of premium, upon written application therefor accompanied by proof of insurability satisfactory to the Company, and upon the payment of premiums to date of reinstatement, with interest at the rate of six per cent per annum, and payment or reinstatement, with interest at contract rate, of any indebtedness existing at the date of such default.

Cash Loans.—At any time while this Policy is in force under its original premium paying condition, the Company will advance on proper assignment of the Policy and on the sole security thereof any sum not exceeding the cash surrender value of the Policy at the end of the current policy year, less any outstanding indebtedness on or secured by the Policy and any unpaid balance of the premium for the current policy year. Interest on any such loan will be at the rate of six per cent per annum and will be payable in advance to the end of the current policy year and annually in advance thereafter. Failure to repay any such advance or loan or to pay interest, shall not avoid the Policy unless the total indebtedness thereon to the Company shall equal or exceed the loan value at the time of such failure, nor until one month (not less than thirty days) after notice shall have been mailed by the Company to the last known address of the Insured and of the assignee, if any. The Company shall have the right to defer the making of any loan available under this Policy (unless such loan is for the purpose of paying renewal premiums on policies of this Company) for a period not exceeding ninety days from receipt of written application for loan.

NON-FORFEITURE PROVISIONS

VALUES UPON SURRENDER OR LAPSE.—After premiums shall have been paid hereon for three full years, in case of default in premium payments, the Insured or the legal holder hereof shall be entitled:

payments, the Insured or the legal holder hereof shall be entitled:

CASH SURRENDER VALUE.—To receive the Cash Surrender Value of this Policy, upon legal surrender thereof to the Company at its Home Office within two months after date of default. Payment of cash value may be deferred by the Company for not to exceed ninety days from receipt of written application therefor by the Company; or,

PAID-UP INSURANCE.—Upon written application and legal surrender of this Policy to the Company at its Home Office, within two months after default, to have this Policy reissued by endorsement as a Paid-Up Non-Participating Policy payable at the same time and on the same conditions as this Policy, for such amount as the Cash Surrender Value of this Policy, less any indebtedness thereon, will purchase, applied as a net single premium at the attained age of the Insured, according to the American Experience Table of Mortality, with interest at the rate of three and one-half per cent. per annum; or,

EXTENDED INSURANCE.—To have the Policy automatically extended in force from date of default, without the right to loans, for its face amount less any indebtedness thereon, for the number of years and complete months which the Cash Surrender Value of this Policy at date of default, less any indebtedness thereon, will purchase, applied as a net single premium at the attained age of insured, according to the American Experience Table of Mortality, with interest at the rate of three and one-half per cent. per annum. If the sum applicable to purchase extended insurance be more than sufficient to extend the insurance to the end of the endowment period of the Policy, then the balance will be applied to the purchase of a non-participating pure endowment payable to the Insured er the legal holder hereof, at the end of the endowment period, on which date the insurance shall cease.

The Cash Surrender Values of this Policy, as set forth in the following table, are the full reserve thereon, according to the American Experience Table of Mortality with interest at the rate

of three and one-half per cent. per annum.

The figures in the following table are computed in accordance with the foregoing provisions and upon the assumption that there is no indebtedness on the Policy. They are stated for completed insurance years only, and in case of default in payment of premium due at an intermediate period, the non-forfeiture values will be computed on the same basis as the corresponding values for the end of the policy year last expired, and subject to the same conditions.

This Policy, together with the application therefor, a copy of which is hereto attached and made a part hereof, shall constitute

the entire contract between the parties hereto.

All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties; and no such statement shall avoid this Policy unless it is contained in the written application therefor, a copy of which application is attached hereto.

Agents are not authorized to alter or modify this Policy of Insurance, or to extend the time for the payment of any premium. This Policy is not entitled to participate in the profits or divisible surplus of the Company.

The Company, upon request, will furnish blanks for proof of teath under this Policy. Proof of death must be furnished to the Company at its Home Office in Chicago, Illinois.

All premiums are payable at the Home Office, but will be accepted elsewhere if paid to an agent in exchange for a receipt, signed by the President, Vice-President, Secretary or Actuary and countersigned by the agent designated thereon. This insurance is granted upon condition that all premiums be promptly paid when due, and failure to pay any premium, or any part thereof, when due, shall forfeit and cancel this contract and terminate all obligations be Company under this Policy, except as herein otherwise pro-

vided. No act or series of acts upon the part of the Company in sending premium notices and accepting premium payments after maturity shall constitute or evidence a waiver of the provisions of this paragraph.

The insurance under this Policy is based upon annual premiums, payable in advance, but premiums may be paid in semiannual or quarterly instalments, in advance, at the option of the Insured, as follows: \$162,30 semi-annually, carrying the insurance for six months; or \$2.70 quarterly, carrying the insurance for three months; with one month of grace on each premium after the first as elsewhere provided herein.

Any assignment of this Policy must be acknowledged and made in duplicate, and both copies must be sent to the Home Office, one of which will be returned with endorsement. The Company will not assume responsibility for the validity of any assignment, and any claim arising under an assignment will be subject to satisfactory proof of insurable interest. Forms for assignment will be furnished by the Company.

Any indebtedness to the Company on this Policy will be deducted in any settlement thereunder.

The Reserve Values on this Policy are computed according to

the American Experience Table of Mortality, with interest at the rate of three and one-half per cent. per annum.

OLD AGE INCOME BENEFIT.

On the First day of June, 1947, being the anniversary date nearest to age sixty-five of the Insured, if this Policy shall be in full force on said date and free from indebtedness, and if all premiums falling due prior to said date shall have been paid, then on legal surrender of said Policy to the Company, a supplementary contract will be issued in lieu thereof, providing for the payment to the Insured or legal holder hereof, without further payment of premiums, of annual instalments of \$640.80 each, said annual instalments to be paid during the remaining lifetime of the Insured.

At the option of the Insured or the legal holder hereof, payment will be made in monthly instalments in lieu of annual instalments.

The payment of the first instalment shall be made on the above mentioned date, and payment of subsequent instalments shall be made either annually thereafter, or monthly thereafter, according to the plan of payment selected.

If the Insured should die before a total of ten annual instalments or a total of one hundred twenty monthly instalments shall have been paid, then the remaining annual instalments to make ten annual instalments in all, or the remaining monthly instalments to make one hundred twenty monthly instalments in all. shall be commuted on the basis of interest at the rate of three and one-half per cent. per annum, and be paid to the legal representatives of the Insured or to the legal holder hereof, which said

payment shall constitute settlement in full of said supplementary contract.

Note.—To obtain the amount of the monthly instalments, multiply the amount of the annual instalment shown in the first paragraph by the decimal .08465.

INSTALMENT OPTIONS.

This Policy is issued payable in one sum on the death of the Insured, but the Insured may at any time, upon written consent of the assignee or irrevocable beneficiary, if any, change the manner of such payment from one sum to such number of limited instalments as the Insured may elect, as provided in the following Table of Limited Instalments, by giving written notice to the Company at its Home Office in Chicago, Illinois, accompanied by this Policy for endorsement. The Insured may at any time during his lifetime in like manner direct that the beneficiary shall have the right, when any instalment becomes due, to commute and receive in one sum the then present cash value of all unpaid instalments, computed on the basis of interest at the rate of three and one-half per cent. per annum. The beneficiary, without such direction, shall not have such right.

In like manner, the Insured may, if there is but one beneficiary under the Policy, direct that the proceeds of the Policy shall become payable in continuous instalments during the lifetime of the beneficiary; the amount of each instalment, according to the age at last birthday of the beneficiary, at date of death of the Insured, being indicated in the following Table of Continuous Instalments.

In tike manner, the Insured may at any time subsequently change any selection of Instalment Benefits; or revoke any selection, thereby making this Policy again payable in one sum.

In the event of the death of the beneficiary after the maturity of this Policy and before the payment of the total number of instalments payable hereunder, the executor or administrator of such beneficiary shall have the right to commute into one cash payment the then present value of the unpaid instalments, computed on the basis of interest at the rate of three and one-half per cent. per annum.

The first instalment under this Contract shall be due immediately upon receipt of due proof of the death of the Insured, and subsequent instalments shall be paid annually thereafter, upon each succeeding anniversary of the first payment, until all instalments due shall have been paid.

The following tables are based upon \$1,000.00 of insurance, and will apply pro rata to the amount payable under this Policy, in event of the death of the Insured while this Policy is in force. If, hence, the amount due is less than \$1,000.00, it shall be paid in and not in instalments.

Provision for

Total and Permanent Disability Benefit.

Attached to and forming a part of Policy No. 99,999.

- After one full year's premium shall have been paid and before default in payment of any subsequent premium, if the Insured prior to attaining the age of sixty years shall furnish to the Company due proof that he has become totally disabled by bodily injury or disease, while said Policy is in force, so that he is and will be permanently, continuously and wholly prevented thereby for life from performing any work for compensation or profit or from following any gainful occupation, the Company by endorsement upon said Policy will agree to pay for the Insured the subsequent annual premiums, if any, as they shall become due. Any premium or premiums paid by the Company as above provided shall not be a lien upon said Policy, and the loan and surrender values provided therein shall be the same as though premiums had been paid in cash. In addition to, or independently of, all other causes of total and permanent disability, the Company will consider the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrist, or both feet at or above the ankles, or of one entire hand and one entire foot, as total and permanent disability within the meaning of this provision.
 - 2. One year after receipt of due proof of disability as provided in paragraph 1, the Insured or the legal holder may draw a um equal to one-tenth of the face amount of said Policy, and a

like sum annually thereafter during the continuance of such disability. The Policy must be returned to the Company for endorsement thereon of each payment. In the event of death of the Insured before the total sums so drawn equal the face amount of the Policy, the difference between the amount drawn and the face amount of the Policy at date of disability shall become payable to the beneficiary under said Policy or to the legal holder thereof.

- 3. If the Insured after he has attained the age of sixty shall furnish proof of disability as required under paragraph 1 above, the Company, by endorsement on said Policy, will agree to waive the payment of all premiums falling due after receipt of such proof, but in that event the amount payable at maturity of the Policy or as a cash surrender value or loan value shall be reduced by the amount of the premiums so waived without interest and the paid-up surrender value shall be correspondingly reduced.
- 4. Each payment made under the terms of paragraph 2 above shall reduce, by its amount, the sum insured. If at the time any such payment becomes due, there shall be an indebtedness on said Policy in excess of the cash surrender value of the reduced amount of insurance, the Company will apply such part of the payment as may be necessary to reduce the indebtedness, including accrued interest, to the amount secured by such cash surrender value.
- 5. It is expressly agreed, however, as a condition precedent to the continuation of premium payments or instalment payments by the Company, that as often as required by the Company, but not oftener than once a year, the Insured shall furnish satisfactory proof of the continuance of such total disability; and if the Insured shall recover so as to be able to engage in any gainful occupation, the Company's obligation to pay the premium or to pay instalments, shall thereupon cease and the Insured shall resume payment of the premiums in accordance with said Policy on the first premium due date following such recovery. But if the amount of the insurance shall have been reduced under any of the foregoing provisions, such reduced amount of insurance shall thereafter be the face amount of the Policy and the premiums thereafter falling due, as well as all benefits under the Policy, will be reduced in proportion to the reduced amount of insurance.
- 6. This Total and Permanent Disability Benefit Provision is issued in consideration of an extra premium of \$6.90 per annum, which is included in the whole annual premium under said Policy. On any anniversary of said Policy, this disability provision may be cancelled in writing by the Insured in which event the Policy shall be returned to the Company for endorsement, and all subsequent annual premiums falling due will be reduced by the amount of the extra premium above stated. Any annual premium or premiums falling due on or after the anniversary of said Policy nearest to age 60 of the Insured, shall be reduced by the amount of the extra

premium above stated.

7. This Total and Permanent Disability Benefit Provision shall immediately terminate and become null and void if the Insured shall voluntarily or involuntarily engage in military or naval service in time of war or in work as a civilian in any capacity whatever in connection with actual warfare, and the additional premium charged therefor shall cease to be payable from the time of entry into any such service or work; and any unearned portion of any premium that shall have been paid to the Company under this Total and Permanent Disability Benefit Provision shall be refunded upon request of the Insured in writing. Failure to refund before request in writing shall not be construed as continuing said Total and Permanent Disability Benefit Provision in force.

Dated at Chicago, Illinois, this first day of June, 1917.

When the right of revocation has been reserved, the Insured (with the assent of the Assignee, if any), upon written request filed with the Company at its Home Office, may from time to time designate a new Beneficiary hereunder, or have the Policy made payable to his estate, such change to take effect only when endorsed hereon by the Company.

If the Insured, whether sane or insane, shall die by his own hand or act within one year from the date hereof, this Policy shall be void and shall have no value; but in such event the Company will return the premium paid.

This Policy and the application constitute the entire

After one year from the date of issue, this Policy

shall be incontestable except for non-payment of premiums, and for military or naval service in time of war, as per war clause annexed hereto, and no waiver of any of its conditions shall be valid unless made in writing and signed by the President, Vice-President, Secretary or an Assistant Secretary of the Company.

The Rights, Options and Non-Forfeiture Provisions set forth on pages two and three are hereby made a part of this con-

tract.

In Witness Whereof, the said New England Mutual Life Insurance Company, by its President or Vice-President, and Secretary or an Assistant Secretary, has signed and delivered this contract at Boston, in the Commonwealth of Massachusetts, this first day of June, in the year one thousand nine hundred and seventeen.

WM. F. DAVIS, Assistant Secretary ALFRED D. FOSTER, President RIGHTS. OPTIONS AND NON-FORFEITURE PROVISIONS.

RIGHTS, OPTIONS AND NON-FORFEITURE PROVISIONS.

PREMIUMS.—All premiums shall be payable in advance at the Home Office in the City of Boston, or, when due, to an Agent of the Company, upon the production and delivery of a receipt signed by the Secretary or an Assistant Secretary.

GRACE.—After this Policy has been in force one year, a grace of thirty-one days, without interest, shall be granted for the payment of premiums, during which time the insurance shall continue in force, but in the event of the death of the Insured during said period, the overdue premium shall be deducted from the amount payable.

Surplus.—Upon payment of the second annual premium, and each year thereafter, this Policy shall participate in the distribution of surplus made by the Company, and the share apportioned hereto shall, on the premium date or any anniversary thereof, at the option of the Holder of the Policy, be (A) payable in cash; (B) applied in reduction of premiums; (C) used to purchase non-forfeitable, participating, pald-up additions, convertible into their cash value upon release by the Holder; or (D) left with the Company to accumulate to the credit of the Policy, with interest at not less than three per cent per annum, payable at the maturity hereof, or withdrawable in cash on demand; but if no election is made on or before the premium date or any anniversary thereof, the share for that year will be held by the Company as provided in Option D.

If any premium remains unpaid at the expiration of the period of grace, the Company will apply the accumulated surplus under Option D to the payment then due, if sufficient to pay not less than a quarter of an annual premium.

Loans.—At any time after three full annual premiums have been paid on this Policy, the Company will loan, upon the sole security hereof legally assigned, an amount which with interest thereon to the end of the policy year during which the application for the loan is made shall be equal to, or at the option of the Holder less than, the loan value at the end of

person or persons to whom the Policy is payable.

Premium Loans.—After two full annual premiums have been paid hereon, and upon legal assignment hereof to the Company prior to the expiration of the period of grace, the Company will charge against this Policy as a premium loan the amount of any premium, less the share of surplus then due, with interest at the rate of six per cent per annum, payable in advance; provided the cash value of the Policy and additions shall equal or exceed the amount of such loan, together with any other indebtedness on account of or secured hereby, and interest thereon. Any accumulated surplus held at interest shall first be applied to the payment of the premium, and future shares of surplus shall be applied to the reduction of the premium loan. Upon the filing of such request as may be required by the Company, these provisions, by endorsement hereon, will be made automatic as to future premiums.

Paid-Up or Endowment Provision.—When the cash value of the Policy and additions, together with any accumulated surplus held at interest, shall equal the reserve for a fully paid-up Policy of the same form and amount at the then attained age of the Insured, the Company will endorse this Policy as fully paid up; or when such aggregate amount, less any been paid hereon, and upon legal assignment hereof to the Com-

FIRST. CASH VALUE.—To surrender the Policy and, with the written assent of the person or persons to whom it is made payable, receive its then cash value, less any indebtedness hereon or secured hereby.

SECOND. PAID-UP INSURANCE.—To take paid-up insurance for such an amount as the then cash value of the Policy and additions, together with any accumulated surplus held at interest, less any indebtedness hereon or secured hereby, will purchase as a net single premium. Such insurance shall participate annually in the distribution of surplus, and shall have increasing learn and cash values.

loan and cash values.

THIRD. EXTENDED INSURANCE—To have the Policy continued as extended insurance from the anniversary date last past, for its face amount, including any additions, and less any indebtedness hereon or secured hereby, for such time as the then cash value, together with any accumulated surplus held at interest, will purchase as a net single premium, but without the right to loans. Such extended insurance shall have a cash surrender value and shall participate in the annual distribution of surplus, the share apportioned thereto to be payable in cash.

If requested in the application, or upon written request of all parties in interest, this option shall be made automatic.

If, during the aforesaid period of grace, the Holder shall not elect one of the foregoing options, this Policy shall be continued as paid-up insurance under the second option, provided

the third option has not been made automatic.

In compliance with the requirement of Chapter 47 of the General Acts of 1916 of the Commonwealth of Massachusetts, the following provision is hereby incorporated in this policy: The Company may at its option defer the granting of any loan, other than to pay premiums on policies in the Company, and may, at its option, defer the granting of any surrender value, for a period not exceeding ninety days from the date of the application for such loan or surrender value.

They will be increased by the value of any additions or accumulations at interest, and decreased, in the manner set forth in the Non-Forfeiture Provisions, by the amount of any indebtedness hereon or secured hereby.

Supplemental Agreement Waiving Premiums in the Event of Permanent Total Disability Occurring Before Attaining the Age of Sixty-Five Years.

The premium payable by the terms of Policy No. 99999 (to which policy this agreement is hereby attached and made a part thereof) includes an additional premium of two dollars, payable for twenty full years, or until prior death of the insured, and in consideration of the payment of such additional premium the NEW England Mutual Life Insurance Company hereby agrees to the following waiver of premium in the event of permanent total dis-

ability.

If the insured, after payment of premium for one full year and before default in the payment of any subsequent premium, and before attaining the age of sixty-five years, and while this policy is in full force, shall furnish due proof to the Company, at its Home Office in the city of Boston, that he has become wholly disabled by bodily injury or disease so that he is and will be permanently and continuously prevented from performing any work for compensation or profit or from following any gainful occupation, the Company will waive payment of each premium as it thereafter becomes due during the continuance of such disability. The premiums so waived shall not be deducted from the sum payable under the policy, and the values provided for under "Non-Forfeiture Provisions" and in the "Table of Loan, Cash, Paid-up and Extended Insurance Values" shall be the same as if the premiums had continued to be paid in cash to the Company regularly when due.

Provided that, notwithstanding proof of disability may have been accepted by the Company as satisfactory, the insured agrees

that any medical examiner appointed by the Company shall be allowed opportunity, not oftener than once a year thereafter, to satisfy himself by examination of the person of the insured as to the continuance of the disability, and if it shall appear to the Company that the insured is able to perform any work or to engage in any occupation whatsoever for compensation or profit, no further premium will be waived and all premiums thereafter falling due shall be paid by the insured in conformity with the terms of the policy. of the policy.

Irrespective of any other cause of disability the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, shall be considered as total and permanent disability within the meaning of this agreement, and the Company, upon due proof of such loss or severance, will waive the premiums thereafter becoming due.

After the premium stated in the policy has been paid for the full number of years specified above, or upon the cancellation of this agreement at the written request of the insured, any premiums payable thereafter will be reduced by the amount of the said additional premium.

SUPPLEMENTAL APPLICATION.—I hereby agree that any policy issued by the Company on this application shall contain or have attached thereto the following War Clause:

If within five years from the date of this policy the insured shall engage in any military or naval service in time of war, the liability of the Company in event of the death of the insured while so engaged or within six months thereafter, will be limited to the return of the premiums paid hereon, exclusive of any extra premium paid for military or naval service, less any indebtedness to the Company hereon, unless before engaging in such service or within thirty-one days thereafter, or at the time of paying the first premium due hereon, if the insured shall be then so engaged, the insured shall pay to the Company at its Home Office in Boston, Massachusetts, such extra premium as may be required by the Company, and in like manner shall pay annually thereafter on each anniversary of this policy or within thirty-one days thereafter, while the insured shall continue to be so engaged, such extra premium as may be required by the Company.

Within one year after the termination of the war the Company will return such portion of the extra premium as in its judgment will not be required to cover the extra hazard.

This clause is by mutual agreement attached to said policy prior to its delivery, and is hereby expressly incorporated therein.

Permanent Disability

Premium

This contract is made in consideration of the payment in advance of the sum of \$411.80, the receipt of which is hereby acknowledged, constituting the first premium and maintaining this Policy to the First day of April, Nineteen Hundred and Nineteen, and of a like sum on said date and every twelve calendar months thereafter during the life of the Insured, until premiums for Twenty full years in all shall have been paid from the date on which this Policy takes effect.

This Policy takes effect as of the 1st day of April, Nineen Hundred and Eighteen, which day is the anniversary of the Policy. If the Insured becomes wholly and permanently disabled before age 60, the payment of premiums will be waived under the terms and conditions contained in Section 1.

SECTION 1.—TOTAL PERMANENT DISABILITY AND BENEFITS.

Whenever the Company receives due proof, before default in the payment of premium, that the Insured, before the anniversary of the Policy on which the Insured's age at nearest birthday is 60 years and subsequent to the delivery hereof, has become wholly disabled by bodily injury or disease so that he is and will be presumably, thereby permanently and continuously prevented from engaging in any occupation whatsoever for remuneration or profit, and that such disability has then existed for not less than sixty days—the permanent loss of the sight of both eyes, or the severance of both hands or of both feet, or of one entire hand and one entire of both hands or of both feet, or of one entire hand and one entire foot, to be considered a total and permanent disability without prejudice to other causes of disability—then

1. WAIVER OF PREMIUM.—Commencing with the anniversary of the Policy next succeeding the receipt of such proof, the Company will on each anniversary waive payment of the premium for the ensuing insurance year, and, in any settlement of the Policy, the Company will not deduct the premiums so waived. The loan and surrender values provided for under Sections 3 and 4 shall be calculated on the basis employed in said sections, the same as if the waived premiums had been paid as they became due.

2. Life Income to Insured.—One year after the anniversary of the Policy next succeeding the receipt of such proof, the Company will pay the Insured a sum equal to one-tenth of the face of the Policy and a like sum on each anniversary thereafter during

the Policy and a like sum on each anniversary thereafter during the lifetime and continued disability of the Insured. Such income payments shall not reduce the sum payable in any settlement of the Policy. The Policy must be returned to the Company for in-dersement thereon of each income payment. If there he any indebtedness on the Policy, the interest thereon may be deducted from each income payment

3. RECOVERT FROM DISABILITY.—The Company may at any time and from time to time, but not oftener than once a year, demand due proof of such continued disability, and upon failure to furnish such proof, or if it appears that the Insured is no longer wholly disabled as aforesaid, no further premiums shall be waived

nor income payments made.

The annual premium for the Total and Permanent Disability Benefits is \$15.60, and is included in the premium stated on the first page of this Policy. Any premium due on or after the anniversary of the Policy on which the age of the Insured at nearest birthday is 60, shall be reduced by the amount of premium charged for the Disability Benefits.

SECTION 2.—PARTCIPATION IN SURPLUS—DIVIDENDS.

The proportion of divisible surplus accruing upon this Policy shall be ascertained annually. Beginning at the end of the second insurance year, and on each anniversary thereafter, such surplus as shall have been apportioned by the Company to this Policy shall at the option of the Insured be either

(a) (b)

Paid in cash; or Applied toward payment of premiums; or Applied to purchase a Participating Paid-up Addition to (c)

(d) Left to accumulate at such rate of interest as the Company may declare on funds so held, but at a rate never less than three per cent compounded and credited annually, and withdrawable n cash on any anniversary, or payable at the maturity of the policy to the person entitled to its proceeds.

If the Insured fails to notify the Company in writing, within three months after the Company shall have mailed to him a written notice of the amount of said dividend and the options avail-

able as aforesaid, which option he selects, the Company will apply said dividend to the purchase of a paid-up addition to the sum insured. Such paid-up addition may be surrendered for cash at any time not later than three months after any default in the payment of premium, and the cash value thereof shall never be less than the original cash dividend.

than the original cash dividend.

DIVIDENDS MAY BE APPLIED TO REDUCE THE NUMBER OF PREMIUMS, OR MAKE POLICY MATURE AS AN ENDOWMENT.—Whenever the cash value of this Policy, including the cash value of any dividend additions under Option (c) plus any sums held under Option (d), equals or exceeds the net single premium calculated on the same basis as the premium on this Policy for a Policy giving the same rights privileges and honefits at the them ettained age. the same rights, privileges and benefits, at the then attained age of the Insured, the Company, on any anniversary of the Policy thereafter, upon the Insured's written request, will indorse the Policy as a fully paid-up, participating Policy, and will pay in cash the excess, if any, of such cash value over said single premium, and thereafter no further payment of premiums will be required; or whenever said cash value shall equal or exceed the face amount of this Policy, the Company, upon due surrender of the Policy and all claims thereunder, will pay in cash the face amount of the Policy and any excess of said cash value, less any indebtedness to the Company.

'Interest on the loan shall be at the rate of six per cent per annum payable annually on the anniversary of the Policy. If interest is not paid when due, it shall be added to the principal. All or any part of the indebtedness may be repaid at any time before the Company has deducted it from the value of the Policy. Failure to repay such indebtedness or to pay interest shall not avoid the Policy, but whenever the amount of the total indebtedness equals the Cash Surrender Value, the Policy shall become yold one month after the Company shall have mailed notice to the last known address of the Insured and of the assignee of record. if any.

Eighteen, and of a like sum on said date and every twelve calendar months thereafter during the life of the Insured until premiums for twenty full years in all shall have been paid from the date on which this Policy takes effect. This Policy takes effect as of the First day of June, Nineteen Hundred and Seventeen, which day is the anniversary of the Policy. The following provisions or clauses in this form are the same as in the preceding policy: "Loan Values," "Term Insurance in Case of Loan," "Age," "Assignment," "Change of Beneficiary," "Grace," "Indebtedness," "Miscellaneous Provisions," "Optional Methods of Settlement," "Payment of Premiums," "Re-instatement," "This Policy is Free of Conditions, etc.," "Self-Destruction," "Notice" and "Conditions Regarding Military, Naval and Red Cross or Other Relief Service Outside of Continental United States."

SECTION 1. TOTAL AND PERMANENT DISABILITY BEN-EFITS.

Whenever the Company receives due proof, before default in the payment of premium, that the Insured, before the anniversary of the Policy on which the Insured's age at nearest birthday is 60 years and subsequent to the delivery hereof, has become wholly disabled by bodily injury or disease, so that he is and will be presumably, thereby permanently and continuously prevented from engaging in any occupation whatsoever for remuneration or profit, and that such disability has then existed for not less than sixty days—the permanent loss of the sight of both eyes, or the severance of both hands or of both feet, or of one entire hand and one entire foot, to be considered a total and permanent disability without prejudice to other causes of disability—then

- 1. Waiver of Premium.—Commencing with the anniversary of the Policy next succeeding the receipt of such proof, the Company will on each anniversary waive payment of the premium for the ensuing insurance year, and, in any settlement of the Policy, the Company will not deduct the premium so waived. The loan and surrender values provided for under Sections 3 and 5 shall be calculated on the basis employed in said sections, the same as if the waived premiums had been paid as they became due.
- 2. Income Payments During Endowment Period.—One year after the anniversary of the Policy next succeeding the receipt of such proof, the Company will pay the Insured a sum equal to one-tenth of the face of the Policy, and a like sum on each anniversary thereafter during the continued disability of the Insured within the endowment period. Such income payments shall terminate on the anniversary of the Policy preceding the maturity of the Endowment or the prior death of the Insured, and shall not reduce the sum payable in any settlement of the Policy. The Policy must be returned to the Company for endorsement thereon of each income payment. If there is any indebtedness on the Policy, the interest thereon may be deducted from each income payment.

If as a result of the agreements contained in Section 2 hereof under "Accelerative Endowment Plan" the Endowment shall have matured at an earlier anniversary than the original maturity date stated on the first page hereof, and if the Insured shall at the maturity of the Endowment be totally and permanently disabled and shall have received the income payments provided above, the Company will in addition to said income payments pay the Insured a further income of like amount annually on each anniversary of the policy during continued disability, commencing at the maturity of the Endowment and terminating on the anniversary preceding the said original maturity date or the prior death of the Insured.

3. RECOVERY FROM DISABILITY.—The Company may at any time and from time to time, but not oftener than once a year, demand due proof of such continued disability, and upon failure to furnish such proof, or if it appears that the Insured is no longer wholly disabled as aforesaid, no further premiums shall be waived nor income payments made.

The annual premium for the Total and Permanent Disability Benefits is \$13.90, and is included in the premium stated on the first page of this Policy. Any premium due on or after the anniversary of the Policy on which the age of the Insured at nearest birthday is 60, shall be reduced by the amount of premium charged for the Disability Benefits.

SECTION 2.—PARTICIPATION IN SURPLUS—DIVIDENDS.

The proportion of divisible surplus accruing upon this Policy shall be ascertained annually. Beginning at the end of the second insurance year; and on each anniversary thereafter, such surplus as shall have been apportioned by the Company to this Policy shall at the option of the Insured be either

- Paid in cash; or, (a)
- Applied toward payment of premiums; or **(b)**
- Applied to purchase a Participating Paid-up Addition to the sum insured; or
- Left to accumulate at such rate of interest as the Company may declare on funds so held, but at a rate never less than three per cent. compounded and credited annually, and withdrawable in cash on any anniversary, or payable at the maturity of the Policy to the person entitled to its proceeds; or
- (e) Applied on the Accelerative Endowment plan as set forth below.

If the Insured fails to notify the Company in writing, within three months after the Company shall have mailed to him a written notice of the amount of said dividend and the options available as aforesaid, which option he selects, the Company will apply said dividend to the purchase of a paid-up addition to the sum insured. Such paid-up addition may be surrendered for cash at any time not later than three months after any default in the payment of premium, and the cash value thereof shall never be less than the original cash dividend.

DIVIDENDS MAY BE APPLIED TO REDUCE THE NUMBER OF PRE-MIUMS.—Whenever the cash value of this Policy, including the cash value of any dividend additions under Option (c) plus any sums held under Option (d), equals or exceeds the net single premium calculated on the same basis as the premium on this Policy for a Policy giving the same rights, privileges and benefits, at the then attained age of the Insured, the Company, on any anniversary of the Policy thereafter, upon the Insured's written request, will indorse the Policy as a fully paid-up, participating Policy, and will pay in cash the excess, if any, of said cash value over said single premium, and thereafter no further payment of premiums will be required.

In such case the first and each succeeding dividend as they severally become due shall be applied to mature the endowment at an earlier anniversary date to be then stated in writing by the Company; if any dividend is more than sufficient to mature the endowment at the anniversary then stated by the Company but is insufficient to mature the endowment at the next preceding anniversary, the difference shall be used temporarily to increase the amount of the endowment and when the next dividend becomes payable the reserve for said temporary increase in the endowment shall be added to such dividend and the total sum applied to mature the endowment at an earlier anniversary, said increase in the the endowment at an earlier anniversary, said increase in the endowment to be then cancelled. The basis on which the dividends shall be so used shall be the American Table of Mortality and Interest at three per cent. per annum, at the attained age of the Insured. When dividends are so used the Policy reserve shall be computed with reference to the earlier maturity date and to any increase in the amount of the endowment, thereby correspondingly increasing the Policy's participation in surplus and its loan and surrender values. If after electing to use the dividends to shorten the endowment period the Insured changes the election as to future dividends, then no further dividends can be so used.

SECTION 5. SURRENDER VALUES.

After three full years' premiums have been paid, the Insured may, at the end of any insurance year or within three months after any default in payment of premium but not later, surrender

the Policy, and
(1) Receive its Cash Surrender Value; or Receive the amount of non-participating Paid-up insurance which the cash surrender value at date of default less any indebtedness hereon will purchase, payable at the same time and on the same conditions as this Policy, but without disability or double indemnity benefits. The Insured may at any time obtain a loan on such paid-up insurance, or surrender it for its cash surrender value; or

(3) If the Policy be not surrendered for cash or for paid-up insurance within three months after default in payment of premium, its cash surrender value at date of default, less the amount of any indebtedness, shall automatically purchase Continued Insurance from the date of default for the face of the Policy plus any dividend additions and less any indebtedness to the Company; and if it shall be more than enough to purchase Continued Insurance to the date of the maturity of the endowment, the excess shall be used to purchase Pure Endowment payable on the maturity

date if the Insured is then living. The Continued Insurance and the Pure Endowment shall be without future participation and without the right to loans, cash surrender values, disability or double indemnity benefits.

The Cash Surrender Value shall be the reserve on the face of the Policy at the end of the insurance year or, in event of default, at the date of default (omitting fractions of a dollar per thousand of insurance) and the reserve on any outstanding paid-up additions, under Section 2, Option (c), plus any dividends standing to the credit of the Policy, under Section 2, Option (d), and less a surrender charge for the third to the ninth years, inclusive, of not more than one and one-half per cent of the face of the Policy. Such reserve will be computed on the basis of the American Table of Mortality and interest at three per cent, and the amount of paid-up insurance under (2) and the term of the continued insurance and amount of Pure Endowment under (3) will be computed on the same basis at the attained age of the Insured on the date of default.

The values in the table opposite are computed in accordance with the above provisions, assuming that premiums have been paid in full when due for the number of years stated, that there is no indebtedness to the Company, no outstanding paid-up additions, no dividends standing to the credit of the Policy and that no dividends have been applied on the Accelerative Endowment plan; the surrender charge, if any, has been deducted.

In Witness Whereof, the New York Life Insurance Com-PANY has caused this contract to be signed this *First* day of June, Nineteen Hundred and Seventeen.

SEYMOUR M. BALLARD, Secretary.

DARWIN P. KINGSLEY,

President.

SECTION 7. OPTIONAL METHODS OF SETTLEMENT...

OPTION 1.—The proceeds may be left with the Company subject to withdrawal in whole or in part at any time on demand in sums

of not less than one hundred dollars. The Company will credit interest on the proceeds so left with it at such rate as it may declare on such funds, at a rate, however, never less than three per cent. per annum and credited annually.

OPTION 2.—In equal instalments for an agreed number of years.

OPTION 3.—In equal instalments for twenty years, and for as many years thereafter as the payee shall survive. The amount of each instalment shall be determined by the attained age of the payee on the date when the instalment payments begin. If the Insured shall so direct in writing the instalments payable under this option shall not be transferable, nor subject to commutation or incumbrance, during the lifetime of the payee.

Any instalments under Options 2 or 3 shall be payable either immediately upon approval of proofs of death of the Insured in case such death occurs before the end of the Endowment period, or immediately at the end of the Endowment period in case the Insured is then living, and annually, semi-annually, quarterly

or monthly thereafter as may be agreed.

In the event of the death of a payee any unpaid sum left with the Company under Option 1 shall be paid in one sum; any unpaid instalments payable under Option 2, or any instalments for the fixed period of twenty years only under Option 3 which shall not then have been paid, shall be commuted at three per cent compound interest, and unless otherwise agreed in writing shall be paid in one sum to the executors or administrators of such payee.

The sums payable under the foregoing options are based upon an assumed interest earning of three per cent., but if in any year the Company shall declare for that year upon funds held by it under such options interest at a rate greater than three per cent., the sum then payable under Option 2, or under Option 8 within the fixed period of twenty years, shall be increased accordingly.

After this policy becomes a claim, and upon surrender of the

After this policy becomes a claim, and upon surrender of the Policy, the Company will make and deliver to each payee a certificate evidencing his rights and benefits under the option selected.

Instalment options are not applicable to a Policy which is payable to a corporation or co-partnership, nor to policies under which the net sum payable is less than one thousand dollars.

The minimum payments will be \$50 when paid annually, \$25 when paid semi-annually, \$15 when paid quarterly, or \$10 when paid monthly, and the total of the fractional payments each year shall equal the annual payment each year as shown in the following tables, which are based upon a Policy, the proceeds of which are \$1,000. The figures contained in the table will apply pro rata to this Policy. rata to this Policy.

PROTECTION IN EVENT OF TOTAL AND PERMANENT DISABILITY.

Upon receipt of this policy, at any time after one full annual premium shall have been paid hereon and before default in the payment of any subsequent premium, accompanied by due proof that the Insured before attaining the age of sixty years has become wholly and permanently disabled by bodily injury or disease, and will be continuously and wholly prevented thereby for life from engaging in any occupation whatsoever for remuneration or profit, the Company, by an endorsement on this contract, will agree to waive payment of any premium or premiums that may thereafter become due during the continuance of such disability, and will further agree to pay the face amount of this policy to the Insured in ten equal annual instalments during the continuance of such disability, beginning one year after the anniversary of the policy next succeeding the receipt of such proof. Each instalment payment shall to that extent reduce the amount of insurance in force, and the loan and surrender values stated on the second page hereof shall be reduced accordingly and shall be based upon said reduced amount of insurance in the same manner as if the premiums for such reduced amount of insurance had been duly paid. If at the time when any instalment becomes payable there shall be an in-

debtedness on the policy in excess of the cash surrender value of the reduced amount of insurance, the Company will apply such part of the instalment as may be necessary to reduce the indebtedness to the amount secured by the reduced cash surrender value. If the policy matures by death before all of the ten instalments shall have been paid, the reduced amount of insurance less any existing indebtedness on the policy shall then be payable in one sum. Should the Insured live to receive all of the ten instalments the Company will continue to pay one-tenth of the face amount of the policy on each policy anniversary during the remainder of the lifetime and continued disability of the Insured.

If like total and permanent disability shall occur, under the conditions above stated, but after the Insured has attained the age of sixty years, the Company will agree to waive payment of each premium; thereafter becoming due during such disability, but the face amount of the policy shall be reduced by the amount of each such waived premium, and the loan and surrender options specified on the second page of this policy shall be reduced accordingly, and shall be based upon said reduced amount of insurance in the same manner as if the premiums for such reduced amount of insurance had been duly paid.

The Company, notwithstanding acceptance of proof of disability, may from time to time, but not oftener than once a year, require proof of the continuance of such disability; and if the Insured shall fail to furnish such proof or if the Insured is able to engage in any occupation whatsoever for remuneration or profit no further premiums shall be waived, and no further instalment payments—will—be made by the Company. If the amount of insurance shall then have been reduced under any of the above provisions, the premiums thereafter falling due, and all benefits under the policy, shall be reduced accordingly.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, shall be considered as total and permanent disability within the meaning of this provision.

If the Insured shall at any time engage in military or naval service in time of war, the foregoing provisions as to total and permanent disability shall be null and void and the additional premium therefor shall thereupon cease to be payable, provided, however, that if the Insured after the termination of such service shall furnish evidence satisfactory to the Company that he is physically and mentally unimpaired and in sound health, the said provisions shall again become operative upon payment of the said additional premium.

The foregoing provision will be canceled at any time upon written request by the Insured, accompanied by this policy for proper endorsement, in which event the subsequent annual premiums will be reduced 25 cents for each \$1,000 insured hereunder, which is the premium included for this benefit in the total premium charged for this policy.

It is not necessary for the Insured or the Beneficiary to employ the agency of any person, firm or corporation in collecting the insurance under this policy, or in receiving any of its benefits. Time and expense will be saved by writing direct to the Home Office, North American Building, Chicago, Ill.

Company:

Basis of Surrender Values.—12a. The cash surrender value of this policy at any time prior to default in premium payment or within the grace period, shall be the then reserve on the policy and any dividend additions then existing, less any indebtedness to the Company on account hereof, and less also a surrender charge which during the fifth or any previous policy year shall be at the rate of \$10 per \$1,000 of insurance and thereafter shall diminish annually at the rate of \$1 per \$1,000 of insurance.

PREMIUM LOANS.—12b. Upon request of the Insured, and assigns if any made prior to default in premium payment and remains

signs if any, made prior to default in premium payment and remaining unrevoked, the premiums thereafter falling due and not paid will be charged as a premium loan with interest at a rate not to exceed 6 per cent per annum, provided the then cash surrender value be sufficient to cover such loan. Any premium loan may be repaid

at any time.

EXTENDED INSURANCE.—12c. Upon default in payment of premium, unless paid within the grace period, the amount of this policy and any existing dividend additions, less any indebtedness to the Company on account hereof, shall be extended automatically as nonparticipating term insurance for such time from the date of default as the then cash surrender value will provide at the net single premium rate for the attained age of the Insured according to the American Experience Table of Mortality with interest at 3

PAID-UP INSURANCE.—12d. If the policy matures by death before all of the ten instalments shall have been paid, the reduced amount of insurance less any existing indebtedness on the policy shall then be payable in one sum. Should the Insured live to receive all of the ten instalments the Company will continue to pay one-tenth of the face amount of the policy on each policy anniversary during the remainder of the lifetime and continued disability of the Insured.

If like total and permanent disability shall occur, under the conditions above stated, but after the Insured has attained the age of sixty years, the Company will agree to waive payment of each premium; thereafter becoming due during such disability, but the face amount of the policy shall be reduced by the amount of each such waived premium, and the loan and surrender options specified on the second page of this policy shall be reduced accordingly, and shall be based upon said reduced amount of insurance in the same manner as if the premiums for such reduced amount of insurance had been duly paid.

The Company, notwithstanding acceptance of proof of disability, may from time to time, but not oftener than once a year, require proof of the continuance of such disability; and if the Insured shall fail to furnish such proof or if the Insured is able to engage in any occupation whatsoever for remuneration or profit no further premiums shall be waived, and no further instalment payments—will be made by the Company. If the amount of insurance shall then have been reduced under any of the above provisions, the premiums thereafter falling due, and all benefits under the policy, shall be reduced accordingly.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, shall be considered as total and permanent disability within the meaning of this provision.

If the insured shall at any time engage in military or naval service in time of war, the foregoing provisions as to total and permanent disability shall be null and void and the additional premium therefor shall thereupon cease to be payable, provided, however, that if the insured after the termination of such service shall furnish evidence satisfactory to the Company that he is physically and mentally unimpaired and in sound health, the said provisions shall again become operative upon payment of the said additional premium.

The foregoing provision will be canceled at any time upon written request by the Insured, accompanied by this policy for proper endorsement, in which event the subsequent annual premiums will be reduced 25 cents for each \$1,000 insured hereunder, which is the premium included for this benefit in the total premium charged for this policy.

It is not necessary for the Insured or the Beneficiary to employ the agency of any person, firm or corporation in collecting the insurance under this policy, or in receiving any of its benefits. Time and expense will be saved by writing direct to the Home Office, North American Building, Chicago, Ill.

- (b) PAID-UP INSURANCE.—Have the policy endorsed for nonparticipating paid-up life insurance of a reduced amount payable at the same time and on the same conditions as this policy, but withent disability or double indemnity benefits; or
- i (c) Extended Insurance.—Have the insurance continued in force from date of default as paid-up extended term insurance for the face amount of the policy plus any paid-up dividend additions and less sany indebtedness. The extended term shall be without future participation in profits, or right to loans, or double indemnity or total permanent disability benefits.
- The Company may defer the payment of a cash surrender value for not more than sixty days after the application therefor is made.
- The values available under the above options, if the policy is without dividend additions or indebtedness, are shown in the following table. The reserve on dividend additions, if any, shall be added to the cash value or used to increase the amount of paid-up insurance or extend the period of term insurance. If there he any indebtedness against this policy, the cash value shall be reduced thereby, the paid-up insurance shall be reduced in the proportion of the indebtedness to the cash value and the extended insurance shall be for the face amount of the policy plus any paid-up dividend additions and less such indebtedness, and for such period as the reduced cash value will extend.

If there are any dividend additions these values will be increased by the reserve thereon. They will be reduced if there is any indebtedness on the policy.

These values are for complete policy years. When any fractional premium is paid beyond complete years, proportionate intermediary values will be allowed. Figures showing the values for all years after twenty will be supplied upon application.

- 9. AUTOMATIC NONFORFEITURE,—After three years' premiums have been paid, if any subsequent premium remains unpaid, and a surrender value is not selected within one month, as above provided, the policy will be automatically continued under nonforfeiture option (c) as extended term insurance.
- 10. REINSTATEMENT.—This contract may be reinstated at any time after default in premium payment upon presentation of evidence of insurability satisfactory to the Company and the payment of arrears in premiums with interest at a rate not exceeding 6 per cent per annum and upon the payment or reinstatement of any indebtedness charged against this policy at time of default, with interest.
- 11. Basis of Computation and Valuation.—The loan and nonforfeiture values stated in the table above are each equal to the reserve on the policy less a surrender charge of not more than 2½ per cent of the face of the policy. All nonforfeiture values, the application of dividends under dividend options (b) and (c) and the reserve held upon this policy shall be computed upon the American Table of Mortality with interest at the rate of 3½ per cent per annum. The first year's insurance under this policy is term insurance.
- 12. CHANGE OF BENEFICIARY:—The Insured, subject to any existing assignment of this policy, may designate a new beneficiary, with or without reserving right of revocation, by aling written notice thereof at the Home Office of the Company accompanied by the policy for suitable endorsement thereon, provided in making application for the policy the right of revocation has been reserved. If any beneficiary, under either a revocable or irrevocable designation, shall die before the Insured, and the Insured shall not have designated a new beneficiary, the interest of such beneficiary shall gevert to the Insured, the Insured's legal representatives or assigns.
- 19. Assignment.—No assignment of this policy shall be binding upon the Company unless filed at the Home Office of the Company. The Company assumes no responsibility as to the validity of any assignment.
- 14. Indeptedness.—Any indebtedness to the Company on account of this policy, and any part of the premium for the insurance year remaining unpaid at the death of the Insured will be deducted in any settlement hereunder.
- 15. Policy Contains Entire Contract. Agents are not authorized to make, alter or discharge contracts, to waive any provisions thereof, to extend this insurance, to grant permits, or to bind the Company in any way. It is agreed that this policy shall constitute the entire contract between both parties, and that all statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and that no such statement shall void the policy, unless it is contained in the written application therefor, copy of which is attached when issued.
- 16. Premium Payments—All premiums are payable in advance at the Home Office of the Company in Minneapolis, or to a duly authorized collector of the Company upon delivery of a receipt signed by the President, Vice-President, Secretary or Treasurer of the Company, and countersigned by such collector. The insurance under this policy is based upon annual premiums payable in advance, but payments may be made annually, semi-annually or quarterly at the premium rates in use by the Company. Payment of a premium shall not maintain the policy in force beyond the period for which it is paid, except as herein provided.

- 17. GRACE.—Grace of thirty-one days, during which the insurance will continue in force, will be allowed for the payment of every premium after the first.
- 18. Age.—If the age of the Insured has been misstated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age. The Company will admit age at any time upon satisfactory proof.
- 19. WAR SERVICE.—If during the first five years of this policy, the Insured shall engage in military, naval or any service whatever in connection with actual warfare outside the continental limits of the United States, or in any military or naval service involving aeronautics, the liability of the Company in event of the death of the Insured while so engaged or within one year thereafter shall be limited to the return of the premiums actually paid, unless the Insured shall give notice thereof to the Company within thirty-one days after entering upon such service and shall pay annually in advance during the continuance of such service, such extra premium as the Company shall fix therefor, not to exceed 10 per cent of the face of the policy.

All extra premiums collected under war service policy provisions will be carried to a separate fund, and if the amount of such extra premiums shall prove more than sufficient to meet the extra mortality caused either directly or indirectly by the war, a proportion of the extra premium will be refunded to continuing policies one year after the war is over.

- 20. Suicide.—In event of the death of the Insured, within one year from the date hereof, by his or her own hand, whether sane or insane, the liability of the Company shall be the amount of the premiums paid.
- 21. Incontestability.—This policy shall be incontestable after one year from its date, except for nonpayment of premium or non-compliance with the provisions of the war service clause.
- 22. Insured's Control.—If the Insured has reserved the right to change the beneficiary, he may, without the consent of the beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred upon the Insured by this policy.
- 23. Annual Dividends.—This policy shall participate in the surplus and the Company will annually determine and account for the portion of the divisible surplus accruing hereon. The first distribution shall be contingent upon the payment of premiums for the second policy year, but subsequent dividends shall not be contingent upon the payment of future premiums.

- Such dividends shall become absolutely the property of the Insured, and at his option may be

 (a) Used to Reduce the Cost either (1) by being withdrawn in cash, or (2) by being applied toward payment of any premium or premiums; or
- (b) APPLIED TO INCREASE THE AMOUNT OF INSURANCE by the purchase of paid-up participating additions to the policy (without double indemnity or disability benefits); or
- (c) Applied on the Accelerative Endowment Plan as set forth below to convert the policy into an endowment payable at a gradually diminishing age, or, if preferred, into a fully paid-up participating policy payable at the same time that this policy is payable according to its terms; or
- (d) LEFT TO ACCUMULATE AS AN INTEREST-BEARING SAVINGS FUND withdrawable at any time. Dividends so left shall be credited with interest, the rate to be determined annually by the Company, but in no event to be less than 31/2 per cent.

Unless the Insured shall select otherwise within three months after the mailing of notice offering such selection, dividends shall be paid in cash.

ACCELERATIVE ENDOWMENT PLAN.—When the Insured directs that dividends be applied on this plan, each succeeding dividend,

as it becomes due, shall be applied to mature the policy as an endowment at an earlier anniversary date to be then stated in writing by the Company; if any dividend is more than sufficient to mature the endowment at the anniversary stated, but insufficient to mature it at the next preceding anniversary, the difference shall be used temporarily to increase the amount payable at maturity and when the next dividend is available the reserve upon such temporary insurance shall be added to such dividend and the total sum applied to reduce the age of maturity. Under this option, if preferred, the policy in lieu of being continued as an accelerative endowment may be converted into a participating paid-up policy for its face amount payable at death and without double indemnity or total and permanent disability benefits, such conversion becoming available whenever the reserve value of the dividends applied on the accelerative endowment plan, together with the policy reserve, shall amount to the single premium therefor.

DIVIDEND AFTER PREMIUM PAYING PERIOD.—If this policy is continued in full force beyond its premium paying period it will continue to participate annually in the divisible surplus of the Company.

POST-MORTEM DIVIDEND.—On the death of the Insured a cash dividend will be credited to this policy for the fraction, if any, of the then current policy year elapsed before such death.

- 24. Total and Permanent Disability Benefits. If the Insured, while less than sixty years of age, and while this policy is in full force and effect, shall become totally and permanently disabled as hereinafter provided, the Company will waive the payment of future premiums and will also pay annually to the Insured an income of one-tenth of the face amount of the policy, in addition to paying the face amount at death or maturity, subject to the following conditions and provisions:
- (a) The Insured shall furnish due proof to the Company at its Home Office that he has become totally and permanently disabled by bodily injury or disease, so that he is, and will be thereby permanently, continuously and wholly prevented from performing any work for compensation, gain or profit, or from following any gainful occupation, and that such disability has then existed for not less than sixty days.
- (b) Commencing with the premium due next succeeding the receipt of such proof, the Company will waive payment of each premium as it thereafter becomes due; and six months after receipt of said proof the Company will begin to pay an annual income of one-tenth of the face amount of the policy and continue to pay the same during such total and permanent disability until the death of the Insured or the maturity of the policy as an endowment (if carried on the accelerative endowment dividend plan), when the full amount of the policy shall be paid in accordance with its terms without deduction for any income payments or premiums waived. If there is any indebtedness on this policy the interest thereone shall be deducted from each income payment.
- (c) The Company may at any time, but not more frequently than once a year, require proof of the continuance of such disability and if the Insured fails to furnish such proof or if it appears that the Insured is no longer wholly disabled as heretofore provided, no further premiums shall be waived and no further income shall be paid.
- (d) It is agreed that the entire and irrecoverable loss of the sight of both eyes or the severance of both entire hands or both entire feet, or of one entire hand and one entire foot, shall be considered total and permanent disability without prejudice to any other cause of disability.
- (e) These provisions for waiver of premiums and income benefits in event of permanent and total disability shall become null and void if the Insured shall engage in military or naval service, either within or without the limits of the United States, or in any service whatever in connection with actual warfare outside the continental

limits of the United States. The additional premium charged for such provisions shall cease to be payable and the unearned portion of such current premium shall be refunded.

- (f) The additional premium in consideration of which these disability benefits are granted is \$17.50 annually, and is included in the premium stated on the face of this policy. The premium payable, if any, after the prevision for these benefits terminates will be the premium stated on the face of the policy less the amount of such additional premium.
- 25. Double Indemnity in Case of Death From Travel Accident.—The Company will pay, instead of the face amount of the policy, double that amount upon due proof that the death of the Insured was caused directly and exclusively by accident sustained while riding as a passenger on street car, railway passenger train, steamship licensed for regular transportation of passengers, or other public conveyance operated by a common carrier for passenger service, provided that such death occurred within sixty days after such accident and before any disability benefit has been allowed, and provided premiums have been duly paid and this policy is then in full force and is then surrendered properly released.
- 26. Modes of Settlement.—In lieu of the payment of the proceeds at death or maturity in one sum, the Insured, or after the Insured's death, the Beneficiary, by written notice to the Company at its Home Office, may elect to have the net proceeds applied in one of the following ways:

OPTION 1. LEFT WITH THE COMPANY AT INTEREST, subject to withdrawal at any time on demand, in whole or in part, in sums of not less than \$100, the Company to credit interest annually on the amount so left with it at such rate as it may each year declare on such funds, such rate, however, to be not less than 3½ per cent per annum.

OPTION 2. PAID IN REGULAR, EQUAL INSTALMENTS for as many years from two to thirty as may be chosen as set forth in the table herewith.

OPTION 3. CONVERTED INTO A LIFE INCOME paying equal annual instalments for a period of twenty years and as long thereafter as the payee shall survive, the amount of each instalment to be determined by the attained age of the payee on the date when the instalment payments begin, in accordance with the table herewith.

Instalments under Options 2 and 3 are payable annually in advance, but if desired payments may be made in semi-annual, quarterly or monthly instalments of the same aggregate annual amount, provided that no payment shall be less than ten dollars.

In the event of the death of the payee any unpaid sum left with the Company under Option 1 shall be paid in one sum; any unpaid instalments under Option 2, or any instalments for the fixed period of twenty years under Option 3 which shall not then have been paid, shall be commuted at 3½ per cent compound interest, and unless otherwise agreed in writing shall be paid in one sum to the executors or administrators of such payee.

Unless otherwise specified by the Insured or the Beneficiary and endorsed on the policy by the Company, the agreement for the payment in instalments or life income may be surrendered at any time for the commuted value of payments yet to be made, computed on the same basis as the following tables, provided that no such surrender and commutation shall be made under Option 3 unless the good health of the payee is shown to the satisfaction of the Company.

The amounts as shown in the tables are based on an assumed interest earning of $3\frac{1}{2}$ per cent. In addition to the instalments guaranteed under Option 2 or for the fixed period of twenty years under Option 3, there will be allowed by the Company at the end of each year on the funds retained such excess interest as the Company shall from year to year declare on such funds.

PARTICIPATION IN PROFITS

This policy is non-participating during the first five years succeeding the date of the policy. Thereafter this policy shares in the profits of the Company as follows:

At the end of the sixth and subsequently at the end of each and every policy year, whether the next succeeding year's premium is to be paid or not, this policy, if in full force and effect, will be credited with a cash dividend from the surplus accumulations then apportioned by the Company to policies of the same age and kind and the Insured shall have the following

DIVIDEND OPTIONS

- 1. Draw the Dividends in Cash; or
- 2. Apply the Dividends in Payment of Premiums on this Policy; or
- 3. Leave the Dividends on Deposit with the Company to accumulate at such rate of interest as the Company shall from time to time determine and allow, in no event, however, to be less than three and one-half per cent. per annum compounded annually; the entire accumulation, or any part thereof with interest for the half-policy-years completed, to be payable in cash to the Insured at any time on demand; or payable to the Beneficiary with the proceeds of this policy at the death of the Insured.
- 4. Applied to the Purchase of Paid-up Additional Insurance, payable in the same manner as the original policy, such additional insurance to participate in the profits of the Company so long as no default is made in the payment of premiums.

If the Insured fails to notify the Company in writing, within three months after the Company shall have mailed to him a written notice of the amount of said dividend and the options available as aforesaid, which option he selects, the Company shall then apply said dividend to the purchase of a Paid-up Addition to the sum insured. Such Paid-up Addition may be surrendered for cash at any time, and the cash value thereof shall not be less than the original cash dividend.

THIS POLICY IS NON-FORFEITABLE FROM DATE OF ISSUE, AS FOLLOWS:

If any premium after the first be not paid when due, this policy will continue in force from date of default for the term of thirty-one days, which is the thirty-one days' grace allowed hereunder, subject to an interest charge on the overdue premium at the rate of six per cent. per annum. If the death of the Insured occurs during said term of thirty-one days, the current year's premium if unpaid will be considered an indebtedness hereunder.

At the end of any policy year if this policy be then in full force, or within three months from default in payment of premium, provided that not less than two years' premiums have been paid in full, the following options are available:

- 1. To surrender the policy to the Company for the cash value, as shown in column 1 of the table below, the policy to be legally surrendered to the Company.
- 2. To exchange the policy for a Fully Paid-up Non-Participating Policy, for the amount shown in column 2 of the table below. This option will be granted upon the written request of the Insured.
- 3. To exchange the policy for Non-Participating Paid-up Term Insurance, effective from date of default for the face amount for the period shown in Column 3 of the table below.

If Option 1 or 2 has not been selected within three months from date of default, Option 3 will become automatically effective withit the action of the Insured.

An extension of this table covering later policy years will be furnished on application to the Home Office.

The foregoing Non-Forfeiture provisions and table of values are based upon the assumption that there is no indebtedness to the Company on account of this policy. Should surrender or default be at any other time than at the anniversary date of the policy, the values in foregoing table for the preceding policy year shall be proportionately increased for the portion of the policy year for which premiums have been paid. If there is an indebtedness it will be deducted from the Cash Value, and from the amount of insurance extended under Option 3, and the period of extended insurance under Option 3, and the amount of Paid-up Insurance under Option 2, will be such as the cash value less the amount of the indebtedness will purchase at the attained age of the Insured at the net single premium based on the reserve basis of the policy. single premium based on the reserve basis of the policy.

LOANS

Cash loans may be obtained on the sole security of this policy at any time after premiums have been paid in cash for three full years, if there is no default in payment of premiums. This policy shall be pledged as collateral security for such loans, in accordance with the terms contained in the Company's form of Policy Loan Agreement then in use. The maximum amount which the Company will loan at any time is the value stated in column 1 of the table above. Such value includes loans then unpaid. Interest will be at a rate not to exceed six per cent. per annum, payable in advance to the next anniversary of the policy, and in advance on that date and annually thereafter. that date and annually thereafter.

AUTOMATIC PREMIUM LOAN

If written request from the Insured on the Company's form has been received at the Home Office while this policy is in full force, the Company will advance and charge up as a loan against this policy any and all premiums becoming due hereon, and remaining unpaid on the thirty-first day following date of default, together with interest at a rate not to exceed six per cent. per annum in advance to the end of the current policy year; provided, that the Company will not so advance and charge up a premium, if the amount thereof and interest thereon, as aforesaid, together with any outstanding indebtedness hereon to the Company, shall exceed the cash value of this policy at the end of the period which such premium, if advanced or paid, would cover. Interest on any such loan shall, for subsequent policy years, be payable annually in advance at a rate not to exceed six per cent. per annum. Such advancing and charging up of premiums will be discontinued at any time on receipt at the Home Office of the Insured's written request therefor. Premium loans hereon shall be subject to the same quest therefor. Premium loans hereon shall be subject to the spman

terms and conditions as any loan granted hereon by the Company under the cash loan privilege stated above. While this policy is thus carried in force, the Insured may, without medical examination, resume payment of premiums.

CHANGE OF BENEFICIARY

The Insured may at any time, and from time to time, provided this policy is not then assigned, change the Beneficiary or Beneficiaries by sending to the Company, at the Home Office, a written notice accompanied by this policy. Such change will take effect only when endorsed on this policy by the Company. The Insured may, however, declare the designation of any Beneficiary to be irrevocable; in which case, the Insured shall not have the right to change the Beneficiary during the lifetime of such irrevocably designated Beneficiary. If any Beneficiary or irrevocably designated Beneficiary die before the Insured, the interest of such Beneficiary shall vest in the Insured.

ASSIGNMENT

Any assignment of this policy must be in writing, and a duplicate thereof filed at the Home Office of the Company, and its receipt duly acknowledged. The Company will not assume responsibility for the validity of any assignment.

PAYMENT OF PREMIUMS

The premiums on this policy are always considered as payable annually in advance. The Insured, however, in his application for the policy, or at any time by written agreement signed by himself and the Company, may arrange to pay the premiums after the first year either annually or by semi-annual or quarterly instalments at the premium rates in use by the Company at the date hereof, but the payment of any premium or instalment thereof shall not have the effect to continue this policy in full force beyond the date when the next premium or instalment is payable. Premiums must be paid at the Home Office of the Company, unless otherwise provided, and in any case only in exchange for an official receipt signed by the Secretary and countersigned by the person to whom payment is made. When any premium remains unpaid after its due date such due date is the date of default.

RE-INSTATEMENT

Should this policy lapse by reason of default in payment of any premium, it may be re-instated at any time within five years, upon the Insured furnishing evidence of insurability satisfactory to the Company, and upon payment of all over-due premiums, and upon payment or re-instatement of any indebtedness under the policy at the date of default, with interest thereon at a rate not to exceed six per cent. per annum.

DEFAULT IN PAYMENT OF ADDITIONAL PREMIUM—In the event of the Insured engaging in service in any Motorcycle Corps or Munition Factory within said "Continental United States," or in Military, Naval, Red Cross or other War Service outside of said "Continental United States," without due payment of the additional premium above required, the Company's liability under the Policy shall be restricted to the Reserve Value of the Policy at the date of the Insured engaging in any such service, less any indebtedness hereon to the Company.

REFUNDS—In the event of the mortality and disability experience on war risks in general, and on war risks assumed by this Company in particular, being favorable and within that provided for by the additional premium, with due allowance for actual claims and deterioration of the continuing risks resulting from war service, the Company will make an equitable refund.

Aeronautics of any description, Submarine Service and Service of any Foreign Government are not covered by the Policy in any event.

TOTAL AND PERMANENT DISABILITY BENEFITS

Attached to and made a part of Policy No. 99,999 insuring John Doe.

A. WAIVER OF PREMIUMS—If while this policy is in full force and without default in the payment of any premium the company receives due proof that the insured, before attaining the age of sixty years has become wholly disabled by bodily injury or disease so that he is, and will be presumably, thereby permanently and continuously prevented from engaging in any occupation whatsoever for remuneration or profit, the company shall waive payment of each premium as it thereafter becomes due during the insured's said disability. In making any settlement under this policy the company shall not deduct any part of the premiums so waived, and the loan and cash surrender values provided for in the policy shall increase from year to year in the same manner as if the premiums increase from year to year in the same manner as if the premiums so waived had been paid in cash.

Provision for Disability Occurring after Age 60—Under all the conditions aforesaid, except that the insured shall have attained the age of sixty years before becoming disabled, the company shall waive payment of each premium thereafter becoming due during such disability, but the face amount of the policy shall be reduced by the amount of each such waived premium, and the loan and cash surrender values in the policy shall be based upon said reduced amount of insurance in the same manner as if the premiums

duced amount of insurance in the same manner as if the premiums for such reduced amount of insurance had been duly paid.

B. Instalment Payments—In addition to waiving payment of premiums as aforesaid, if such disability shall have occurred before the insured attained the age of sixty years, the company, one year after said proof of such disability, shall pay to the insured one-tenth of the face amount of the policy and a like amount in each insurance year thereafter during the continuance of such disability prior to the maturity of the policy; the policy must be returned to the company for the endorsement thereon of each payment. At the insured's option any such payment or payments payment. At the insured's option any such payment or payments may be left with the company to accumulate until the maturity of the policy at such rate of interest as the company may declare on funds so held by it but at a rate not less than three and one-half per cent., compounded annually. Each instalment shall reduce to that extent the amount of insurance in force, and the loan and cash surrender values provided in the policy shall be reduced proportionately to the reduced amount insured. If at the time when any such instalment becomes payable there shall be an indebtedness on the policy in excess of the cash surrender value of the reduced amount of insurance the company shall apply such part of the instalment as may be necessary to reduce the indebtedness to the amount secured by such cash surrender value. Whenever the total amount of said instalments, together with the amount of any remaining indebtedness to the company, shall equal the face amount of the policy, plus any paid-up dividend additions, unpaid dividends and dividends left to accumulate to the credit of the policy, then the company's obligations under the policy shall thereby be fully satisfied and discharged without further action.

C. Paid-up in Fifteen Years

If all coupons are attached hereto and the premiums are paid for fifteen full years, the Company by indorsement will continue this policy as a paid-up life policy for the full amount without further payment of premiums, provided that there is no indebtedness outstanding against this policy.

CHANGE OF BENEFICIARY.—The Insured may at any time, if this policy is not assigned, substitute another Beneficiary for the one herein named, provided that duplicate copies of the deed of substitution shall be sent to the Company at its Home Office, one copy to be retained by the Company and one to be attached to the policy with the endorsement of the Company: however, the validity of any substitution is not warranted by the Company.

PAYMENT OF PREMIUMS.—Each premium is due and payable in advance at the Home Office of the Company in the city of Columbus, Ohio, but premiums may be paid to an authorized agent of the Company in exchange for the Company's receipt therefor, signed by the President or the Secretary, and countersigned by the agent. The unpaid portion of any full annual premium will be deducted in any settlement of this policy. Any matured coupon or coupons will be accepted for their cash value as part payment of any premium on this policy by detaching and mailing the same with any premium on this policy by detaching and mailing the same with the balance of the premium to the Company at its Home Office.

The Company will accept payment of premium in advance, at other times than as stated above, as follows:

Semi-annually, \$198.50; May 1, Nov. 1. Quarterly, \$101.20; May 1, Aug. 1, Nov. 1, Feb. 1.

Failure to pay any of the first three years' premiums, or any part thereof, will void this policy and forfeit all premiums to the Company.

GRACE.—After this policy has been in force one year, a grace of one month will be allowed in payment of any subsequent premium, during which month the insurance shall continue in force: and the unpaid premium shall remain an indebtedness due the

Company.

AUTOMATIC Non-Forfeiture.—After three full years' premiums have been paid, if any premium hereon shall not be paid within one month after due, the Company, on written request of the Insured, will charge the annual premium less the cash value of any matured coupon against this policy as a loan at five per cent. Interest from the time when due, provided that the loan value as shown in the table of net values be sufficient to cover such premium. shown in the table of net values be sufficient to cover such premium in addition to existing indebtedness, including accrued interest thereon; if the loan value be insufficient to cover the entire premium when due, the Company will apply the same to pay the premium for a shorter period, but not for less than one quarter of the year. At any time while the policy is thus sustained in force, the payment of premiums may be resumed.

Conditions.—This policy shall be null and void, except for the amount of premium paid, if the Insured shall die within one year by self-destruction, whether sane or insane; or if the Insured shall at any time engage in military or naval service in time of war (the militia not in actual service excepted), unless a special written permit therefor has been obtained from the Company.

Incontestability.—After one year this policy shall be incontestable, except for non-payment of premiums, or for violation of the condition relating to military and naval service in time of war. All statements made by the Insured in the application shall, in the absence of fraud, be deemed representations and not warranties.

MISTARE IN AGE.—If the age of the Insured has been understated, the amount payable hereunder shall be such as the premium paid would have purchased at the correct age.

ASSIGNMENT,—No assignment of this policy shall be binding upon the Company until it be filed with the Company at its Home Office. The Company assumes no responsibility as to the validity of any assignment.

NET VALUES.—After three full years' premiums have been paid in cash, the reserve on this policy at date of default, computed according to the American Experience Table of Mortality with 3½ per cent. interest, less a surrender charge in no case of more than 2½ per cent. of the amount of the insurance, and less any indebtedness against this policy, may be used, at the option of the Insured, in any one of the ways set forth in the following Tables:

INDEBTEDNESS.—If there be any indebtedness against this policy, the cash value and the loan value shall be reduced thereby; the paid-up value shall be reduced proportionately; and the extended insurance shall be for the amount of the policy—less the indebtedness, and shall be such as said reduced cash value will provide, computed according to the method set forth in the preceding paragraph.

1. CASH.—On surrender of this policy before the expiration of the month of grace, the Company will pay its cash value; provided, however, that such payment may be deferred for a period of three months. (Table 1.)

- 2. Loan.—On the sole security of this policy and the proper assignment hereof, the Company will loan, at five per cent. interest payable annually in advance on the anniversary of the policy, an amount equal to its lean value, less the unpaid balance of the current year's premium, if any. Failure to repay principal or interest shall not void this policy unless the total indebtedness hereon to the Company shall equal or exceed such loan value, nor until one month after notice shall have been mailed to the Insured and the assignee, if any. However, such loan may be deferred for a period of three months. (Table 2.)
- 3. PAID-UP INSURANCE.—On written request by the Insured and surrender of this policy before the expiration of the month of grace, a non-participating policy for the amount of paid-up insurance will be issued. (Table 3.)
- 4. AUTOMATIC EXTENDED INSURANCE.—If the Insured within the month of grace has failed to pay the premium due on this policy and has not availed himself of any other option, this policy will be automatically continued for its face value without further payment of premiums as Non-Participating Term insurance from the date to which premiums have been paid in cash. (Table 4.)

REINSTATEMENT.—This policy will be reinstated at any time after the date of lapse, upon evidence of insurability satisfactory to the Company, and the payment of premium arrears with five per cent. interest per annum compounded, and the payment of any other indebtedness due the Company with accumulated interest.

Notice.—Agents are not authorized to modify this policy, or to extend the time for the payment of premium.

Total and Permanent Disability.—After one full annual premium shall have been paid upon this policy and before a default in the payment of any subsequent premium, if the Insured prior to attaining the age of sixty years shall furnish satisfactory proof that he has since such payment become wholly disabled by bodily injuries or disease, and will be permanently, continuously and wholly prevented thereby for life from pursuing any and all gainful occupations, the Company by an endorsement on this policy, will continue the insurance in force during such disability without the payment of premiums, and the values in this policy shall increase in the same manner as if the premiums were paid by the Insured.

If the Insured shall furnish satisfactory evidence of like total and permanent disability, occurring after he shall have attained the age of sixty years, the Company will, without further action on the part of the Insured, allow the subsequent premiums to accumulate without interest as an indebtedness on this policy.

In any such case the cash loans and the values of this policy shall increase in the same manner as if the premiums were being paid by the Insured.

Provided, however, that as often as required by the Company, the Insured shall furnish satisfactory proof of the continuance of the disability; that should the Insured so far recover as to be able to engage in any gainful occupation, he shall then resume payment of subsequent premiums as originally provided in this policy.

In addition to or independently of all other causes of total and permanent disability, the Company will consider the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, as total and permanent disability within the meaning of this provision.

On any anniversary of this policy this provision may be cancelled by the Insured, in which event the subsequent annual premiums will be reduced twenty-five cents for each one thousand dollars of insurance and such reduction shall be endorsed on this policy.

The Insured may surrender this policy for its face amount in cash, when the accumulated dividend deposits, together with the cash value of this policy and of any additions thereto, equal said face amount.

Cash Loans.—At any time after the first policy year and while this policy is in full force, the Insured may borrow from the Company the sole security of this policy, as duly evidenced in writing, any

sum desired by the Insured within its loan value, which is the cash value at the end of the current policy year, less any indebtedness hereon to the Company and less any unpaid regular premiums for such year. Interest at the rate of 6 per cent per annum will be collected out of the amount of the loan to the end of the current policy year and thereafter be payable annually in advance.

PREMIUM CHARGE ACCOUNT.—If a request therefor, signed by the Insured on the Company's form, is received at the Home Office while this policy is in full force, a premium charge account will be opened for this policy, and thereafter any regular premium becoming due hereon and not paid in cash, or otherwise settled, on the last day of grace, will be paid by being charged by the Company as a loan on the policy, with interest in advance to the end of the current policy year, provided that the loan value of the policy for such year shall be sufficient to cover the charge. Such premium loans shall be subject to the same terms and conditions as cash loans. The charging up of premiums will be discontinued by the Company on receipt at the Home Office of a written request therefor from the Insured.

GENERAL LOAN PROVISIONS.—Any interest not paid in cash when due will be paid by being added to the principal, with yearly interest in advance at the rate payable on the principal, so long as the total indebtedness to the Company against this policy does not exceed its cash value. All or any part of any loan granted hereon by the Company may be repaid by the Insured at any time before default in the payment of premium. Failure to repay any such loan, or to pay interest thereon, shall not void this policy, unless the total indebtedness thereon to the Company shall equal or exceed its cash value, nor until thirty-one days after notice of such fact shall have been mailed by the Company to the last known address of the Insured and of the assignee, if any.

Loan Insurance.—Any indebtedness to the Company against this policy, or any part of such indebtedness, may be covered by nonparticipating loan insurance on the life of the Insured, and such loan insurance shall be applied to the cancellation of the indebtedness covered thereby when this policy matures as a death claim. Any loan insurance, and increase therein, or revival thereof after any period of discontinuance, will be subject to evidence of insurability satisfactory to the Company, will be without double indemnity and disability provisions and without assumption by the Company of the risk of military or naval service in time of war, and will take effect upon receipt by the Insured of the Company's certificate thereof, and not before. It will be granted until the end of the current policy year and may be renewed from year to year, with allowance of grace as in the case of the principal insurance hereunder, at the rates stated in the adjoined table, from which each year's premium shall be computed on the basis of the Insured's attained age at the time when the loan insurance is granted or renewed; but no loan insurance will be granted or renewed after the Insured shall have attained age sixty-five, nor shall it be valid for any portion thereof in excess of any indebtedness hereon to the Company, nor remain in force after a default in any payment required on any insurance or benefit under this policy, the unearned premium in any such case being subject to refund by the Company.

SUICIDE.—If the Insured shall, within two years from the date of issue of this policy, commit suicide or die by his or her own hand or act, whether sane or insane, at the time, the insurance hereunder shall be a sum equal to the premiums which have been paid to and received by the Company hereon, and no more.

RESERVE STANDARD.—The reserve on this policy shall be based upon the 3½ per cent American Experience Table of Mortality and shall during the premium paying period be computed in accordance with the preliminary term method of valuation; the first year's insurance under this policy is term insurance.

CHANGE OF BENEFICIARY.—The Insured may at any time during the continuance of this policy, with the consent of the Company and subject to any existing assignment of the policy, change the beneficiary or beneficiaries herein, by filing at the Home Office a written request on the Company's form therefor, duly acknowledged, accompanied by this policy, such change to take effect upon the endorsement of the same on the policy by the Company. If any beneficiary shall die before the Insured, the interest of such beneficiary shall vest in the Insured.

Miscellaneous Provisions.—This policy is payable at the Home Office of the Company in Chicago, Illinois, and proof of interest of claimant will be required. The proceeds of cash surrender values, or of cash loans, will be paid by the Company within sixty days from the date of the application for such values or loans. Any indebtedness hereon to the Company will be deducted in any settlement of this policy. No agent is authorized to waive forfeitures or to make, modify or discharge contracts, or to extend the time for paying a premium.

ENTIRE CONTRACT.—This policy and the application herefor, a copy of which was attached to this policy when delivered, constitute the entire contract between the parties. All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this policy, of be used in defense of a claim hereunder, unless it is contained in said written application.

MILITARY OR NAVAL SERVICE.—If the Insured shall engage in military or naval service in time of war, the Company's liability under this policy, whether in force as premium paying insurance or as paid-up term or life insurance, will in the event of the death of the Insured during or as a result of such service in time of war be limited to a sum equal to the full reserve hereon by the standard herein named. less any indebtedness hereon to the Company, unless the Insured shall within thirty-one days from the date of entry into such service (or if the Insured be engaged in such service at the date of issue of this policy, then within thirty-one days from said date), obtain from the Home Office of the Company a certificate of coverage therefor, signed by the Presi-

dent or Secretary, and pay to the Company at its Home Office such extra premium as may be required by the Company for such certificate to the end of the current policy year, and shall continue to pay annually thereafter, on each anniversary date of this policy or within the grace period of thirty-one days from said date, such extra premium as may be required by the Company from year to year, as long as such service and any insurance under this policy shall continue. Within one year after the termination of the war the Company will return such portion of the extra premiums as in its judgment may not be required to cover the extra hazard. The aforesaid certificate of coverage will not cover the Double Indemnity and Disability Provisions hereunder, which shall be inoperative during any military or naval service of the Insured in time of war, the Insured becoming entitled, on and from commencement of such service, to the "eturn of any unearned premium paid on account of said provisions and to a reduction in future regular premiums as herein provided. After termination of any such service said provisions will be restored by the Company upon application therefor by the Insured and upon evidence of insurability satisfactory to the Company and payment of the proper premiums.

Privilege of Conversion.—If no claim has been made under the disability provisions herein, this policy, while in full force, may be exchanged by the Insured, without medical re-examination, for a new policy of the same amount, to be issued as of the date of this policy upon any form of participating life or endowment insurance now written by the Company on the lives of persons of the Insured's present age, requiring a higher rate of regular premium based on said age and covering any hazard covered hereby. Such change shall take effect upon the payment of a sum equal to the difference between the regular premiums on the new policy and the regular premiums paid on this policy for the same hazards, with compound interest at the rate of 6 per cent per annum from the due date of each payment to the date of exchange, and upon the surrender of this policy; provided, however, that the payment necessary to secure such exchange shall in no case be less than the difference in the then reserves on the respective policies according to the Company's legal standard therefor. The cash value of any dividend additions or deposits to the credit of this policy, as well as any additional cash value of such dividends as would have been credited under the new policy, may be applied toward the aforesaid payment.

THIS INSURANCE IS GRANTED in consideration of the application herefor, which is hereby made a part of this contract, and of the payment of premiums as herein provided.

REGULAR PREMIUMS.—The annual premium of Ninety-eight and 00/100 Dollars will be payable on delivery hereof and on the First day of August in each year, until premiums have been paid for twenty policy years or until the prior death of the Insured, the first year's premium being for term insurance. In lieu of the annual premium the Company will accept \$50.95 semi-annually in advance, or \$25.98 quarterly in advance. The foregoing premiums include the sum of \$10.50 per annum as the yearly premium for the Double Indemnity and Disability Provisions herein. A reduction of said sum per annum will be granted on any regular premiums becoming due hereon after expiration of said provisions (upon attainment by the Insured of the age of sixty years), or after said provisions become inoperative by reason of the Insured's entry into military or naval service in time of war, or after cancellation of said provisions, it being understood that said provisions will be cancelled by the Company at any time, upon receipt at the Home Office of a written request therefor from the Insured, accompanied by this policy.

GRACE FOR PAYING PREMIUMS.—A grace of thirty-one days from date when due will be allowed, without interest charge, for the payment of every premium after the first, during which time the insurance shall continue in force. If, a request; for an extension

of grace for the payment of any regular premium, signed by the Insured on the Company's form, is received at the Home Office on or before the last day of the aforesaid period of grace, accompanied by the payment of a deposit, on account of the premium, of such amount as the Company may require, such extension will be granted by the Company for any period desired by the Insured within the limit of 225 days for an annual, 125 days for a semi-annual and 25 days for a quarterly premium, subject to the provisions of said formal request and interest at the rate of 6 per cent per annum.

General Provisions as to Premiums.—All premiums are payable on or before the date when due, at the Home Office of the Company in Chicago, Illinois, or to an agent of the Company upon delivery of a receipt signed by the President or Secretary and countersigned by said agent. If the Insured shall die within the period of grace, or while this policy is maintained in force by the payment of a semi-annual or quarterly premium, the unpaid premium or premiums, required to cover the then current policy year shall be considered an indebtedness hereon to the Company. The payment of a premium shall not maintain the policy in force beyond the date when the next payment is due, except as herein otherwise provided. provided.

NONFORFEITURE PROVISIONS.

At the end of the second policy year, or at any time thereafter within thirty-one days from the date to which regular premiums have been paid, the Insured shall have the following Options:

1. To surrender this policy at the Home Office of the Company

for its cash surrender value; or,

2. To surrender this policy at the Home Office of the Company for such nonparticipating paid-up life policy as its eash surrender value will purchase; or,

3. To let this policy continue in force for its face amount, plus amount of any dividend additions or deposits, less amount of any indebtedness hereon to the Company, as nonparticipating paid-up term insurance for as long a term from said date, as its cash sur-

render value will purchase.

If this policy is not, within the aforesaid thirty-one days, surrendered under either Option 1 or 2, it will be automatically continued in force in accordance with Option 3, without further loan privilege, but entitled to a cash surrender value, payable to the Insured, equal to the full reserve thereon at the time of surrender, or exchangeable for such nonparticipating paid-up life policy as such cash surrender value will purchase.

The foregoing purchases shall be made at net single premium rates for the then attained age of the Insured by the 3½ per cent American Experience Table of Mortality, and any paid-up policy or insurance so purchased or becoming available under the non-forfeiture provisions hereof, will be without double indemnity and disability provisions.

The cash surrender value of this policy under Option 1 is its cash value as stated in the adjoined table, or as may be computed from the figures given in said table, plus the cash value of any dividend additions or deposits, less any indebtedness hereon to the Company, it being understood that each semi-annual or quarterly premium paid after the second policy year in addition to payments for entire years will increase the tabular cash value for the policy year last completed by one-half and one-fourth, respectively, of the current year's increase in such value. The tabular cash value is at no time more than 1 per cent of the face amount hereof below the reserve on this policy by the standard herein named, and equals said reserve at the end of the tenth and subsequent policy years. years.

The amount of paid-up policy under Option 2, and the term of continued insurance under Option 3, will be as stated in the adjoined table, if premiums have been paid for entire years and if this policy is free from any indebtedness to the Company, and without dividend additions or deposits.

TABLE OF LOAN AND NONFORFEITURE VALUES.

REINSTATEMENT.—The Company will reinstate this policy, and any indebtedness thereon in accordance with the loan provisions thereof, at any time after a default in any payment required hereon, upon evidence of insurability satisfactory to the Company and settlement of all sums in arrears, with interest thereon at the rate of per cent per annum.

TRUST FUND AND INSTALMENT PRIVILEGE.—The proceeds of this policy as a death claim, or as an endowment or cash surrender value, may be left with the Company for the purpose of providing for the person entitled thereto, as annuitant, an annual or monthly income, in accordance with the provisions of the Trust Fund and Instalment Privilege on the fourth page hereof.

THIS POLICY SHALL BE INCONTESTABLE AFTER TWO YEARS FROM DATE OF ISSUE, if the premiums are duly paid, it being agreed that in case of misstatement of the age of the Insured the amount payable under this policy shall be such as the premium paid would have purchased at the correct age, and that military or naval service in time of war shall be a risk not assumed under this policy at any time, except as herein provided.

This policy is issued with the express understanding that the Insured may, without the consent of the beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred on the Insured by this policy.

After its delivery to and receipt by the Insured, this policy takes effect as of the 1st day of August, 1917, which day is the anniversary of the policy.

In Witness Whereof, The OLD COLONY LIFE INSURANCE COMPANY has, by its President and Secretary, executed this policy, this First day of August, 1917.

JOSEPH McGAULEY, Secretary. B. R. NUESKE, President.

TRUST FUND AND INSTALMENT PRIVILEGE.

The proceeds of this policy as a death claim or as an endowment or cash surrender value, or any part of such proceeds, may be left with the Company for the purpose of providing for the person entitled thereto, as annuitant, an annual or monthly income. In accordance with the written request of the Insured, filed at the Company's Home Office while this policy is in force, the Company

1. Hold said proceeds, or any part thereof, in trust for the annultant and pay 3½ per cent interest thereon annually until the death of the annultant or termination of the trust, when said proceeds, with any accrued interest thereon, shall be paid to the annultant, his or her legal representatives or assigns; or,

2. Pay said proceeds, or any part thereof, to the annultant in equal instalments of annual or monthly income during any period of years from five to twenty-five, in accordance with the following table of Income for Fixed Number of Years; or,

3. Pay said proceeds, or any part thereof, to the annultant

3. Pay said proceeds, or any part thereof, to the annuitant in equal instalments of annual or monthly income to continue for twenty years in any event, and so long thereafter as the annuitant shall live, in accordance with the following table of Continuous Income; or,

4. Hold any part of the proceeds left with the Company, in trust under Option 1, and pay the balance as an income in accord-

ance with Options 2 or 3.

The foregoing options, if not exercised by the Insured, may after the Insured's death, as to the proceeds of this policy payable as a death claim, be exercised by the beneficiary.

The first interest payment under Option 1 will be made one year after the date of termination of this policy; the first income payment under Options 2 and 3 will be made on, or as of, the

date of termination.

Unless otherwise specified by the Insured or by the beneficiary in electing Option 2 or 3, the Company will at any time allow the withdrawal, in cash, of the commuted value of any payments of income yet to be made under Option 2, and in case of the annuitant's death within the twenty year income period under Option 3, the withdrawal in cash, of the commuted value of any remainder of maintainty year income computing the commuted value in either

The Trust Fund and Instalment Privilege is not available if this policy be assigned or if the beneficiary be a corporation or a firm. If there be more than one beneficiary, the proceeds of this policy shall be considered as divided into equal parts, unless otherwise provided. The tables of income herein are based on a policy

the proceeds of which are \$1,000 and will apply pro rata to the proceeds of this policy, or to any beneficiary's share of such proceeds, left with the Company.

The income under the foregoing options, excepting that payable after the first twenty years in accordance with the following table of Continuous Income, will, at the end of each income year, be increased by such extra payment as the Company may each year determine and allow from interest earned on its funds in excess of $3\frac{1}{2}$ per cent per annum.

Change of Beneficiary.—The Insured, with the assent of the assignee when there is an existing assignment, made as herein provided, other than an assignment to the Company as collateral security for a policy loan, may, while this policy is in force, designate a new beneficiary, reserving the right of revocation, by filing written notice thereof at the Home Office of the Company, accompanied by this policy for endorsement thereon. Such change shall take effect on the endorsement of the same on this policy by the Company and not before. Should there be no beneficiary living at the time this policy becomes a claim by death, the proceeds hereof shall be paid to the executors, administrators or assigns of the Insured.

PARTICIPATION.

This policy, while in full force and effect (both during and subsequent to its premium paying period), shall participate in the future surplus earnings of the participating business of the Company. The proportion of the divisible surplus accruing on this policy shall be determined by the Company and distributed annually, and not otherwise. The distribution of the surplus at the end of the first policy year shall be conditioned on the payment of the premium then due, but the distribution at the end of the second and subsequent policy years shall not be so conditioned.

DIVIDENDS.—Dividends, at the option of the Insured, shall each year on the anniversary date of the policy be

OPTION 1.—Paid in cash; or

OPTION 2.—Applied toward the payment of any premium or premiums; or

OPTION 3.—Applied to the purchase of nonparticipating paid-

up additions to the policy; or

OPTION 4.—Left to accumulate to the credit of the policy, with compound interest at such a rate as may be determined from time to time by the Company, and payable at the maturity of the policy, but withdrawable on demand. The Company guarantees that the interest rate shall not be less than 3½ per cent per amum, and that the same shall be compounded annually.

Unless the Insured shall elect otherwise within three months after the mailing by the Company of a written notice requiring the election of one of the four above options, the dividends will be applied to the purchase of paid-up additions (Option 3), which may be surrendered for cash at any time, and the cash value thereof

shall not be less than the original cash dividend.

ACCELERATING OPTION.—Whenever the reserve of the face amount of this policy and of any outstanding dividend additions, together with any dividends left to accumulate and the accrued interest thereon, shall equal the reserve for a fully paid life policy of the same face amount as this policy at the then attained age of the Insured, the Company, on written request of the Insured, will endorse this policy as a fully paid participating life contract; or, whenever such reserve, dividends and interest shall equal the face amount of this policy, the Company, on written request of the Insured and execution of a satisfactory release, will pay such amount, less any indebtedness hereon to the Company, to the Insured as an endowment Insured as an endowment.

At any time the Company on request will advise the Insured as to the status of the policy in regard to the application of this eption.

PERMANENT TOTAL DISABILITY BENEFIT.

Should the Insured, before attaining the age of sixty years, become permanently totally disabled, as hereinafter defined, while this policy is in full force and effect and no premium is in default, the Company agrees to waive the payment of all premiums thereafter becoming due under the conditions of the policy and to pay to the Insured a monthly income of \$10 for each \$1,000 of the face amount of this policy. Such waiver of premium payment shall become operative, and the first of such monthly income payments shall be made, immediately on receipt by the Company of due proof of such disability, and subsequent monthly income payments shall be made on the first day of each month thereafter as long as the Insured shall live; provided, however, as follows:

That any medical adviser of the Company shall be allowed to examine the person of the Insured in respect to any alleged permanent total disability, in the manner and at such times as the medical adviser may require.

On written application by the Insured before attaining the age.

If interest is not paid when due, it shall be added to the principal and bear interest at the same rate. Fallure to repay the loan or to pay interest thereon shall not avoid this policy unless the total indebtedness hereon to the Company shall exceed the cash surrender value at the time of such failure, nor until thirty-one days

The Company reserves the right to defer the granting of loans for a period not exceeding sixty days after application therefor is made, unless such loans are to be used to pay premiums on this policy.

Nonforferture.—After this policy shall have been in force three full years, the Insured may elect within three months after any default in payment of premium, but not later, any one of the

following options:

OPTION 1.—CASH SURRENDER VALUE.—Surrender this policy to

the Company at its Home Office for its cash value; or

OPTION 2.—PAID-UP LIFE INSURANCE.—Have this policy endorsed by the Company for a reduced amount of nonparticipating paid-up life insurance, payable at the same time and on the same conditions as this policy; or

conditions as this policy; or
OPTION 3.—PAID-UP TERM INSURANCE.—Have the insurance for
the face amount of this policy, plus any outstanding dividend additions and less any indebtedness hereon to the Company, continued
in force from date of default for such term as is hereinafter provided, but without participation and without the right to loans.

The cash surrender value shall be equal to the entire reserve on the face amount of this policy and on any outstanding dividend additions thereto, computed according to the American Experience Mortality Table and interest at the rate of 3½ per cent per annum. Any indebtedness hereon to the Company shall be deducted from the eash surrender value.

The amount of the paid-up life insurance or the term of the paid-up term insurance shall be such as the amount of the cash surrender value, reduced by the amount of any indebtedness hereon to the Company, will purchase, applied as the net single premium at the attained age of the Insured based on the American Experience Mortality Table and interest at the rate of 3½ per cent per annum.

The Company reserves the right to defer the granting of a cash surrender value for a period not exceeding sixty days after application therefor is made.

AUTOMATIC NONFORFEITURE.—If the Insured shall not, within three months from default, surrender this policy to the Company at the Home Office for its cash surrender value, as provided in Option 1, or for endorsement as paid-up life insurance as provided in Option 2, the insurance will be automatically continued as provided in Option 3.

Such interest payments will be increased by profits, as determined from time to time by the Company, arising from excess interest earnings over the rate guaranteed herein. The said amount, together with the accrued interest thereon, shall be payable at the death of the beneficiary to the executors, administrators or assigns of the beneficiary, but may be withdrawn at any time. This benefit shall be inoperative if the amount payable under this policy be less than \$1,000, if the beneficiary be a partnership, a company or a corporation, or if the Insured direct that the proceeds of this policy shall be payable other than in one sum.

JOHN HUMPHREYS,

Geo. K. Johnson, Secretary. President.

J. BURNETT GIBB, Actuary.

FROM THE DATE OF ISSUE THIS POLICY SHALL BE WITH-OUT ANY RESTRICTIONS AS TO TRAVEL OR RESIDENCE.

I. PAYMENT OF PREMIUMS.—All premiums are due and payable in advance at the Home Office of the Company in the City of Philadelphia, or they may be paid to agents on or before the dates when due in exchange for receipts signed by the President, Vice-President, Secretary, Treasurer, or Actuary and countersigned by the agent.

The insurance under this Policy is based upon annual premiums payable in advance; but on any anniversary, upon written request, payments may be made semi-annually or quarterly in advance at the premium rates therefor now in use by the Company.

- II. GRACE IN PAYMENT OF PREMIUMS.—A grace of thirtyone days, during which this Policy shall remain in force, will be
 granted for the payment of premiums or regular instalments thereof, after the first. If the death of the insured occur during the
 days of grace, the sum necessary to complete payment of premium for the then current policy-year will be deducted from the
 amount payable hereunder.
- III. Incontestability.—This Policy and the application therefor, a copy of which is attached hereto, constitute the entire contract between the parties. The contract shall be incontestable after one year from its date of issue, except for non-payment of premiums, or for violation of the provision relating to Military or Naval Service; but in case of suicide, whether sane or insane, within one year from the date of this Policy, the liability of the Company shall be limited to the amount of the premium paid hereon. All statements made by the insured shall, in the absence of fraud, be deemed representations and not warranties and no such statement shall avoid or be used in defense under this Policy unless it is contained in the written and printed application and a copy of such application is attached to this Policy when issued.

Any error in stating the age of the insured shall be adjusted by the Company paying at the maturity of this contract such amount as the premium actually paid would have purchased at the table rate at the correct age.

- IV. CHANGE OF BENEFICIARY.—Whenever the right to change the beneficiary has been reserved in the last designation of beneficiary recorded at the Home Office of the Company, the insured, or his duly appointed guardian if he be not of legal age (subject to any previous assignment of this Policy filed with the Company as herein provided), shall be entitled, without the consent of the beneficiary, to any cash dividends declared on this Policy and to the loan or cash value herein provided for, and shall have full power while this Policy is in force to designate a new beneficiary, with or without reserving the right of future designation, by filing written notice thereof at the Home Office of the Company and such change shall take place upon such filing and not before. If any beneficiary shall die before the insured the interest of such beneficiary shall vest in the insured unless otherwise provided in this Policy or in the written designation of beneficiary filed as above.
- V. DIVIDENDS OF SURPLUS.—This Policy shall participate in surplus, and upon payment of the second year's premium and at the end of the second and of each subsequent policy-year, while this Policy is in force by payment of premiums and thereafter when full paid, the Company will determine and account for the portion of the divisible surplus accruing thereto. These dividends, at the option of the insured, will be applied in any year to reduce the premium, to increase the amount of insurance, or to accumulate to the credit of this Policy at 3 per cent. compound interest per

annum, this interest rate to be increased annually by such addition as may be awarded by the Board of Trustees, which accumulation will be payable at the maturity of this Policy, or may be withdrawn at any premium anniversary. If no other option is selected, dividends shall be paid in cash.

withdrawn at any premium anniversary. It no other option is selected, dividends shall be paid in cash.

VI. Loans.—After three full years, premiums have been paid, the Company, at any time while this Policy is in force, will advance, on proper assignment and delivery of this Policy and on the sole security thereof, and in accordance with Sections VIII and IX hereof, a sum which, with interest thereon to the end of the current policy-year, shall be equal to, or at the option of the owner less than, the cash value at the end of the said year, which cash value shall be the full reserve on this Policy and on any dividend additions thereto according to the American Experience Table of Mortality with interest at 3 per cent. The amount of such advance shall be reduced by any existing indebtedness on this Policy and any unpaid balance of the current policy-year's premium. Interest on the advance will be at the rate of 6 per cent, per annum and shall be payable at the end of each policy-year, and this interest, if not paid when due, shall be added to the existing indebtednesss, provided the total indebtedness would not then exceed the cash value, and the indebtedness thus created shall bear interest at the same rate. The indebtedness or any part thereof may be repaid to the Company at any time. Failure to repay any such advance or to pay interest thereon shall not void this Policy unless the total indebtedness hereon with interest shall equal or exceed the cash value at the time of such failure, in which case there shall be no liability under this Policy; provided, however, that no such termination shall be effective until one month after notice shall have been mailed by the Company to the last-known address of the insured and of the assignee, if any, of record at the Home Office of the Company. All indebtedness on account of this Policy, with accrued interest, shall be deducted from any settlement hereunder. deducted from any settlement hereunder.

Non-Forfeiture.—If this Policy shall lapse through nonpayment of premium after three years' premiums have been paid, the Company will secure to the owner thereof a form of insurance, the Company will secure to the owner thereof a form of insurance, the net value of which shall be equal to the full reserve on this Policy and on any dividend additions thereto at the date of default, according to the American Experience Table of Mortality, with interest at three per cent., less any existing indebtedness to the Company on this Policy. At the end of the third and succeeding years the cash value is the full reserve, and the paid-up and extension values are the equivalents thereof. The stipulated values of this Policy shall be correspondingly increased for any fractional portion of a year's premium which has been paid. This nonforfeiture value shall be secured to the owner of this Policy through one of the following provisions:

forfeiture value shall be secured to the owner of this Policy through one of the following provisions:

First.—The automatic extension without participation of the net amount insured by this Policy for the number of years and days provided for in the table below, at the expiration of which time the insurance shall cease; or,

Second.—The issue of paid-up participating insurance payable at death for the sum provided for in the table below upon written application therefor by the owner of this Policy and the legal surrender of all claims hereunder to the Company at its Home Office within one month after lapse; or,

Third.—The payment, in accordance with Sections VIII and IX hereof, of the cash surrender value provided for in the table below on surrender of this Policy and all claims hereunder to the Company within one month from the date of lapse.

VIII. The Company shall have the right to defer the payment of the surrender value of this Policy, or the making of a loan hereon (unless for the purpose of paying premiums on policies in this Company) for a period of not exceeding ninety (30) anys from the date of the application therefor.

Should any indebtedness exist, it shall be deducted from the cash value of this Policy; the amount of the paid-up insurance shall be reduced in the same proportion as the cash value is reduced; or in case of lapse the extended insurance shall be for the face of this Policy less the indebtedness and for such a term as said reduced cash value will provide.

The cash value of any paid-up or extension granted upon the lapse of this Policy will be the full reserve at the time of

surrender, less any indebtedness to the Company under this Policy. and will be paid to the owner hereof upon proper release.

- X. Reinstatement.—In the event of default in premium payments, unless the cash value has been duly paid, it is agreed that this Policy may be reinstated at any time upon evidence of insurability satisfactory to the Company and the payment of all overdue premiums and the payment or reinstatement of any other indebtedness to the Company upon said Policy, with interest at the rate of not exceeding 6 per cent. per annum.
- XI. DEATH CLAIM.—When this Policy shall become a claim by the death of the insured, settlement less any indebtedness on account of this Policy will be made upon receipt of due proof of death, and delivery of this Policy to the Company. When premiums are payable in semi-annual or quarterly instalments, any unpaid instalment of the premium for the policy-year during which death occurs will be deducted from the sum payable under this Policy.
- INSTALMENT TABLES.—The net proceeds of this Policy at maturity may be made payable, at the option of the bene-ficiary, unless otherwise directed by the insured in writing filed with the Company, in such number of instalments two to thirty, as may be chosen in accordance with Table A of Instalment Values printed below.

Similarly, the net proceeds at maturity may be made payable in annual instalments for twenty years or ten years guaranteed and as much longer thereafter as the beneficiary may live, in accordance with Table B or Table C of Instalment Values printed below.

These options can only be exercised in cases where the bene-

ficiary is an individual. They are not available when an association, firm or corporation is named as beneficiary or assignee.

The instalments under Table A, or the instalments-certain under Table B or Table C, after the first year, will be increased annually by such surplus as may be awarded by the Board of Trustees.

The commuted value of any unpaid instalments under Table or the commuted value of any unpaid instalments-certain under Table B or Table C, will be calculated by the Company at any time upon the same basis (3% compound interest) as the instalments were granted, and will be paid to the owner of this Policy upon proper release.

These tables are based upon a policy, the net proceeds of which are \$1,000, and apply pro rata to this Policy.

This method of premium settlement will be applicable when request for such premium liens is filed by the owner of this Policy at the Home Office after this Policy has acquired a pan value and while there is no default in the payment of any presium, and such request is revocable as to any future premium.

XVI. No ALTERATION OF THIS POLICY, or waiver of any of its conditions shall be valid unless endorsed hereon and signed by an officer of the Company. No agent is authorized to modify, alter or enlarge this contract or to bind the Company by any promise or undertaking as to distribution of surplus or any future award of interest.

XVII. MILITARY OR NAVAL SERVICE.—If within five years from the date of this policy the Insured shall engage in any military or naval service in time of war, the liability of the Company in event of the death of the Insured while so engaged or within six months thereafter, will be limited to the return of the premiums paid hereon (exclusive of any extra premium paid for military or naval service) less any indebtedness to the Company hereon; unless before engaging in such service or within thirty-one days thereafter (or at the time of paying the first premium due hereon if the Insured shall be then so engaged) the Insured shall pay to the Company at its Home Office such extra premium as may be required by the Company, and in like manner shall pay annually thereafter on each anniversary of this policy or within thirty-one days thereafter, while the Insured shall continue to be so engaged, such extra premiums as may be required by the Company.

Within one year after the termination of the war, the Company will return such portion of the extra premiums as in its judgment will not be required to cover the extra hazard.

Any provisions of this policy for benefits in event of total and permanent disability terminate upon the Insured's engaging in military or naval service in time of war, and the Company upon receiving notice from the Insured of his engaging in such service will return the pro rata portion of the premium charged for such benefits for the unexpired period for which payment may have been made.

XVIII. Total and Permanent Disability Benefits; Waives of Premium—Annuity Payment.—If after one year's premium shall have been paid on this Policy and before default in the payment of any subsequent premium the insured shall furnish to the Company due proof that, prior to the maturity of this Policy and before attaining the age of sixty, he has become wholly disabled by bodily injury or disease so that he is and thereby will be parmanently and continuously unable to engage in any occupation whatever for remuneration or profit, and that such disability has existed continuously for not less than sixty days prior to the furnishing of proof, thereupon the Company will grant the following benefits:

- a. Waiver of Premium.—The Company, by endorsement hereon, shall waive the payment of the premiums which thereafter may become due under this Policy during the continuance of the said total disability of the insured. In making any settlement under this Policy the Company shall not deduct any part of the premiums so waived, and the Non-Forfeiture values of this Policy shall increase from year to year in the same manner as though any premium waived under this provision had been paid in cash;
- b. Annuity Payment.—Furthermore, the Company will pay to the insured a monthly sum equal to one one-hundred-and-twentieth of the face of this Policy, the first monthly payment to be made six months after receipt of due proof of the said total disability accompanied by this Policy for endorsement, and subsequent payments monthly thereafter during the continuance of the said total disability of the insured prior to the maturity of this Policy. The Company will admit the age of the insured when furmished with satisfactory evidence of the date of birth and reserves the right to require such proof of date of birth at the time proof of

disability is furnished. The amount of this Policy payable at maturity either as an endowment or as a death claim shall not be reduced by any payments made under this disability provision.

RECOGNIZED DISABILITIES.—Without prejudice to any other cause of total disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, shall be considered as total and permanent disability.

RECOVERY FROM DISABILITY.—Should the Company accept proofs of permanent disability under this Policy, it may nevertheless, at any time thereafter, but not oftener than once a year subsequent to the first payment of the disability annuity, demand of the insured due proof of the continuance of such total disability; and upon failure to furnish such proof, or if it be established that the insured has engaged or has become able to engage in any occupation whatever for remuneration or profit, all disability benefits under this Policy, except in case of the recognized disabilities hereinbefore mentioned, shall thereupon cease.

Discontinuance.—While any Non-Forfeiture provision set forth in Section VII is in effect, or in event of total and permanent disability occurring after age sixty, no disability benefits shall accrue. The foregoing provisions for disability benefits in event of total and permanent disability shall immediately terminate if the insured shall engage in Military or Naval Service in time of war, including aeronautic service in any form, and the additional premium for disability benefits shall thereupon cease to be payable. Upon written request by the insured, accompanied by this Policy for endorsement, the provision for disability benefits may be discontinued.

If so discontinued, or if the insured attain age sixty, premiums thereafter will be reduced by Eighteen and 60/100 Dollars yearly, being the additional premium for such benefits. Non-payment of the said additional premium will void the provisions respecting disability and the benefits secured thereby.

TABLE OF NONFORFEITURE VALUES.

After the completion of the second policy year the term of continued insurance and the amount of paid-up life policy granted

hereunder are the mathematical equivalents of the corresponding cash value at net single premium rates by the reserve standard herein named, and attained age of the Insured. The cash value of this policy at the completion of the second policy year and thereafter is the full reserve hereon. An extension of this table covering later policy years will be furnished on application to the Home Office.

All nonforfeiture values hereunder are in excess of any legal requirements.

Values.—After the second policy year semi-annual or quarterly premiums paid in addition to payments for entire years will cause an increase in the tabular cash value proportionate to the increase therein effected by the payment of an annual premium. The tabular cash value will also be increased by the amount of any dividend deposits to the credit of this policy and by the reserve on any paid-up insurance additions attached thereto. Any such increase will involve a corresponding increase in the amount of paid-up life policy, which will be such as the increased cash value will purchase at net single premium rates by the reserve standard herein named; and will involve a change in the term of continued insurance, without endorsement hereon, to that term for which the increased cash value will carry the face amount hereof, plus any existing paid-up insurance additions, at net single premium term rates by the reserve standard herein named, for the attained age of the Insured, counting each completed quarter of a year in arriving at such age.

NALUES WHEN INDEBTEDNESS EXISTS.—The foregoing table and nonforfeiture provisions are based on the assumption that there is no indebtedness hereon to the Company. If there is such indebtedness, it shall be deducted from the cash value, and the amount of paid-up life policy and term of continued insurance will be such as the excess only of cash value over indebtedness will purchase at net single premium rates by the reserve standard herein named, and attained age of the Insured, as above stated; provided that the insurance shall in any event continue in force for the period of grace above provided.

20-PAYMENT LIFE ANNUAL DIVIDEND POLICY. TOTAL DISABILITY, WAIVER OF PREMIUM, ANNUITY PAYMENT.

20- 1-02 J

No. 99,999. Amount, \$10,000. PREMIUM, \$374.50.

PHILADELPHIA LIFE INSURANCE COMPANY OF PHILADELPHIA, PA

In Consideration of the application for this policy, and of the payment of Three Hundred Squenty-four and 50/100 Dollars in advance, hereby insures the life of John Doe, hereinafter called the insured, for one year.

Upon the payment of an annual premium of Three Hundred Seventy-four and 50/100 Dollars, on or before the eleventh day of June, 1918, this policy will become a Limited Payment Life policy, and the insurance will be continued by the payment of a like sum on or before the eleventh day of June, in each year thereafter during the life of the insured for eighteen years or until prior death of the insured.

Upon receipt of due proofs of the death of the insured, provided this policy is in force, the Company will pay Ten Thousand Dollars at its Home Office in the City of Philadelphia to Jane-Doe; wife of the insured if living, otherwise to the executors, administrators or assigns of the insured.

WAIVER OF PREMIUMS AND ANNUITY.

If the insured, before attaining the age of sixty years, and after paying one full annual premium in each, and before default in the payment of any subsequent premium, shall furnish due proof to the Company that he has become disabled by bodily injury or disease so that he will be permanently, continuously and wholly prevented thereby from performing any work for compensation or profit, and such disability has existed continuously for not less than sixty days prior to the furnishing of said proof, the Company, by endorsement hereon, will grant the following benefits:

- (1) The Company will waive payment of premiums thereafter becoming due under this policy during the continuance of said disability of insured.
- to one one-hundred-and-twentieth of the face of this policy, the first monthly payment to be made six months after receipt of said proof of disability and subsequent payments monthly thereafter during the continuance of said disability of insured prior to the maturity of this policy.

Premiums waived and annuity benefits paid will not be deducted from any settlement under this policy, and the non-forfeiture options on surrender or lapse will increase from year to year in the same manner as though any premium waived under this provision had been paid in cash. The Company will admit the age of the insured when furnished with satisfactory evidence of the date of birth, and reserves the right to require such proof of date of birth at the time the proof of disability is furnished.

In addition to any other cause, the entire and frecoverable loss of the sight of both eyes, or the severance of both hands at or above the wrists, or of both feet at or above the ankles, or of one entire hand and one entire foot, shall be considered as disability.

Should the Company accept proof of disability under this policy, it may nevertheless, at any time thereafter, but not more often than once a year, demand of the insured due proof of the continuance of such disability; and upon failure to furnish such proof, or if it be established that the insured has engaged or has become able to engage in any work whatever for compensation or profit, all disability benefits under this policy shall thereupon cease.

While any non-forfeiture option on surrender or lapse as set forth in this policy is in effect, or in event of disability occurring, after age sixty, no disability benefits shall accrue, nor shall any disability benefit apply if the insured engages in military or naval; service in time of war. On written request by insured accompanied by this policy for endorsement the provision for disability, benefits may be discontinued. If the disability benefits are discontinued, or when insured attains age sixty, premiums thereafter will be reduced by \$18.70 Dollars yearly, being the additional premium for such benefits. Non-payment of said additional premium will void the provisions and benefits respecting disability.

CHANGE OF BENEFICIARY.—The insured may, while this policy is in force and unassigned, change the beneficiary. Written request must be made and the change will take effect when endorsement is made by the Company upon the policy. The right is reserved to the insured, without the consent of the beneficiary, to receive every benefit, exercise every right and enjoy every privilege conferred upon the insured by this policy.

DIVIDENDS.—The surplus accruing upon this policy shall be ascertained, and distributed annually, and at the option of the insured may then be allowed to remain with the Company with insterest at a rate not less than three and one-half per centum; used to purchase paid-up additions; or withdrawn in cash, but if so withdrawn the value of the following provisions would thereby be reduced. If no other option is selected, dividends may be withdrawn in cash.

REDUCING PREMIUM PAYING PERIOD.—Whenever, at the end of any policy year, the accumulations of surplus shall be sufficient to prepay future premiums hereon, no further premiums shall be required; but at the option of the insured the payment of premiums may be continued in order to increase accumulations.

MATURING THE POLICY AS AN ENDOWMENT.—Whenever, at the end of any policy year, the accumulated surplus and reserve together shall equal or exceed the amount insured hereunder, this policy shall mature as an endowment, and shall be payable at once to the insured during his lifetime.

SURPLUS PAYABLE WITH SUM INSURED.—If this policy becomes a claim by death, the sum insured hereunder, together with any surplus withdrawable at the end of the previous policy year, shall be paid the beneficiary.

Incontestable, except for non-payment of premiums, after one year from its date.

From date of issue this policy shall be without any restrictions as to travel, residence or occupation, except as provided herein.

payable hereunder shall be such a sum as the premium actually paid: would have purchased at the correct age. Self-destruction while same or insame, within one year of the date hereof, is a risk not assumed by the Company under this policy. All statements, made by the insured shall in the absence of fraud of deemed representations vand in the warranties.

PAYMENT OF PREMIUMS.—All premiums are payable is advance at the Home Office of the Company or to an agent of the Company upon delivery of a receipt signed by an executive officer of the Company—the President, a Vice-President, Secretary. Treasurer, Actuary or Comptroller—and countersigned by said agent.

A grace of one month shall be granted for the payment of every premium after the first, during which time the insurance shall continue in force. If death occurs within the days of grace the unpaid portion of the premium for the then current policy year shall be deducted from the amount payable hereunder.

Except as herein provided, the payment of a premium or instalment thereof shall not maintain the policy in force beyond the date when the next premium or instalment thereof is payable, and failure to pay any premium or note when due will forfeit the policy and all payments made thereon. Any unpaid portion of the current year's premium and all indebtedness will be deducted from any settlement of this policy.

Premium Loans.—In lieu of automatic extended insurance, and on satisfactory request from the insured prior to default in the payment of any premium herson, the Company shall first apply any withdrawable surplus to pay the same; and the remainder due, if any, shall be charged against this policy as a loan at five per centum interest, if the respective loan value specified below be sufficient to cover such advance, in addition to existing liens and accrued interest; provided that if the credits be not sufficient to cover the entire premium then due, the Company shall apply the same, if sufficient, to pay the premium for a shorter period, but not less than one month's premium. At any time while the policy is thus sustained in force, the payment of premiums with interest may be resumed. When advances can no longer be made, any balance then remaining shall be used to purchase term insurance, as stated below. No grace will be accorded under this provision.

Loans.—After three full years' premiums have been paid, the Company at any time, while this policy is in force, will advance, on proper assignment of this policy and on the sole security thereof, at a rate of interest not greater than five per centum per annum, a sum equal to, or, at the option of the owner of the policy, less, than, the reserve at the end of the current policy year on this policy and on any dividend additions thereto, computed according to the American Experience Table of Mortality, with interest at three and one-half per centum per annum, less a sum not more than one per centum of the amount insured by this policy and of any dividend additions thereto. The Company, however, will deduct from such loan value any existing indebtedness to the Company on this policy and any unpaid balance of the premium for the current policy year, and may collect interest in advance on the loan to the end of the current policy year. Failure to repay any such advance or to pay interest shall not avoid this policy unless the total indebtedness hereon to the Company shall equal or exceed such loan value at the time of such failure.

Non-Forfeiture Options on Surrender or Lapse.—In event of default in the payment of premiums after premiums have been paid for three years, the insured will be entitled, as provided in the table of surrender values, to any one of the following options:

1. To automatic non-participating paid-up term insurance for the amount insured by this policy, for such time as the surrender value will purchase. The surrender value will be the entire reserve on this policy and on any dividend additions thereto, computed according to the American Experience. Table of Mortality with interest at three and one-half per centum, less a sum not more than one per centum of the amount insured by this policy and of any dividend additions thereto, and less any existing intedness to the Company on this policy.

- 2. To a non-participating paid-up life insurance policy, for an amount not less than may be purchased by the surrender value aforesaid, upon surrender within one month-after default.
- 3. To a cash value not less than the surrender value afore-

The surrender values stated will be increased correspondingly for any fractional portion of a year's premium which shall have been paid. Figures for later years will be furnished upon request.

PROVISION FOR MONTHLY LIFE INCOME AND WAIVER OF PREMIUM IN THE EVENT OF PERMANENT TOTAL DISABILITY.

Issued as a part of and attached to Policy No. 99999 on the life of John M. Phoenix.

Primium.—In consideration of the application herefor, which is made a part of this contract and a copy of which is attached hereto, and of a premium of \$20.20, payable annually, in addition to and together with the premium provided for under said policy, until the insured thereunder attains the age of sixty years, or until the premiums under said policy are fully paid, if prior thereto, the following disability benefits are hereby made a part of said policy.

LIFE INCOME PAYABLE MONTHLY AND WAIVER OF PREMIUMS.—
If, while said policy is in force and there is no default in payment of any premium hereunder or under said policy, due proofs shall be received at the Home Office of the Company that the insured thereunder, before attaining the age of sixty years, had become totally disabled, through sickness or accident, so that he had been for at least sixty days just preceding, is then and presumably will be thereby permanently incapacitated from engaging in any gainful occupation, the Company will, during the lifetime of the insured and while such total disability continues, waive each subsequent premium hereunder and under said policy as it shall become due, and, beginning six months after receipt of such proof of disability, will pay to the insured a monthly income of One Hundred Dollars.

Policy Payable at Death or Maturity.—Upon the fleath of the insured or at maturity the policy will be payable in accordance with its terms without deduction on account of any payments made or premiums waived by the Company under these disability provisions. The non-forfeiture values and dividends thereunder will be the same as if the premiums so waived were paid in cash, and if dividends had been used to reduce premiums they will be paid to the insured or assigns in cash.

MISSTATEMENT OF AGE.—In case of misstatement of the age of the insured hereunder, the amount of the income payments herein provided for shall be subject to an adjustment proportionate to the premium at the true age and a return of any excess payments which may have been made by the Company.

PROOF OF DISABILITY AND RECOVERY FROM DISABILITY.—Should a claim for disability benefits be made hereunder, the Company may require proof of the age of the insured and may also require as a part of the proof of such disability that one of its medical examiners be allowed the opportunity of satisfying himself, by personal examination, as to the disability of the insured; and the Company may also require proof of the continuance of such disability in like manner, but not more frequently than once a year. Should the insured fail to furnish such proof or refuse to parmit such examination, or become able to pursue some gainful occupation, then all premiums thereafter falling due under the contract as driginally made nust be paid to the Company in manner as described therein, and the monthly income hereinbefore provided for shall immediately cease.

DISABILITY ACCEPTED AS TOTAL AND PROMANENT.—Without prejudice to any other provision it is understood that the total and permanent loss of the use of both hands or of both feet, or of one foot and one hand, or of the sight of both eyes, shall constitute permanent total disability within the meaning of the above provision.

Provision MAY BE DISCONTINUED.—This provision may be discontinued on any anniversary of said policy by filing with the Company a satisfactory request therefor together with this agreement for cancelation.

EFFECT OF MILITARY, NAVAL AND RED CROSS SERVICE.—This provision shall automatically terminate if and when the insured during the first two years from the date of the policy shall engage in any military, naval, Red Cross or other Relief Service outside of continental United States and Canada, and the waters within three miles of their coast lines. In event of such termination a pro rata refund of the premium for this benefit will be made for the unexpired period already paid for.

the unexpired period already paid for.

APPLICATION.

I hereby declare and agree that the foregoing statements and those made to the Medical Examiner appearing in Part II of this application are full, complete and true, and that the insurance hereby applied for shall not take effect until the issuance of a policy and the payment of the first premium thereon, except as provided in the Binding Receipt bearing the same number herewith. I furthermore agree that my death from suicide, while same or insane, within one year from the date of any policy issued hereon, shall reduce the Company's liability thereunder to the amount of the cash premiums paid thereon.

MEDICAL EXAMINER'S FORM.

I hereby certify that I have read the above answers before signing, and that they have been correctly written as given by me and that they are full, complete and true.

After two years this contract is free from conditions as to travel, residence or occupation. After two years no extra premium or permit will be required for military or naval service in time of war or in time of peace.

WAR CLAUSE.

This policy is free from all restrictions or conditions regarding Military, Naval or Red Cross Service, in peace or war, within the continental United States, including the waters within three miles of its coast line.

If the Insured hereunder shall die during the first two years from the date hereof as a result, directly or indirectly, of engaging in any Military, Naval, Red Cross or other Relief Service outside of the continental United States and the three mile limit above described, the amount payable hereunder shall be limited to one-fifth of the amount of insurance described on the first page hereof, unless, before leaving the continental United States, the Insured hereunder shall secure from the Company a permit for such service signed by an executive officer, and shall pay any extra premium or premiums which may be charged therefor, (a grace of 31 days being allowed for payment of same), which extra premiums will not exceed the sum of ten per centum (10%) annually of the amount of insurance described on the first page hereof. No extra premium will be required after two years from date of policy.

If any such extra premium is paid under this policy, the Company, within one year from the close of the war, will refund to the owners of this policy, or the beneficiaries hereunder if it has become a claim by death, any part of such extra premiums paid hereunder which shall not be required to meet the proportionate part of the death losses due directly or indirectly to the service for which the extra premium was paid.

PROVISION FOR DOUBLE INDEMNITY FOR ACCIDENTAL DEATH.

THE PHOENIX MUTUAL LIFE INSURANCE COMPANY OF HARTFORD, CONN.

No. 99999.

PROVISION FOR DOUBLE INDEMNITY.

Issued as a part of and attached to Policy No. 99999 on the life of John M. Phoenix.

In Consideration of the application herefor, which is made a part hereof, and a copy of which is attached hereto, and of the payment of premiums as hereafter described, in the event of the accidental death of the Insured under the conditions described herein, The Phoenix Mutual Life Insurance Company promises to pay the sum of Ten Thousand Dollars in addition to the sum insured under the said policy, making a total sum insured of Twenty Thousand Dollars, increased by the amount of any dividends or insurance additions or any Premium Deposit Fund then standing to the credit of said policy and decreased by any indebtedness to the Company under said policy or this agreement, including any portion of any current year's premium under said policy and under this agreement unpaid at the time of the death of the Insured.

Said additional sum will be paid under the same conditions, to the same payee and at the same time as may then be provided in said policy for the payment of the sum insured, or the first instalment of any income payable thereunder.

This agreement shall not participate in any distribution of surplus.

The premium is Fourteen and 30/100 Dollars and is payable on the first day of each May in addition to and only in connection with the premium provided for under said policy, which additional premium is to be continued until the said Insured attains the age of sixty years or until in the meantime the Insured has died or the premiums under said policy have been fully paid or are waived in accordance with the terms therein expressed.

Such additional sum shall be due only under the following conditions:

- 1. That at the death of the Insured the above numbered policy shall be in force and that there is then no default in payment of any premium hereunler or under said policy.
- 2. That this benefit shall not be paid if death results directly or indirectly from disease, or from suicide while sane or insane, or from bodily injuries received while the Insured is engaged in military, naval, Red Cross or other relief service in time of war, or in aeronautic or submarine operations, or from accident experienced outside of the continental United States and the waters within three miles of its coast line, and due directly or indirectly to a state of warfare.
- 3. That with the proofs of the death of the Insured required under said policy the Company shall receive due proofs:
- (a) That such death resulted, independently of all other causes from bodily injuries effected solely through external, violent or accidental causes; and in the case of such accidental death that

there was evidence thereof by a visible contusion or wound on the exterior of the body, except in the case of drowning or internal injuries revealed by autopsy;

(b) That the death of the Insured occurred prior to the sixtieth anniversary of his birthday, and within ninety days of the

date of the accident.

This agreement may be discontinued by the owner on any anniversary of said policy by filing with the Company a satisfactory request therefor, together with this agreement for cancellation. In the event of such cancellation the Company will return to the owner any excess of premiums paid hereunder over and above a rate of \$1.25 per annum, during the continuance of this agreement, for each \$1,000 of insurance, but without interest, and in addition will make a pro rata return, at the same rate of \$1.25, of premiums for the unexpired portion of the current policy year for which premiums have been paid.

Dated at Hartford, Conn., this 1st day of May, 1918.

If the age of the Insured has been misstated, the amount payable under the Policy shall be the amount which the premium paid would have purchased under the Policy at the correct age. All statements made by the Insured shall, in the absence of fraud, be deemed representations and not warranties, and no such statement shall avoid this Policy or be used in defense of a claim unless it is contained in the application and a copy of such application is attached to this Policy when issued.

RE-INSTATEMENT: This Policy may be re-instated at any time after the date of default in the payment of any premium, if the Policy shall not have been surrendered to the Company for its cash value, or if the period for which the Policy may have been continued as Extended Term Insurance, shall not have expired or shall not have exceeded three years from the date of default aforesaid, upon evidence of insurability satisfactory to the Company and payment of arrears of premium, with interest at six per cent. per annum, and also upon the payment or reinstatement of any other indebtedness to the Company under this Policy, with interest at six per cent, per annum.

paid, the Company, at any time while the Policy shall be in force and not assigned or pledged to any other person or party and not continuing as Extended Term Insurance, will lend, upon proper assignment and delivery of the Policy and on the sole security thereof, with interest at the rate of six per cent. per annum, a sum equal to, or, at the option of the Insured or owner of the Policy, less than, the Loan Value of the Policy; including any Paid-Up Additions thereto, at the end of the then current Policy year, according to the Table of Loan Values contained in the Policy, less any existing indebtedness to the Company for which the Policy or the cash value thereof may have been pledged, and also less any unpaid balance of the premium for then current Policy year, and also less interest to the end

of the then current Policy year on the total amount loaned; Provided that the grant of such loan, other than to pay premiums on Policies in this Company, may be deferred by the Company for a period not exceeding ninety days after application therefor shall have been made. Failure to pay said loan or interest thereon shall not avoid the Policy unless the total indebtedness thereon to the Company shall equal or exceed the Loan Value at the time of such failure, according to said Table of Loan Values, nor until one month after notice shall have been mailed by the Company to the last known address of the Insured and any assignee of record at the Home Office of the Company. No loan will be made on this Policy if continuing as Extended Term Insurance. All or any part of the amount loaned on this Policy may be repaid at any time at the Home Office of the Company. The Loan Value for each Policy year shown by said Table of Loan Values is the cash value of the Policy at the end of the Policy year, diminished by one per cent. of the amount insured, and is not in any case less than the Reserve on this Policy at the end of the Policy year, diminished by two and one-half per cent. of the amount insured.

Non-Forfeiture Provisions

Automatic Paid-Up Insurance: After premiums for two full years shall have been paid, if default in the payment of any subsequent premium shall have continued until the expiration of the grace period, this Policy, without any action on the part of the Insured or any other person or party, will be valid for participating Paid-Up Insurance, payable in the same manner and at the same time and upon the same terms in this Policy expressed, but for a less amount. The amount of such Paid-Up Insurance will be the amount which the cash value of the eriginal Insurance represented by this Policy, diminished by any indebtedness to the Company for which this Policy or the cash value thereof may be pledged, will purchase, at the attained age of the Insured, at net single premium rates according to the American Experience Table of Mortality with interest at three and one-half per cent. per annum. All Paid-Up Additions which may be outstanding at the time this Policy may become valid for Paid-Up Insurance, will be automatically transferred to the credit of such Paid-Up Insurance.

Extended Term and Pure Endowment Insurance: After premiums for two full years shall have been paid, then within thirty days after the expiration of the grace period allowed for the payment of any premium in default, a writing may be filed with the Company, executed by all persons and parties having any ownership in the Policy, electing that in lieu of participating Paid-Up Insurance, the Policy shall continue as non-participating Extended Term Insurance dating from the due date named in the Policy for payment of the premium in default and not dating from the expiration of the grace period allowed for the payment of said premium; or such writing may be filed with the Company at any time in advance of such default, to take effect if such default should thereafter occur; but such writing, if so filed in advance, will not be valid at the time such default may occur, if any right in the Policy should have in the meantime intervened and continue to exist in any assignee or in any other person or party at the time of such default, without the written assent of such assignee or other person or party. The amount of Extended Term Insurance aforesaid will be the amount of the Insurance originally represented by this Policy and any Paid-Up Additions thereto, diminished by any indebtedness to the Company for which the Policy or the cash value thereof may be pledged at the date of said default. The period of Extended Term Insurance aforesaid will be the period which the cash value of the Insurance originally represented by this Policy and

any Paid-Up Additions thereto, diminished by any indebtedness to the Company for which the Policy or the cash value thereof may be pledged, will purchase at the attained age of the Insured, at net single premium rates according to the American Experience Table of Mortality with interest at three and one-half per cent. per annum. No provision above expressed shall operate to continue this Policy as Extended Term Insurance beyond the Maturity of the Endowment. If the sum applicable to the purchase of Extended Term Insurance as aforesaid shall exceed the sum required to continue the Policy in force as Extended Term Insurance to the Maturity of the Endowment, then the excess shall be applied at the date of default as aforesaid, to purchase at the then age of the Insured, at net single premium rates according to the American Experience Table of Mortality with interest at three and one-half per cent. per annum, Non-Participating Pure Endowment Insurance payable at the Maturity of the Endowment, if the Insured shall be then living.

CASH VALUE OF ORIGINAL INSURANCE: After premiums for two full years shall have been paid, upon lawful surrender and delivery of this Policy to the Company by the united act of all persons and parties having any interest or ownership therein, at any time within thirty days after the expiration of the grace period allowed for the payment of any premium in default, the Company, in lieu of Paid-Up Insurance as aforesaid, or in lieu of Extended Term and Pure Endowment Insurance as aforesaid, will pay the Cash Value of the Policy, computed upon the Reserve thereof at the time of said default, by the method set out below, first deducting from such Cash Value any indebtedness to the Company for which the Policy or the Cash Value thereof may be pledged; Provided that such payment may be deferred by the Company for a period not exceeding ninety days after application therefor shall have been made.

COMPUTATION OF CASH VALUE: The Cash Value shown in

Computation of Cash Value: The Cash Value shown in the Table of Non-Forfeiture Values herein contained has reference to each One Thousand Dollars of Insurance originally represented by this Policy. At the end of the tenth and each succeeding Policy year, said Cash Value is the Reserve corresponding to each One Thousand Dollars of Insurance as aforesaid, omitting from the Reserve any fraction of a dollar. At the end of Policy years two to nine inclusive, said Cash Value is the Reserve as aforesaid, diminished by a cash sum as follows: For the second, third, fourth and fifth Policy years, Ten Dollars; for the sixth Policy year, Eight Dollars; for the seventh Policy year, Six Dollars; for the eighth Policy year, Four Dollars; for the ninth Policy year, Two Dollars.

Computation of Reserve: The Reserve on this Policy is computed according to the American Experience Table of Mortality with interest at three and one-half per cent. per annum.

CASH VALUE OF PAID-UP ADDITIONS: Any Paid-Up Additions to this Policy may be surrendered at any time for a cash value ascertained by the same method used in computing the cash value of the original Insurance represented by the Policy; Provided that payment of such cash value may be deferred by the Company for a period not exceeding ninety days after application therefor shall have been made. The cash value of any Paid-Up Additions so surrendered, shall be first diminished by any indebtedness to the Company for which such Additions may be pledged.

Cash Value of Paid-Up Insurance or Extended Term Insurance. If this Policy shall have become valid for Paid-Up Insurance, or if it shall be continuing as Extended Term Insurance, then and in either such case, upon lawful surrender and delivery of the Policy as aforesaid, the Company will pay a cash value equal to the Reserve on such Paid-Up Insurance or on such

Extended Term Insurance, as the case may be, at the time of such surrender, first deducting from such cash value any indebtedness to the Company for which the Policy or the cash value thereof may be pledged; Provided that such payment may be deferred by the Company for a period not exceeding ninety days after application therefor shall have been made.

The Non-Forfeiture Values set out in the Table contained in this Policy are computed upon the bases (a) that the date of default in the payment of the premium is the end of the Policy year, and (b) that at the date of default in the payment of the premium there is no indebtedness to the Company for which the Policy or the cash value thereof may be pledged.

OPTIONAL METHODS OF SETTLEMENT: The provisions printed on the third page hereof entitled "Optional Methods of Settlement", are hereby made a part of this Policy.

It is hereby declared and agreed by each person or party signing Part I and Part II of this Application that the answers and statements therein set forth are all complete and true, and that any Policy which may be issued in consideration thereof shall, together with Part I and Part II of this Application, constitute the entire Contract between the parties.

MILITARY AND NAVAL RIDERS.

The Company offers choice of two riders:

(A) WAR RIDER-EXTRA PREMIUM.

If within five years from the date of this policy the Insured shall engage in any military or naval service in time of war, the liability of the Company in event of the death of the Insured while so engaged, or within six months thereafter, will be limited to the return of the premiums paid hereon, exclusive of any extra premium paid for military or naval service, less any indebtedness to the Company hereon; unless before engaging in such service or within thirty-one days thereafter, or at the time of paying the first premium due hereon, if the Insured shall be then so engaged, the Insured shall pay to the Company at its Home Office in the city of Philadelphia such extra premium as may be required by the Company, and in like manner shall pay annually thereafter on each

anniversary of this policy or within thirty-one days after such anniversary, while the Insured shall continue to be so engaged such extra premium as may be required by the Company. Within one year after the termination of the war the Company will return such portion of the extra premiums as in its judgment will not be required to cover the extra hazard.

(B) WAR RIDER-PREMIUM RETURN ONLY.

If within five years from the date of this policy the Insured shall engage in any military or naval service in time of war, the liability of the Company if the Insured shall die at any time during the continuance of this policy, will be limited to the return of the premiums paid thereon, less any indebtedness to the Company for which this policy or the cash value thereof may be pledged;

Provided, however, that if the Insured shall survive the termination of the war, and if this policy shall not have been surrendered to the Company or if the period for which this policy may have been continued as extended term insurance shall not have expired or shall not have exceeded three years, then upon evidence of insurability satisfactory to the Company and payment of arrears of premium, if any, with interest at 6 per cent per annum, and also upon payment or reinstatement of any other indebtedness to the Company under this policy, with interest at 6 per cent per annum, the Company by endorsement to be made on this policy will remove the aforesaid limitation of the Company's liability under this policy and will restore said liability to the amount originally represented by this policy;

Provided further, however, that if the Insured subsequent to such restoration shall engage in any military or naval service in time of war within five years from the date of this policy, the liability of the Company if the Insured shall die at any time during the continuance of this policy, will be limited to the return of the premiums paid, as herein above set forth.

In Witness Whereof, the said The Prudential Insurance Company of America, at its office in the City of Newark, New Jersey, has caused this policy to be signed by its President and its Secretary, and to be duly attested, this first day of April, one thousand nine hundred and eighteen.

FORREST F. DRYDEN,

GENERAL PROVISIONS.

PAYMENT OF PREMIUMS.—This Policy is based upon the payment of premiums annually in advance, but if premiums be made payable in quarterly or semi-annual instalments, any future instalments of the premium for the current policy year remaining unpaid at the maturity of the Policy shall be considered an indebtedness to the Company on account of this Policy. Premiums are payable at the Home Office of the Company, but may be paid to an agent of the Company on or before the dates when due, in exchange for official receipts signed by the President or the Secretary and countersigned by an authorized agent of the Company. If any premium be not paid when due, this Policy shall be void and all premiums forfeited to the Company, except as herein provided.

GRACE IN PAYMENT OF PREMIUMS.—In the payment of any premium under this Policy, except the first, a grace of thirty-one days without interest will be allowed, during which time the Policy will remain in force, but if the Policy shall become a claim within the grace period the unpaid premiums for the then current policy year shall be deducted from the amount of insurance payable.

Change of Beneficiary.—If the right to change the Beneficiary has been reserved and if the Insured shall have attained to majority according to the laws of the State in which the Insured resides, the Insured may at any time while this Policy is in force, by written notice to the Company at its Home Office, change the Beneficiary or Beneficiaries under this Policy, such change to be subject to the rights of any previous assignee and to become effective only when a provision to that effect is endorsed on or attached to the Policy by the Company, whereupon all rights of the former Beneficiary or Beneficiaries shall cease.

Assignments.—Any assignment of this Policy must be in writing, and the Company shall not be deemed to have knowledge of such assignment unless the original or a duplicate thereof is filed at the Home Office of the Company. The Company will not assume any responsibility for the validity of an assignment.

MISSTATEMENT OF AGE.—If the age of the Insured be misstated the amount payable under this Policy shall be such as the premium would have purchased at the correct age.

SUICIDE.—If within one year from the date hereof the Insured shall die by suicide—whether sane or insane—the liability of the Company shall not exceed the amount of the premiums paid on this Policy.

Incontestable Incontestable after one year from its date, except for non-payment of premium.

INDEBTEDNESS.—Any indebtedness to the Company on account of this Policy will be deducted in any payment or payments or in any settlement under the Policy.

REINSTATEMENT.—If this Policy be lapsed for non-payment of premium it will be reinstated any time after the date of lapse upon written application and payment of arrears of premiums with interest at the rate of five per cent. per annum, together with the reinstatement of all indebtedness, provided such indebtedness be not greater than the loan value of this Policy at the time of application for such reinstatement, and provided evidence of the insurability of the Insured satisfactory to the Company be furnished.

Modifications, etc.—No condition, provision or privilege of this Policy can be waived or modified in any case except by an endorsement hereon signed by the President, one of the Vice Presidents, the Secretary, one of the Assistant Secretaries, the Actuary, the sociate Actuary or one of the Assistant Actuaries. No. modifien or change shall be made in this Policy except such as is

in accordance with the laws of the State in which the same is issued. No Agent has power in behalf of the Company to make or modify this or any other contract of insurance, to extend the time for paying a premium, to waive any forfeiture, or to bind the Company by making any promise, or by making or receiving any representation or information.

Basis of Reserve and Computations.—The reserve upon this Policy for which funds are to be held, exclusive of any reserve on account of disability insurance, shall be computed upon the American Experience Table of Mortality with three and one-half per cent. interest per annum by the net level premium method. All computations in accordance with the terms of this Policy involving net premiums or reserve values based on a mortality table and interest shall be made upon the basis here stated.

Entire Contract Contained in This Policy.—This Policy together with the Application, a copy of which is attached hereto, contains and constitutes the entire contract between the parties hereto, and all statements made by the Insured shall in the absence of fraud be deemed representations and not warranties, and no statement shall avoid the Policy or be used as a defence to a claim thereunder unless it be contained in the Application for the Policy and unless a copy of such Application be endorsed upon or attached to the Policy when issued.

DIVIDEND PROVISIONS.

Annually during its continuance in force, if all premiums theretofore due have been paid, this policy will be credited with a dividend from the surplus earnings of the Company as ascertained and
apportioned by the Board of Directors. Such dividend shall be
(1) paid in cash or (2) applied to the reduction of the premium
then due, if any; or upon written request of the Insured it may be
(3) applied to the purchase of a paid-up addition to the policy, or
(4) left to accumulate to the credit of the policy with interest at
the rate of 3½ per cent per annum plus such additional interest
as the Company may declare on such funds and payable on maturity of the policy or withdrawable in cash on any anniversary of
the policy. Such paid-up addition may be surrendered at any time
for its full reserve at the time of such surrender. The Company
reserves the right to defer the payment of any cash surrender value
for a period not exceeding ninety days after application for such
cash surrender value. If the Insured shall select no other dividend
option the dividend shall be paid in cash.

PROVISIONS AS TO PERMANENT DISABILITY—WAIVER OF PREMIUMS—PAYMENT OF INSURANCE.

If the Insured, after the first premium on this Policy has been paid, shall furnish due proof to the Company, while this Policy is in full force and effect and while there is no default in the payment of premium, that he, at any time after payment of such first premium, from any cause whatsoever shall have become permanently disabled or physically or mentally incapacitated to such an extent that he by reason of such disability or incapacity is rendered wholly and permanently unable to engage in any occupation or perform any work for any kind of compensation of financial value, the Company upon receipt of such proof will waive the payment of each premium that may become payable thereafter under this Policy during such disability.

If such disability shall occur before the Insured is sixty years of age the Company will, in addition to such waiver, during such disability, pay to the Insured the amount insured, less any indebtedness, in one hundred and twenty monthly instalments during ten years, each instalment of the amount of \$9.74 per \$1,000 of insurance payable; the first instalment to become payable six month

after the Company shall have received such proof and subsequent instalments monthly thereafter. In lieu of monthly instalments the Insured shall have the privilege of receiving the said amount in annual, semi-annual or quarterly instalments payable during ten years, each instalment of the amount, respectively, of \$116.18, \$58.25 or \$29.16, per \$1,000 of insurance payable, the first instalment to be payable at the same time as provided for the first monthly instalment. The Insured shall not have the right to commute any instalments. Endorsement to the effect that the amount of insurance has become payable as herein specified shall be made on the Policy by the Company before the first instalment shall become payable.

The total amount of insurance under this Policy at any time after one or more of such instalments have been paid shall not exceed the commuted value of the unpaid instalments, and loan and non-forfeiture values correspondingly modified shall be available to the Insured irrespective of said waiver of premiums. Any indebtedness incurred on account of the Policy during the instalment period shall be deducted from the commuted value of the unpaid instalments at that time and the amount of each of such unpaid instalments shall be correspondingly reduced.

If such disability shall occur after the Insured is sixty years of age the amount of insurance hereunder shall, by endorsement hereon by the Company, be reduced by the amount of each premium so waived, and any loans and non-forfeiture values shall thereafter be based upon the amount of insurance thus reduced.

The Insured, upon demand by the Company at any time during such disability and before the Company's liability hereunder has ceased, shall furnish due proof that he actually continues in a state of disability, as defined above, and in case of his failure so to do the Insured shall be deemed to have recovered from such state of disability.

In the event that the Insured recovers from such state of disability before the Company's liability under the Policy has been fully discharged, as specified above, no further instalments shall be paid by the Company and no further premiums shall be waived, but thereafter the Policy shall, by endorsement thereon by the Company, be continued in force for the amount reduced as specified above, with any premium falling due thereafter and loan and non-forfeiture values correspondingly modified.

Any instalments remaining unpaid at the death of the Insured shall be paid to the Beneficiary designated in the Policy, provided however, that such unpaid instalments may, at the request of the Beneficiary, be commuted at the rate of three and one-half per cent. per annum compound interest and paid in one sum.

It is specially agreed that permanent loss of the sight of both eyes, or loss by severance of both hands above the wrists, or of both feet above the ankles, or of one hand and one foot, shall be considered disability or incapacity within the meaning of this provision.

These provisions are granted without additional cost to the Insured.

LOAN PROVISIONS.

If this Policy be continued in force, the Insured may borrow from the Company, with interest at the rate of six per cent. per annum, payable at the end of each policy year, on the sole security of this Policy, an amount up to the limit of the Cash Surrender Value hereinafter specified after deducting therefrom all other debtedness on account of this Policy, by making writter applica-

tion for the loan and assigning the Policy to the Company as security. Failure to repay any such indebtedness or to pay interest shall not avoid the Policy unless the total indebtedness thereon to the Company shall equal or exceed the loan value at the time of such failure, nor until one month after notice to that effect shall have been mailed by the Company to the last known address of the Insured, of the person to whom the loan was made, and of the assignee of record at the Home Office of the Company, if any. The Company reserves the right to defer any loan, other than to pay premiums on policies in the Company, for a period not exceeding ninety days after application for such loan.

(Note:—At any time during the continuance of this Policy a statement of any outstanding indebtedness on account of the Policy will be furnished on request.)

NON-FORFEITURE PROVISIONS.

POLICY NON-FORFEITABLE AFTER FIRST YEAR'S PREMIUM HAS BEEN PAID.

Non-forfeiture Values at End of First and Second Policy Years.—If this Policy after being in force one full year or two full years shall lapse for non-payment of premium, the Company will continue in force the insurance under the Policy for a period of sixty days or of one hundred and twenty days, respectively, from the due date of such premium, as specified on the first page hereof, as indicated in the following table; provided, however, that if the death of the Insured shall occur during the period of continued insurance herein defined, there shall be deducted from the amount payable by the Company any premium that would have become due on this Policy up to the time of the death of the Insured if the Policy had been continued in force.

Cash Surrender Value.—If this Policy be legally surrendered to the Company within three months after the end of the third year from its date or of any year thereafter, and if all premiums, required by the terms of the Policy, to the end of that year have been paid in full, the Company will pay therefor the sum indicated by the following table, less any indebtedness to the Company on account of this Policy. The Company reserves the right to defer the payment of any Cash Surrender Value for a period not exceeding ninety days after application for such Cash Surrender Value.

PAID-UP LIFE POLICY.—If this Policy, after being in force three full years, shall lapse or become forfeited for the non-payment of any premium on the date when due, as specified on the first page hereof, and if the Policy be not surrendered for its Cash Value, the Company will issue a non-participating Paid-up Life Policy as specified in the following table, upon the legal surrender of this Policy within three months after the date to which premiums have been duly paid; provided, however, that if there be any indebtedness to the Company on account of this Policy the amount of such Paid-up Life Policy will be reduced by the proportion that the total indebtedness bears to the then tabular Cash Surrender Value of this Policy.

AUTOMATIC EXTENDED INSURANCE—If this Policy, having lapsed or become forfeited as specified in the clause, "Paid-up Life Policy," above, be not surrendered for its Cash Value or for a Paid-up Life Policy, the Company will put in force in lieu of this Policy, without any action on the part of the Insured, a non-participating Paid-up Term Policy for the full amount insured by this Policy, such Paid-up Term Policy to be dated on the day to which premiums have been duly paid, and to continue in force for the term indicated by the following table; provided, however, that the Insured shall not have the right to borrow on such Policy and that

if there be any indebtedness to the Company on account of this policy the amount of such Paid-up Term Policy shall be the face amount of this policy less the amount of such indebtedness, and the term for which such Paid-up Term Policy shall run shall be changed to that term for which the Cash Surrender Value of this policy herein specified, after deducting such indebtedness, will carry the modified amount at Single Premium Term rates. The Paid-up Term Policy will be delivered on the legal surrender of this policy.

CASH SURRENDER VALUES UNDER PAID-UP LIFE AND PAID-UP TERM POLICIES.—If this policy shall lapse, as above, and a Paid-up Life Policy be issued or a Paid-up Term Policy be put in force in lieu thereof, such Paid-up Life or such Paid-up Term Policy may be surrendered at any time for its full reserve value at the time of such surrender. The Company reserves the right to defer the payment of any cash surrender value for a period not exceeding ninety days after application for such cash surrender value.

*The tabular loan value at the end of any year, discounted at the rate of six per cent. per annum, shall be available to the Insured at any time after the entire premium for that year has been paid.

The non-forfeiture values in the above table are based upon the American Experience Table of Mortality with three and one half per cent, interest per annum, and the net value of any such non-forfeiture value, from the third to the end of the fifteenth year, is at least equal to the entire reserve on this Policy, according to the foregoing standard, less a percentage (not more than two and one-half) of the amount insured by the Policy; thereafter, such net value is the full reserve by said standard, less a surrender charge, if made, of not more than one-twentieth of one per cent of the amount insured by the Policy.

If this Policy be continued in force beyond the twentieth year, a table of Cash Surrender and Loan Values, as above, after the wentieth year, will be furnished on application to the Home Office.

If the amount insured be increased by dividend additions the Loan and Cash Surrender Values will be increased by the full reserve on account of such additions and the other non-forfeiture values modified accordingly.

If the premiums on this Policy be paid in quarterly or semiannual instalments, due allowance will be made in computing values from the above table for that portion of a year's premium paid over and above the full number of years' premiums indicated; provided, however, that if more than one but less than three full years' premiums shall have been paid an allowance of fifteen days of continued insurance will be made for each quarter of a year for which the premium has been paid.

PROVISIONS AS TO MODES OF SETTLEMENT AT MATURITY.

The Insured may at any time while this Policy is in force, subject to the rights of any assignee and with the power of revocation, by written notice to the Company, designate any one of the following options as the manner in which the amount of insurance shall be payable in lieu of being paid in one sum, and the Company will then endorse on the Policy that payment shall be made according to the option designated, but if the Insured shall have made no such designation, the Beneficiary shall have the right of designation; provided, however, that in no event shall Option 1 or 2 be available to an individual Beneficiary if the amount of each instalment payable thereunder to such Beneficiary would be less than \$10, nor shall Option 3 be available if the amount of insurance payable be less than \$1,000 and none of said options shall be available if the Beneficiary be a corporation or a firm.

OPTION 3. TRUST FUND.—The amount of insurance or any portion thereof not less than \$1,000 to be left during the lifetime of the Beneficiary in trust with the Company, and the Company will pay thereon, so long as the said amount or said portion thereof remains with the Company, interest at the rate of three and one-half per cent. per annum, together with dividends, if any. The said Trust Fund shall be paid at the death of the Beneficiary to the executors or administrators of the Beneficiary.

Annual, Semi-Annual or Quarterly Instalments, computed at the rate of three and one-half per cent, per annum compound interest, will be paid upon request in lieu of the monthly instal-

ments provided under Options 1 and 2, unless the Insured shall have otherwise directed in writing.

Unpaid Instalments at Death of Beneficiary.—If one or more instalments shall actually be paid in accordance with the provisions above and if the Beneficiary shall die before all instalments payable shall have been paid, and if there be no contingent beneficiary designated by the Insured or by the Beneficiary after the death of the Insured, the unpaid instalments will be commuted at the rate of three and one-half per cent, per annum compound interest and paid in one sum to the executors or administrators of the Beneficiary.

DIVIDENDS WITH INSTALMENTS OR INTEREST.—If the amount of insurance be payable in instalments, monthly or otherwise, or be left in trust with the Company, any dividend from the surplus earnings as ascertained and apportioned by the Board of Directors on account of amounts so payable will effect an increase in the instalments or in the interest payable on account of the trust fund, but no dividend will be declared on instalments payable after the period fixed for instalments certain.

NOTICE TO POLICYHOLDER.

Owing to the low rate of premium at which policies of this nature are issued, the surplus accruing thereunder will probably not be sufficient to enable the Company to apportion any dividend under this Policy before the end of the second year from its date.

I HEREBY DECLARE that all the statements and answers to the above questions are complete and true, and I agree that the foregoing, together with this declaration, as well as the statements and answers made or to be made to the Company's Medical Examiner, shall constitute the application and become a part of the contract of insurance hereby applied for, and it is further agreed that the policy herein applied for shall be accepted subject to the privileges and provisions therein contained, and said policy shall not take effect until the same shall be issued and delivered by the said Company, and the first premium paid thereon in full, while my health, habits and occupation are the same as described in this application.

The reserve on this policy and all surrender values contained therein are based on the American Experience Table of Mortality with three and one-half per cent interest, and in no case does the surrender charge amount to more than two and one-half per cent of the amount insured hereby. The first year's insurance under this policy is term insurance, purchased by the whole or part of the premium to be received during the first policy year, and the policy shall be valued according to its terms and the laws of the State of Indiana.

In the event of no indebtedness hereon, the values in the above Table will apply. Any indebtedness hereon may be paid in cash and the values in the Table will then apply, or if not so paid, the cash and loan values will be reduced by the amount of the indebtedness; the paid-up insurance will be reduced in the ratio of the indebtedness to the net value of such paid-up insurance; and the extended insurance shall be for as long a term as the balance, left after deducting the indebtedness from the net value of the extended insurance as shown in the Table, will purchase as a net single premium. Premium payments for fractional parts of a year, if any, will proportionately increase the values in the Table. Values after twenty years shall be equivalent to the full reserve on this policy.

Loan Value.—At any time after two years from the date hereof, and while this policy is in force, the Company will, within ninety days after receipt of written request by the insured, loan upon the sole security of this policy up to the amount indicated in the Table of Guaranteed Values opposite the current policy year. The Company will require a satisfactory assignment of the policy as security, and will deduct from the loan any existing indebtedness on or secured by this policy, any unpaid balance of the premium for the current policy year and interest at the rate of six per cent per annum to the end of the current policy year. All or any part of the sum loaned may be repaid at any time. Failure to pay any loan or interest thereon shall not avoid this policy unless the total indebtedness to the Company shall equal or exceed the legal reserve on this policy, nor until thirty-one days after legal notice shall have been mailed by the Company to the last known address of the insured, and assignee, if any, if such assignee has notified the Company of his address.

Loan Insurance.—Any loan upon this policy may be insured, subject to evidence of insurability satisfactory to the Company. Loan insurance secured for this purpose shall be applied to the cancellation of any such indebtedness should the policy mature as a death claim. Such loan insurance shall take effect only after

the insured has furnished evidence of insurability satisfactory to the Company, paid the premium based upon the rate at the attained age of the insured at the date of granting or renewing such loan insurance in accordance with the following premium schedule, and has received a certificate of loan insurance from the Company.

TOTAL DISABILITY RIDER OF POLICY OF ROYAL UNION MUTUAL LIFE INSURANCE COMPANY.

IN CONSIDERATION of the annual payment of Rorby-Ree Cents per Thousand Dollars for this Disability Rider hereby issued under and attached to Policy No. 99,829, issued to Graydon D. Moines by the Royal Union Mutual Life Insurance Company, of Des Moines, Iowa, (which sum is included in the annual premium stipulated in said original policy), the following clause and agreement when attached to said policy is hereby added to and incorporated in said policy as fully as though originally set forth therein:

A: Warver or Prumium,—If, after this policy shall have been in force one full year and before default in the payment of any premium, the Company receives due proof that the insured before attaining the age of sixty years has become wholly disabled by bodily injury or disease so that he is and will be presumably thereby permanently and continuously prevented from engaging in any occupation whatsoever for remuneration or profit, the Company shall waive, payment of each premium as it thereafter becomes due during the insured's said disability. In making any settlement under this policy the Company shall not deduct any part of the premium so waived, and the lean and cash surrender values provided for in the policy shall increase from year to year in the same manner as if the premiums so waived had been paid in cash. Under all the conditions aforesaid, except that insured shall attain the age of sixty years before becoming disabled, the Company shall waive payment of each premium thereafter becoming due during such disability, but the face amount of the policy (which in all cases of instalment policies shall be construed to be the commuted value at maturity) shall be reduced by the amount of each such waived premium, and the loan and cash surrender values as provided by the policy shall be based upon said reduced amounts of insurance in the same manner as if the premiums for such reduced amounts of insurance had been duly paid.

- B. Instalment Payments.—In addition to waiving payment of premiums as aforesaid, if such disability shall have occurred before the Insured has attained the age of sixty years, the Company, one year after said proof of such disability, shall pay to the Insured one-tenth of the face amount of the Policy (which in all cases of instalment policies shall be construed to be the commuted value at maturity) and a like amount in each insurance year thereafter during the continuance of such disability prior to the maturity of the Policy; the Policy must be returned to the Company for the endorsement thereon of each payment. At the Insured's option any such payment or payments may be left with the Company to accumulate until the maturity of the Policy at such rate of interest as the Company may declare on funds so held by it but at a rate not less than three and one-half per centum, compounded annually, Each instalment shall reduce to that extent the amount of insurance in force, and the Loan and Cash Surrender Values provided for under this contract shall be calculated for the reduced amount insured. If at the time when any such instalment becomes payable there shall be an indebtedness on the Policy in excess of the Cash Surrender Value of the reduced amount of insurance, the Company shall apply such part of the instalment as may be necessary to reduce the indebtedness to the amount secured by such Cash Surrender Value. Whenever the total amount of said instalments, together with the amount of any remaining indebtedness to the Company, shall equal the face amount of the Policy, plus any paid-up dividend additions, unpaid dividends and dividends left to accumulate to the credit of the Policy, then the Company's obligations under the Policy shall thereby be fully satisfied and 'discharged without further action.
- C. RECOVERY FROM DISABILITY.—Should the Company accept under this Policy proofs of disability, it may nevertheless at any time, thereafter, and from time to time, but not oftener than once a year, demand of the Insured proof of the continuance of such disability, and upon failure to furnish such proof, or, if it appears that the Insured has become able to engage in any occupation whatsoever for remuneration or profit, no further premiums shall be waived and no further instalment payments will be made by the Company. But if the amount of the insurance shall then have been reduced under any of the foregoing provisions such reduced amount of insurance shall thereafter be the face amount of the Policy, and the premiums thereafter falling due will be reduced in proportion to the reduced amount of insurance, and all benefits under the Policy will be reduced accordingly.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists, or of both feet above the ankles, or of one entire hand and one entire foot shall be considered as total and permanent disability within the meaning of this Rider.

In Witness Whereof, this rider is signed, sealed and issued in the city of Des Moines, Iowa, this first day of June. 1917

ROYAL UNION MUTUAL LIFE INSURANCE CO.

President.

APPLICATION.

I hereby certify that the above answers are correct and true to the best of my knowledge and belief.

It is agreed that, the policy issued on this application, being in force and not assigned, the insured shall control all surrender value privileges. Also if not assigned, and if right of revocation has been retained, the insured may change the beneficiary or beneficiaries, but such change shall not take effect until written request, properly attested, has been furnished with the policy to the Company at the Home Office during the lifetime of the insured, for the endorsement of the new nominee or nominees.

It is also agreed as follows: First, That in the event of self-destruction, whether sane or insane, within one year from date of this policy the Company's legal liability shall be but 10 per cent of the amount otherwise agreed to be paid on this policy in event of death. Second, That the Company's method for distribution of surplus shall be accepted.' Third, That any note or obligation given for premiums shall be accounted only as an extension of time for payment, and if not paid at maturity, all liability under any policy issued hereon shall at that date without grace cease, except for the non-forfeiture provisions of the policy; and the full amount of said note or obligation, with interest, or the reversionary value thereof shall first be deducted in any settlement hereunder, and shall be deemed as earned. Fourth. That the Company shall be liable under the policy contract immediately after the application has been approved in writing by the Company at its Home Office, provided the first premium has been paid in cash on the date of the application; otherwise the Company shall not be liable until the policy is delivered and the first premium thereon paid while I am living and in good health.

I have paid to John Smith, Agent, \$368.00, the first annual premium on the policy applied for. If the risk is not assumed by the Company, this sum is to be returned on the conditions of the receipt taken herefor.

I hereby certify that I have reviewed the above, and that the declarations, statements and representations made by me in this application, and all answers taken down in writing hereon and in the medical examination, are hereby made the basis for the issuance of the policy hereby applied for, and I declare the same to be true.

PROVISION FOR TOTAL AND PERMANENT DISABILITY BENEFIT.

If the Insured, after payment of premiums for at least one full year and before default in the payment of any subsequent premium and before attaining the age of sixty years and while this policy is in full force, shall furnish the Company at its Home Office due proof that he has become totally and permanently disabled by bodily injury or disease, so that he is, and will be, permanently, continuously and wholly prevented thereby from following any gainful occupation, and that such disability has existed continuously for not less than sixty days, the Company will, during the lifetime of the Insured and while such total disability continues:

- 1. WAIVER OF PREMIUM: Waive payment of each premium as it thereafter becomes due, commencing with the first premium due after the receipt of said proof of disability; and,
- 2. INCOME TO INSURED: Commencing six months after the receipt of proof of such disability, will pay to the Insured a monthly income of *Bighty-three* and 34/100 Dollars.

The benefits payable under this policy at date of maturity or at prior death of the Insured shall not be decreased by reason of any premiums waived or any income payments made in accordance with the terms of this provision;—the loan and cash values increasing each year in the same manner as if each premium had been paid when due instead of being waived.

If the Company accepts proof of disability it shall have the right at any time thereafter, but not more frequently than once a year, to demand due proof of the continuance of such disability, and if the Insured shall fail to furnish such proof, or it shall appear that the Insured has become able to perform any work or follow any occupation whatsoever for compensation, gain or profit, then all premiums thereafter falling due under this policy must be paid to the Company in the manner originally called for, and the monthly income hereinbefore provided for shall immediately cease.

Without prejudice to any other cause of disability it is understood that the total and permanent loss of the use of both hands or of both feet, or of one foot and one hand, or of the sight of both eyes, shall constitute total and permanent disability within the meaning of this provision.

The whole premium charged for this policy includes an additional premium for this total and permanent disability benefit provision, the amount of said additional premium being stated on the first page hereof. Payment of this additional premium shall not be required after the completion of the premium paying period of this policy, as set forth on the first page hereof, nor in any case after the sixtieth anniversary of the birth of the Insured.

This disability benefit provision shall not apply to paid up or continued insurance granted under the non-forfeiture provisions of this policy. Upon written request of the Insured accompanied by this policy for endorsement, this provision for total and permanent disability benefit may be discontinued, and if so discontinued premiums under this policy thereafter payable to age sixty, will be reduced by the amount of the aforesaid additional premium. Non-payment of this additional premium or engaging in military or naval service in time of war by the Insured will void the provisions respecting disability and the benefit secured thereby.

This policy is issued with the express understanding that the Insured may, without the consent of the beneficiary, receive every benefit, exercise every right and enjoy every privilege conferred on the Insured by this policy.

EXPECTIVE DATE.—After payment of the first premium or agreed instalment thereof this insurance shall be effective from the Fifteenth day of April in the year 1918.

In Witness Whereof, Scandia Life Insurance Company has caused this policy to be signed by its officers at Chicago, Illinois, this Fifteenth day of April, 1918.

Upon entry into such military or naval service, or within thirtyone days thereafter, the Insured shall notify the Company at its
Home Office in Chicago, Illinois, and pay an extra premium at the
rate of \$37.50 per annum per \$1,000 of insurance. The first extra
premium shall be for the balance of the current policy year and
shall be on a pro rata basis. Said extra premium shall be payable annually thereafter on each anniversary of the policy or within thirty-one days thereafter, so long as the Insured shall remain

The Benefits and Provisions, as they appear on the following pages, are a part of the contract as fully as if recited over the signatures hereto attached.

In Witness Whereof, The Southern States Life Insurance Company, of Alabama, has, by its President and Secretary, executed the contract this *First* day of *May*, 1917.

FRANK ORME, Secretary. WILNER L. Moore,
President.

BENEFITS AND PROVISIONS.

Incontestable.—The policy shall be incontestable from date of issue, except for non-payment of premiums, or for violations of the provisions relating to military or naval service in time of war, subject, however, in case of misstatement of age, to an adjustment of the insurance at the correct age of the Insured. Provided that, in the event of self-destruction, whether sane or insane, within two years of such date, the Company shall be liable only for the amount of the premiums paid on the policy.

DIVIDENDS.—The policy, if kept in force, shall at the end of the first year from the renewal date, hereof and annually thereafter, share in the surplus as apportioned by the Company, which apportionment shall be based upon the policy's; contribution to the surplus funds of the Company.

Dividends may be applied either (1) towards payment of any premium due, or (2) upon satisfactory proof of good health, to increase the sum insured hereunder, or (3) left to accumulate to the credit of the policy with interest thereon compounded at the rate of $3\frac{1}{2}$ per cent. per annum, and payable, in the event of death, with the sum insured, or withdrawable on any amiversary of the policy.

Policy Paid Up.—Whenever, at the end of any policy year, the dividends, left to accumulate to the credit of the policy, together with the accrued interest thereon, shall be sufficient to prepay all future premiums hereon, according to the standard then in use by the Company, the Insured shall be notified and may, at his option, so apply same.

Policy Matured.—Whenever, at the end of any policy year, the accumulated dividends to the credit of the policy, together with the accrued interest thereon and the reserve, shall be equal to or greater than the original sum insured, the Insured may, at his option, elect to have the same matured as an endowment for such combined amount.

SURPLUS PAID.—In the event of the death of the Insured, all accumulated dividends to the credit of the policy, together with the accrued interest thereon, will be paid with the sum insured.

SURRENDER VALUES.—The policy may be surrendered at the end of the second or any subsequent policy year and the Insured shall then be entitled to one of the following guaranteed options, subject to any indebtedness hereon:

1st. To a paid-up participating policy for an amount as specified in the Table of Guarantees herein.

2nd. To participating insurance for the face of the policy continued in force, with no further payment of premiums, for the period specified in the Table of Guarantees herein.

Loans.—After the policy has been in force one full year from the payment of the first annual premium and provided all premiums have been paid up to the next annual premium due date, the Insured may borrow, on the sole security of the policy, on its production for endorsement and on its proper assignment, an amount not exceeding the respective sums specified in the column headed "Loan Value" of the Table of Guarantees, less any indebtedness to the Company hereunder. The amount of the loan will be endorsed on the policy, which will then be returned. The interest on all such indebtedness shall be at a rate not exceeding six per centum per annum, payable in advance. Interest not paid when due shall be added to the existing loan and bear interest at the same rate. Unless the loan is for the purpose of paying premiums due the Company, the granting of the same may be deferred by the Company for a period not exceeding ninety days after the receipt of the application therefor. Non-payment of the loan or interest shall not void the policy until the aggregate of such liens and accrued interest thereon, together with all indebtedness, shall exceed the respective Loan Values specified in the Table of Guarantees.

AUTOMATICALLY Non-Forrestable.—After two full annual premiums shall have been paid on the policy, any premium hereon, or other indebtedness, which shall not be paid when due or within the period of grace hereinafter mentioned, shall be charged as an automatic policy loan, at six per centum per annum payable an-

mally in advance, as long as the then Loan Value, in accordance with the Table of Guarantees hereinafter set forth, together with the Cash Value of the accumulated dividends to its credit, are sufficient to cover such loan and all other indebtedness to the Company. If at any time the then Loan Value and the Cash Value of the accumulated dividends, less all indebtedness to the Company, be not sufficient to pay the entire premium then due, such value shall be used to pay the premium for a proportionate period. No grace will be allowed under this provision. At any time while the policy is thus continued in force payment of premiums may be resumed without any evidence of insurability being required by the Company.

GRACE.—A grace of thirty-one days, without interest, will be allowed in payment of premiums (except under the Automatically Non-Forfeitable Provision) after payment of the first year's premium on the policy. If the policy becomes a claim by death during the grace period, the premium then due will be deducted in any settlement of the policy.

RE-INSTATEMENT.—Should the policy lapse, unless surrendered to the Company, it may be re-instated at any time upon evidence of insurability, satisfactory to the Company, and payment of all arrears of premium with interest thereon at the rate of six per centum per annum, and re-instatement or payment of all indebtedness thereon outstanding at the time of lapse.

CHANGE OF BENEFICIARY.—The Beneficiary shall not, during the life of the Insured, have any vested interest hereunder. If there be no existing assignment of the policy, the Insured may change the Beneficiary by filing with the Company written notice thereof on a form provided for the purpose. No such change shall take effect until it has been endorsed on the policy by the Company.

The Insured or his assigns, if any, may withdraw any surplus or other value, surrender the policy, effect a loan upon the same with the Company, or exercise any other right under the policy, and all interest of any beneficiary, or assigns of same, shall be bound thereby.

Assignment.—No assignment hereof shall be binding on the lompany unless made in duplicate on a form provided by the Company and one copy filed at the General Office of the Company. The Company will not be responsible for the validity of the assignment in any event.

INDEBTEDNESS.—Any indebtedness to the Company on the policy, soluding unpaid premiums or any portion thereof, and all notes iven in payment of premiums, whether to the Company or to any lits representatives, shall be deducted from any amount payable on count hereof. All indebtedness to the Company shall be subject an interest charge of six per centum per annum, payable in dvance. Any such indebtedness will thereby reduce the amount of the Loan Values specified in the Table of Guarantees and the aid-up and Extended Insurance will be correspondingly reduced.

Premiums.—The policy shall not take effect until the first remium shall have been actually paid while the Insured is in sod health. Possession of the policy is not evidence that the premium has been paid. All premiums are payable annually in adince at the General Office of the Company in Atlanta, Georgia, it may be paid elsewhere to an authorized Agent of the Cominy in exchange for a receipt signed by the President or Secrety, and countersigned by the Agent named therein. Subject to e conditions in the policy, the Company will accept payment of newal premiums as follows: One-half in cash on the due date the premium and the balance by six months' note with interest six per centum per annum from date, or one-quarter in cash

and the balance in three notes of equal amount due three, six and nine months, respectively, with interest at six per centum per annum from date. Notes given as above must be for even dollars, the excess being included in the cash payment. Failure to pay any premium, or other indebtedness, whether to the Company or to its representatives, when due, shall void the policy, and all premiums previously paid shall be forfeited to the Company, except as may be herein provided. Any premium due hereunder may be paid semi-annually or quarterly, at the option of the Insured, in accordance with the Company's Tables of semi-annual and quarterly premiums.

CHANGE OF PLAN.—On the due date of any annual premium and while in full force and unassigned, the policy may be exchanged, provided the Insured is then less than sixty years of age, without any further medical examination, for any other form of whole life or endowment policy issued by the Company at the time this policy takes effect, without disability benefits. The amount of such new policy shall not be greater, neither shall the premium payable thereunder, at the date of issue, be less than the premium payable on the same date under this policy. Such new policy will be issued, on surrender of this policy, as of the then current date with the rate of premium at the attained age of the Insured, or, if so requested by the Insured, may be issued as of the same date and at the premium rate for the same insurable age as this policy. In the latter case, if such change is made during the first five years of the policy, the difference between the premiums that have been paid hereon and those that would have been paid under the new policy, with six per cent. Interest thereon from the due date of each payment to the date when the change is made, accumulated annually, shall be paid to the Company, and in the event of change after five years the difference in the reserves on the two policies shall be so paid.

RESIDENCE AND TRAVEL.—The policy is free from all restrictions as to residence, travel or occupation, except as to military or naval service in time of war.

MILITARY AND NAVAL SERVICE.—The policy is free from all restrictions as to military and naval service in time of peace.

Aeronautic or submarine service in any capacity whatever in time of war shall automatically void the policy and the Company shall thereupon be liable only for a return of the premiums paid.

The Insured may engage in military operations (except aeronautic) within the States of the American Union and the District of Columbia without payment of any extra premium.

The policy shall be free from all restrictions as to military or naval service (except aeronautic or submarine), if, within thirty one (31) days of his entering upon or serving in military operations outside of the States of the American Union and the District of Columbia, or in naval operations, or in any service allied to or connected with such military or naval operations, here inafter called "such service," he shall obtain from the Company swritten permit therefor, and shall pay in cash to the Company annually in advance, such extra premiums during the continuance of such service as the Company may from time to time require of him, in addition to the annual premium stipulated in the policy, the other terms and conditions of the policy remaining the same.

When the ordinary premium is payable in quarterly or semi annual installments the extra premium may be paid in like manner

The Company will pay all such extra premiums received under its policies into a special fund. The excess of the mortality experienced under policies contributing to such special fund, over at shown by the American Experience Table of Mortality (Select Ultimate Basis) shall be charged against the contributors to

such special fund; the Company may also charge against such contributions any expense in its judgment properly chargeable thereto, and any net balance remaining of the contribution of the Insured under this policy to the said fund as determined by the Company shall be returned to him at such time and in such manner as the Company may prescribe, if the policy shall be then in force, and if he shall have continued to pay such extra premiums during the entire period of his continuance in such service, and the decision of the Company as to the amount of said net balance and all other matters hereunder shall be final and binding.

During such service the policy cannot be converted into a paid-up or extended term insurance policy, anything to the contrary contained in the policy notwithstanding, nor will the terms of the automatically non-forfeitable clause apply.

If, after the payment of such extra premium for two or more years, as and when due, the Insured shall, during the continuance of such service, make default in payment in cash of any subsequent ordinary or extra premium, or if the Insured after the expiration of two years from date hereof shall for the first time enter upon such service and obtain from the Company a written permit therefor, and elect not to pay any extra premium, the Company will continue the insurance in force for a limited amount and for the period as set forth below, and will charge, during the continuance of such service, all ordinary premiums falling due thereafter (if not paid in cash) as loans against the policy, without interest until the first annual premium due date after the termination of such service, when upon payment in cash of the ordinary annual premium then due, the Insured being still alive, the insurance, together with any previously existing indebtedness, shall be re-instated in full, save only that all ordinary premiums charged against it during such service shall be also an indebtedness against it, with interest thereafter at the rate of six (6) per cent per annum, payable annually in advance.

In the event of the Insured dying before the termination of such service, or should he die as the result of such service before the first anniversary of the policy after the termination of such service, such limited amount of insurance shall be subject to all indebtedness thereon, the then Terminal Reserve, plus ten (10) per cent of the sum insured, plus the amount of all ordinary premiums falling due (if any) during such service, but in no case more than the sum insured.

If the Insured shall enter upon or be engaged in such service without obtaining a written permit from the Company or without making payment in cash of such extra premium from year to year as provided herein, the policy shall automatically become null and void as of the date of any such default (except in so far as it may be kept in force for a limited amount under conditions as specified above) and the Company shall be liable only for the amount of the Terminal Reserve on the policy as of the date of voidance thereof, less any indebtedness to the Company on the policy.

Any premium or premiums received and retained by the Company after the policy has become null and void as provided above, shall not revive the policy nor operate as a waiver of this provision, but upon written demand will be returned.

Attached to and forming part of the Company's policy No.: 99.999 on the life of John Doe.

In witness whereof this contract has been signed by the President and Secretary of the Company this First day of May, 1917.

FRANK ORME,
Secretary.

WILNER L. Moore,

Installments.—At any time, upon the written request of the Insured accompanied by the policy for proper endorsement, its payment shall be changed from one sum to such installments as the Insured may request, and the Company approve, and, in such event, a Table showing the number and amount of installments will be attached hereto and made a part hereof.

Modification.—No Agent is authorized to alter this contract. No modification hereof shall be made except over the signatures of the President and Secretary.

20 PREMIUMS LIFE POLICY WITH DISABILITY BENEFITS.

No. 99999. Amount \$10,000. AGE. 35.

Premium \$372.00.

THE STATE LIFE INSURANCE COMPANY OF INDIANAPOLIS, INDIANA.

Hereby Insures the life of John Doe (hereinafter called the insured) of Indianapolis, State of Indiana, and agrees to pay the sum of Ten Thousand Dollars at the Home Office of the Company, Indianapolis, Indiana, to Mary E. Doe, his wife (or to such other beneficiary or beneficiaries as may be designated by the insured as hereinafter provided) if living, otherwise to the insured's executors, administrators or assigns, upon receipt at said Home Office of due proof of the death of the insured, and of the interest of the claimant, this Policy being then in force, less any indebtedness to the Company on account of or secured by this Policy, including any of the current year's premium remaining unpaid.

Non-Forfeiture Options.—After premiums have been paid for two years from the date hereof (this policy being then in force and provided there is no indebtedness against it), at the time any premium becomes due, or within the period of grace, or upon default in the payment of any premium when due, or within thirtyone days thereafter, the owner of this policy may select any one of the options in the following table, and in the event that no such selection is made, the Company will continue this policy in force as extended insurance, according to the first option, and all other options will be deemed waived; such extended insurance being nonparticipating and without loan or cash values. The values in the table apply only in the event there is no indebtedness against the policy; but any such indebtedness may be paid in cash and the values in the table will then be applicable; or if not so paid, the cash and loan values will be reduced by the amount of indebtedness, and the amount of paid-up insurance will be reduced in the ratio of the indebtedness to the net value of such insurance, and the extended insurance shall be for such length of time only as the excess of the net value of extended insurance as shown in the table, over the indebtedness will purchase at the insured's attained age at the net single premium rate by the American Experience Table of Mortality and three per cent interest. Dividend additions to the policy, and additional premium payments for any fractional part of a year if any, will increase the values in the table in proportion to the increase in the value of the reserve thereby.

IV. PRIVILEGE OF CHANGE.—This policy while in full force and before the Insured has attained the age of sixty years, may be changed at any time without medical re-examination, for a policy of the same amount upon any plan issued by the Company at the time this policy takes effect, and having a higher rate of premium. Such change shall be effective upon payment of a sum equal to the difference between, the premiums on the new policy and the premiums paid on this policy, with compound interest at the rate of five per cent per annum from the due date of each payment to the date when the change is made, and upon the surrender of this policy. The new policy will take effect as of the date of this policy, and the premium will be based upon the same age as this Policy. Any premiums so waived shall not be a lien on this policy, and the values in the table of options on the first page hereof shall increase in the same manner as if the premiums were paid by the Insured. If the Insured should so far recover as to be able to engage in any rainful occupation, the obligation on the part of the Company to waive payment of premiums shall cease, and the Insured shall resume payment of premiums in accordance with this contract, beginning with the first premium becoming due after the date of such recovery. Without prejudice to any other cause of disability the entire and irrecoverable loss of the sight of both eyes, or the severance of both hands above the wrists or of both feet above the ankles, or of the entire hand and one foot, occurring before age sixty, will be considered total and permanent disability within the meaning of this provision.

where or engage in any occupation.

II. PAYMENT OF PREMIUMS.—All premiums are payable in advance at the Head Office of the Company or to an agent thereof, upon delivery of a receipt signed by either the President, Managing-Director or Secretary of the Company and countersigned by the said Agent.

A grace of one month (not less than thirty days) is allowed for the payment of renewal premiums, without interest charge, during which time the assurance shall continue in force.

III. Indisputability.—This policy shall constitute the entire contract between the parties hereto, and shall be indisputable after two years from the date of issue, provided the premiums be regularly paid. All statements made by the assured shall, in the absence of fraud, be deemed representations and not warranties; and no such statement shall void the policy unless it is contained in the written application, a copy whereof is attached to this policy when issued.

If the age of the assured has been misstated the amount payable shall be such sum as the premium paid would have purchased

according to the rate at the true age.

IV. CASH VALUE.—After three full years premiums shall have been paid; this policy may, in the absence of any legal restriction to the contrary, be surrendered to the Company for the amount of the eash value specified in the table of guaranteed values attached hereto, increased by the cash value of any existing bonus additions Any indebtedness due to the Company on this policy by either the essured or the beneficiary, shall be deducted from the said cash

V. Loans.—After three full years' premiums shall have been paid the Company will advance, upon proper assignment of this policy and on the sole security thereof, any amount not exceeding the cash value of the policy as provided for in Privilege IV above. The rate of interest shall not exceed six per cent per annum. This privilege is subject to the condition that there is no legal restriction to the contrary and that any indebtedness due to the Company on this policy by either the assured or the beneficiary shall be deducted from the said loan. The Company may also collect interest in advance to the end of the current policy year. Failure to pay any such loan or the interest thereon shall not void the policy unless the total indebtedness shall equal or exceed such loan value at the time of such failure, nor until one month after notice shall have been mailed by the Company to the last known address of the assured and of the assignee, if any. VI. PAID-UP ASSURANCE.—After three full years' premiums shall have been paid, provided this policy be still in force, the Company will, if this policy be surrendered to the Company and discharged in writing before the expiration of the days of grace (and not otherwise), issue in exchange therefor a non-participating paid-up policy for the amount set forth in the table of guaranteed values attached hereto, increased by any existing bonus additions. This paid-up assurance shall be payable at the time this policy would have become due if it had been continued in force, and shall be subject to any indebtedness to the Company on this policy by either the assured or the beneficiary.

VII. EXTENDED TERM ASSURANCE.—After this policy shall have been three full years in force, in the event of default in the payment of any premium, provided that there be no indebtedness to the Company on this policy, and provided the policy be not surrendered in accordance with Privileges IV or VI, the assurance hereunder shall be automatically extended as term assurance from the date of default in premium payment, but without participation in profits or the right to loans or surrender values, for the full amount assured under this policy and existing bonus additions. The said assurance shall be for the period, including the days of grace, set forth in the table of guaranteed values attached hereto, and shall be payable only if the assured die within the specified time. The cash value of any existing bonus additions shall be applied to lengthen the said period. The net value of the said term assurance shall be equal to the cash value of this policy as specified in Privilege IV and shall be at least equal to the reserve on this policy and existing bonus additions according to the British Offices OM (5) table with three per cent interest, less a sum not more than two and one-half per cent of the said sum assured and existing bonus additions.

If there be any indebtedness to the Company on this policy, the assurance hereunder shall be automatically extended as above for an amount equal to the sum hereby assured and existing bonus additions less the amount of said indebtedness, and the period of term assurance shall be such as the cash value of this policy as provided above, after deducting the said indebtedness, will purchase at net single premium rates by the British Offices Om (5) table with three per cent interest, according to the attained age of the assured.

PAID-UP AND ENDOWMENT OPTION .- Whenever, at the end of any policy year, the reserve on this policy and existing bonus additions together with any accumulated dividends held to the credit of this policy shall equal or exceed the net single premium for the attained age of the assured according to the British Offices Om (5) 3 per cent table for an amount equal to the face walve of this policy, payable at the same time and under the same conditions as this policy, the Company, at the written request of the assured and of the beneficiary and assignee, if any, will endorse this policy (subject to any existing indebtedness) as a fully paid-up participating policy for such amount as the said reserve and accumulated dividends as aforesaid will purchase according to the said standard table of mortality and rate of interest; or, whenever the reserve shall equal or exceed the face value of this policy, the Company, upon a full and valid surrender of this policy and all claims thereunder, will pay in cash the full amount of this policy and any excess of the said reserve (unless any indebtedness to the Company). The second of the first of the second of the sec

- IX. REINSTATEMENT.—In the event of default in the payment of any premium, and provided this policy has not been surrendered in accordance with Privileges IV or VI, it may be reinstated at any time upon written application by the assured with evidence of insurability satisfactory to the Company and upon payment of all arrears of premium with interest at a rate not exceeding six per cent per annum compounded yearly, and reinstatement, with interest, of any indebtedness existing at the time of default
- X. CHANGE OF BENEFICIARY.— This policy is issued with the express understanding that the assured may, provided he has not assigned it or any interest therein, change the beneficiary or beneficiaries from time to time during the continuance of this policy by filing with the Company a written request in such form as the Company may require, accompanied by this policy; such change to take effect only upon the endorsement of the same on the policy by the Company.
- YI. Total Disability Benefit.—At any time after one full year's premium shall have been paid, and before default in the payment of any subsequent premium, if the Assured, before attaining his sixtieth birthday, shall furnish proof satisfactory to the Company that he has become wholly and permanently disabled by bodily injury or disease, and is and will be permanently, continuously and wholly prevented thereby from performing any work for compensation or profit, or from following any gainful occupation and that such disability has then existed continuously for not less than sixty days, the Company will grant the following benefits:
- Assured the subsequent premiums, if any, as they shall become ducting the period of such total and perimanent disability, commencing with the first premium due after receipt of said profesioned first premium due after receipt of said profesioners disability.

•Prairie Sett. Cami (15 γ (11 γ Σ) ≥ 01)

2. Income to Assured.—Immediately on receipt of said proof the Company will also pay to the Assured, if then living, and if such disability still continues, a sum equal to one-tenth of the face amount of this policy (but not including bonus additions), and like amount on each anniversary thereafter of the date of the first such payment, during the subsequent lifetime and continued disability of the Assured, ceasing with the last payment preceding the maturity of the policy.

The face amount of the policy shall not be decreased by reason of any premium having been paid by the Company or of any income payment having been made, nor shall such premiums or income

payments be deducted in any settlement of the policy, and the guaranteed values in the table attached hereto shall increase in the same manner as if the premium had been paid in cash by the Assured, and the policy shall continue to participate in profits.

Provided always, that notwithstanding proof of disability may have been accepted by the Company as satisfactory, the Assured shall at any time thereafter when required by the Company, but not oftener than once a year, furnish satisfactory proof of the continuance of such disability. If the Assured shall fail to furnish such proof, or if he shall so far recover as to be able to engage in any gainful occupation, then all premiums thereafter falling due must be paid by the Assured as originally provided in the policy, and no further income payments shall be made.

Without prejudice to any other cause of disability, the entire and irrecoverable loss of the sight of both eyes, or the severance of both entire hands, or of both entire feet, or of one entire hand and one entire foot, shall be considered as total and permanent disability within the meaning hereof.

This disability provision shall immediately terminate if the Assured attains-the age of sixty years, or if the Assured shall, voluntarily or by obligation, engage in military or naval service of any kind outside of Canada, or in any aeronautic service.

This disability provision is granted in consideration of an extra yearly premium of *Nineteen Dollars*, which extra premium is included in the premium stated in the first page of this policy. The premium payable after the provision for these benefits terminates for any cause shall be the premium stated on the face of the policy, less the amount of such extra premium.

The Company shall be entitled to receive satisfactory proof of the age of the Assured before settlement of any claim under this disability provision.

Notice.—No person, except the President, Managing-Director or Secretary, has power to alter this contract, to extend the time for paying a premium, to bind the Company by making any promise or by receiving any representation or information not contained in the application for this policy. No payment made to any person, except in exchange for the Company's official receipt, will be recognized by the Company. This policy does not take effect until the first pre-hium has been actually paid during the life and good health of the Assured.

SUPPLEMENTAL APPLICATION.

REGARDING MILITARY AND NAVAL SERVICE.

7. Do you agree that any policy the Company may issue upon your application shall contain the following clause?

"The assured may engage in military or naval service (but not in aeronautic service in connection with military or naval service in time of war) within the limits of continental United States of America, without extra premium or reduction of the sum assured.

If, however, the assured shall engage in military or naval service in time of war outside of the limits of continental United States of America, or in any aeronautic service in connection with military or naval service in time of war, written notice thereof shall be given by him or on his behalf to the Company prior to the date of his engaging in such service and such extra premium as the Company shall require shall be paid annually in advance during the continuance of such service.

In the event of the assured entering upon such service without previously giving such notice and paying such extra premium, this policy shall not thereby become void, but in the event of the death of the assured during such service or as a result thereof, at any time prior to three months after the conclusion of peace terminating the present war between Great Britain and Germany and other enemy countries, the amount payable under this policy shall be only twenty-five per cent of the face value thereof and the Company shall not be liable for any amount in excess of such twenty-five per cent."

8. Do yoù agree that if the policy contains provisions for total and permanent disability benefits, such provisions shall immediately terminate should you engage in military or naval service in time of war outside of the limits of Continental United States of America, or in any aeronautic service as above?

The above questions and answers are hereby made a part of my application for assurance in the Sun Life Assurance Company of Canada, and of any policy which may be issued there under.

PREMIUMS AND DIVIDENDS.

8. PAYMENT OF PREMIUMS.—All premiums shall be payable in advance, either at the Home Office, or to an authorized agent of the Company on delivery of a receipt signed by the President or Secretary and countersigned by such agent.

Failure to pay any of the first three years' premiums, or instalment thereof, shall avoid and nullify this contract.

After three full years' premiums have been paid, on failure to pay any subsequent premium, this policy shall lapse and its value shall be applied as set forth in article thirteen.

- 9. GRACE.—A grace of thirty-one days shall be granted for the payment of any premium after the first, subject to an interest charge of six per cent per annum, during which period the insurance shall continue in force.
- 10. DIVIDENDS.—This policy shall participate in profits, as apportioned by the Directors. Beginning at the end of the first policy year, provided the second year's premium is paid, dividends shall be declared annually during its continuance.
- 11. DISPOSITION OF DIVIDENDS.—Dividends may be withdrawn in cash; or applied to the payment of premiums; or applied to the purchase of paid-up participating additions to the policy; or left to accumulate with interest at three per cent, increased from surplus interest earnings as apportioned by the Directors, until the maturity of the policy, subject to withdrawal at any anniversary thereof.

If the owner of this policy shall not exercise any other such option the dividend shall be applied, on the expiry of the days of grace, to the purchase of paid-up additions, except that if the policy shall lapse the dividend shall be paid in cash.

Paid-up additions are convertible into cash at any time at the request of the insured for amounts not less than the original dividends.

12. PAID-UP BY DIVIDENDS.—On the written request of the insured this policy will be endorsed as fully paid-up with participation in profits, on any anniversary when its reserve value, together with any accumulated dividends or the cash value of any additions (which shall be surrendered for such purpose) equal the corresponding net single premium for this policy at the attained age. Any excess of such total value over the said single premium will be paid in cash.

POLICY VALUES.

- 13. Policy Values.—After three full years' premiums have been paid the reserve value at the end of the policy year, computed according to the American Experience Table of Mortality with interest at three and one-half (3½) per cent (less a surrender charge in no case exceeding one and one-half (1½) per cent of the amount of the insurance, and decreasing annually until the fourteenth year; after which the surrender charge, if made, shall not exceed one-tenth of one per cent of the amount of the insurance), may be used at the option of the owner of this policy in any one of the following ways, all of equal value, as set forth in the following tables, provided there be no indebtedness or advances on this policy. If, on failure to pay a premium, no option is exercised, such value shall be applied as provided in Option 1.
- 14. OPTION 1—EXTENDED INSURANCE.—Applied to the extension of this policy as participating term insurance from the date to which premiums have been paid, without any further payment (Table 1). The value of any paid-up additions will be used to increase the term of extension.
- 15. OPTION 2—PAID-UP INSURANCE.—Applied to the purchase of paid-up participating insurance, on written request and the surrender of the policy before the expiration of the days of grace (Table 2). Any paid-up additions will be added to the amount of the paid-up insurance.
- 16. OPTION 3—LOAN.—Borrowed or taken in advance in whole or in part on the sole security of the policy, on assignment thereof, less the unpaid balance of the current year's premium and any indebtedness and previous advance on this policy, at six per cent interest payable annually on the anniversary of the policy, interest to be discounted and paid in advance (Table 3).

Failure to repay any such advance or to pay interest shall avoid this policy whenever the total indebtedness and advances hereon with interest shall equal or exceed the then loan value, pro-

vided, however, that failure to repay any such advance, or to pay interest, shall not avoid this policy unless the total indebtedness and advances hereon shall equal or exceed such loan value at the time of such failure, and until one month after notice shall have been mailed by the Company to the last known address of the insured, and of the assignee, if any.

The loan value will be increased by the value of any paid-up

additions.

Consummation of loans other than to pay premiums on policies. in this Company may be deferred by the Company sixty days.

- 17. OPTION 4—CASH.—Collected in cash on written surrender of the policy before the expiration of the days of grace (Table 4). Payment may be deferred by the Company sixty days.
- 18. CREDIT FOR FRACTIONAL PREMIUMS.—If default shall occur at any time other than the end of the policy year the values for the preceding policy year shall be proportionately increased for the portion of the policy year for which premiums have been paid,
- 19. DEDUCTION OF INDESTEDNESS.—If there be any indebtedness or advances on this policy, the cash value shall be reduced thereby; the paid-up value shall be reduced proportionately; and the extended insurance shall be for the face value of the policy less the indebtedness and advances and for such term as said reduced cash value will provide.

LOAN VALUE.—During any Policy year after the payment in cash of three full years' premiums, the Company will loan to the

Lusured a sum not exceeding the cash value of this Policy at the end of said Policy year, as shown by the following table, upon the following conditions.

- 1—That all accrued premiums hereon have been paid in full in cash to the time the loan is made.

- That this Policy shall be assigned to the Company as collateral security.
- 4—That the loan value as shown by the following table is subject to any indebtedness hereon to the Company, including any unpaid portion of the current year's premium.

Failure to pay any loan made upon this Policy, or interest thereon when due, shall not forfeit this Policy unless the total amount of the loan with interest thereon at said rate shall equal, or exceed, the loan value hereof at the time of such failure to pay, nor, in any event, until one month after notice that the Company will claim such forfeiture shall have been mailed to the last address known to the Company of the Insured, or the assignee hereof, if any.

TABLE OF VALUES.

The net value of the insurance and the cash and loan values, as shown by the following table, are based upon the payment of full year's premiums, and are each equal to the other. Each is also equal to the entire reserve upon this Policy, computed according to the American Experience Table of Mortality, with interest at the rate of three per cent. per annum, less not more than two and one-half per cent. of the amount of this Policy. If premiums are paid semi-annually or quarterly, said values (except loan value) arising upon any such intermediate payment may be determined by adding to the values for the full year next preceding such payment, as shown by said table, such portion of the increase of values for the then current year as such intermediate payment bears to the full year's premium.

Policy, or if there be any indebtedness existing against this Policy, the figures in the following table will not apply, but amended figures will be furnished by the Company on demand; the amended figures will be computed in the same manner as the figures in the following table, except that the computation will be based upon the amount of insurance with reversionary additions, if any, and subject to eximp indebtedness against the Policy, if any.

Whenever upon any such anniversary date, the accumulations reserves designated above shall equal or exceed the face amount of this Policy, the Company will, at the option of the Insured, mature and pay this Policy as an Endowment Policy;

Provided the Insured shall, in either case, exercise his option by notifying the Company in writing thereof within thirty days after notice by the Company that the time for exercising such option has accrued.

Non-Participation.—This Policy shall not participate in the profits of the Company.

Loans.—At any time while this Policy is in force after three full years' premiums have been paid, this Company will advance on pledge of the Policy and on the sole security thereof the Loan Value as stated in the Table of Loan and Surrender Values for the end of the current Policy year at the time of the loan, (such loan value being the reserve on this policy, computed according to the American Experience table of mortality with 3½ per cent interest, at the end of the current policy year in which the loan is applied for, less a sum not to exceed ½ per cent of the amount insured under this policy), deducting from such Loan Value any outstanding indebtedness hereon, interest at six per cent per annum on such loan to the end of the Policy year, and any unpaid portion of the current year's premium. The net value of the surrender equity allowed under either option (a) or (b) shall not be less than the reserve on this policy at the date of default, computed according to the American Experience table of mortality with 3½ per cent interest, less a sum not to exceed 2½ per cent of the amount insured under this Policy. Values for later years will be computed and furnished upon request. For later years the Cash Surrender Value is the entire reserve on this Policy at the date of default, computed according to the American Experience Table of Mortality, with three and onehalf per cent interest per annum; the losn value is the entire resorve, computed according to the same table of mortality and rate of interest, at the end of the current policy year in which the loan is applied for, there being deducted from such loan value any outstanding indebtedness hereon, interest at six per cent per annum on such loan to the end of the policy year and any unpaid portion of the current year's premium; the paid-up Life Insurance is the equivalent of such cash surrender value upon the basis of the net single premium at the attained age of the Insured, and the paid-up continued insurance is the equivalent of the American Experience three and one-half per cent reserve at the time of default, less a sum not to exceed two and one-half per cent of the amount insured by this Policy, on the basis of the net single premium under the above table and rate of interest at the attained age of the Insured:

(2) In computing values both for the period covered by the Table of Loan and Surrender Values and for later years, if there be an indebtedness hereon to the Company, it shall be deducted from the amount which otherwise would be applicable as a surrender value to the purchase of temporary insurance for the period aforesaid, and the owner may elect either to have the remainder applied (a) to continue the insurance in force from the date of default without participation and without the right to loans for the face amount of this Policy less the indebtedness, or (b) to purchase a proportionate amount of non-participating paid-up life insurance.

If in the event of any default in the payment of premium or otherwise, after the Policy shall have been in force three full years, the owner shall not exercise either of said options within three months after such default, the insurance shall be continued as provided by option (a) in either paragraph (1) or (2).

Cash Values.—After premiums have been paid on this policy for three full years, it may be surrendered to the Company within thirty-one days after default in the payment of any subsequent premium for the Cash Value as shown in the Table of Loan and Surrender Values herein set forth, less any existing indebtedness to the Company on this Policy.

The Surrender Values under Policies with Quarterly or Semi-Annual premium payments will be calculated upon the same basis as the Surrender Values at the end of the preceding full Policy year, allowance being made for the total premiums paid.

REINSTATEMENT.—Unless surrendered for cash, this Policy upon evidence of insurability satisfactory to the Company may be reinstated within three years after any default in the payment of premiums, by payment of arrears of premiums with interest at the rate of six per centum per annum, together with interest at the same rate on any indebtedness to the Company which existed at the date of such default, and with reinstatement or payment of such indebtedness.

Modes of Settlement.—The Insured or the owner, of the beneficiary after the Insured's death, in case the Insured shall have made no election, may by written notice to the Company at its Home Office, elect to have the net sum payable under this Policy upon the death of the Insured paid either in eash or as follows:

- (1) By the payment of an annuity equal to three and one-half per centum of such net sum payable at the end of each year during the lifetime of the beneficiary, and by the payment upon the death of the beneficiary of the said net sum, together with any accrued portion of the annuity for the year then current, unless otherwise directed in said notice, to the beneficiary's legal representatives or assigns.
- (2) By the payment of equal annual instalments for a specified number of years, the first instalment being payable immediately, in accordance with the following table for each one thousand dollars of said net sum.
- (3) By the payment of equal annual instalments payable at the beginning of each year for a fixed period of twenty years and for so many years longer as the beneficiary shall survive, in accordance with the following table for each one thousand dollars of said net sum.

Any instalments payable under (2) or (3) which shall not have been paid prior to the death of the beneficiary shall be paid, unless otherwise directed in said notice, to the beneficiary's legal representtives or assigns.

When any option calling for annual payments is elected, this Policy shall be surrendered upon its maturity and a supplementary non-participating contract shall be issued for the option elected.

Unless otherwise specified by the owner or by the beneficiary in making such election, the beneficiary may at any time surrender the contract guaranteeing the payment of instalments, for the commuted value of the payments yet to be made, computed upon the same basis as option (2) in the following table; provided that no such surrender and commutation will be made under option (3) except after the death of the beneficiary occurring within the aforesaid twenty years:

Explanation.—For what amount ought a man to insure his life in order that his family and estate may suffer no loss in case of his premature death? At age 51 the expectation of life is twenty years (see table on preceding page). In the shove table opposite 20, in column "No. of years of expectation," you will find the answer, \$13,690, and so on for other ages. To state it more clearly: An annuity bond paying \$1,000 annually, having twenty years to run, assuming interest @ 4% per annum, has a present value of \$13,590.30. That is to say, if \$13,590.30 be put at interest (4%) and \$1,000 be withdrawn annually it will last just twenty years—and no longer. It will yield twenty annual payments of \$1,000 each—and no more.

Number of years that would elapse before the same annual payment (as fremium), which is required to secure \$1,000 insurance in event of death at any moment, would realize \$1,000, if otherwise invested at 5 per cent. Compound interest

Note.—This table is valuable in talking Endowment Insurance. Example: At age 35, out of 1000 persons who insure on the Twenty Year Endowment Plan, 789 live to the end of the Endowment term. Or, there are a chances in 100 of living to draw the endowment to 21 chances of dying during the endowment period of twenty years.

TRAVELERS INSURANCE COMPANY

Hartford, Conn., Dec. 15, 1910.

-Answering yours of the 12th inst., relative to a statement

of the life reserves held by this Company.

Upon January 1, 1901, the Travelers placed its entire life business on a 3/4% basis of interest, according to the American Experience Table of Mortality. Previous to that time, for a great many years, the reserve had been based upon the Combined Experience Table of Mortality with 4% interest. Since January 1, 1900, our entire non-participating issues have been placed on at least an American Experience 3½% reserve.

The participating business issued by the Company from the years 1903 to 1906, inclusive, has been based on the Amer-

ican Experience with 3% interest.

There are certain small groups of policies which do not follow the general rule, but the reserves on each of such cases is on a higher basis than that stated.

Sincerely yours,

(Signed) Edward B. Morris, Assistant Actuary.

NET RESERVES.

ACTUARIES TABLE OF MORTALITY.

AMERICAN EXPERIENCE TABLE OF MORTALITY

With Three Per Cent, Four Per Cent, and Four and Cont Mali Par Cant Interest:

Por the use of Actuaries, General Agents, and Solicitors.

Many of the tables used in this book have not been published hereforms. The carrying of the reserve values on Ordinary Life Policies up to the extreme limit—up to the time when the Reserve is equivalent to the face of the Policy, age 100 years, actuaries 4 per cent, and age 96, American Experience 8, 4 and 4½ per cent, is an interesting and valuable feature not previously published. Nearly all of the subject matter covered by the American Experience 4½ per cent reserve is for the first time herein published, since most of these tables were calculated expressly for this book.

The American 8 per cent tables are substantially the same at those complited by D. H. Wells, actuary, and adopted by the Connecticut Mutual Life Insurance Company; March 28, 1882; copyrighted and subsequently published by this company in 1890. Through the courtesy of this company we were permitted to publish these. It will be noticed that all the tables on Ner Reserves are preceded by the net premiums.

Net Reserve Values, preceded by net annual premiums, on ten, fifteen and twenty year term insurance, is a new feature in reserve values; these are published for every year at all ages on the Actuaries 4 per cent reserve basis.

Published by 4: I. PLITCRART, 599 Wayle Ave., Oak Park, Ill.

A complete index of this book will be furnished upon request.

It is handsomely finished, printed on heavy paper (made especially for this book) with broad margins, bound in heavy beveled board cover with an embossed leather back containing title of book in gilt letters; the size is 10 inches long by 714 inches wide; weight, 8% pounds.
